A BRIEF BIOGRAPHY OF OUR GRAND MASTER

M.W. Bro. Copeland was born in 1920 at Toronto where he received his early education. He graduated with an Industrial Chemical diploma followed by two years of specialized study in advanced organic chemistry. He then joined the Royal Canadian Artillery to serve during World War II. His military service included two years with the Royal Australian Artillery in the South West Pacific.

In 1946 Bro. Copeland established his own chemical specialty manufacturing business in Rexdale. He then completed his education at Lehigh University, Bethlehem, Pennsylvania; the University of Rochester, Rochester, New York; and the University of Toronto. He is a Chartered Chemist and a Member of the Chemical Institute of Canada. He retired as President of Copeland Laboratories Ltd. in 1978 to join his son, Martin, in Copeland Associates Inc. in Markham, Ontario.

In his community and national service, Bro. Copeland has been an officer of a number of manufacturers trade associations and professional chemical societies in which he continues to retain active membership. He is a Past President of the Review Board, Canadian General Standards Branch, Supplies and Services, Government of Canada.

M.W. Bro. Copeland became a Mason in 1949 when he joined Palestine Lodge, Toronto. He was elected Master of his Lodge in 1962 and later served as District Deputy Grand Master, 1969-70, of Toronto District 7. He became a member of the Board of General Purposes of the Grand Lodge in 1977 and has since held a number of key committee appointments. He was elected Deputy Grand Master in July, 1983, and Grand Master, a two-year office, in July, 1985.

Our Grand Master's other Masonic activities include membership in the Royal Arch Masons and in the Ancient and Accepted Scottish Rite in which he is a 32nd Degree Mason. He has been active in inter-faith committee work and has led four Masonic pilgrimages to the Holy Land. He has been awarded honorary memberships in a number of Lodges throughout Ontario, in New York, Israel and Jamaica.

The Grand Master and his wife, the former Margaret Isenberg, have two sons, Dr. Glenn and Martin, both of whom are officers in Palestine Lodge. The Copeland family are members of the Beth Tzedec Congregation, Toronto.

In addition to spending time with his four grandchildren, Bro. Copeland's recreational activities include golf, tennis and swimming.

Irvine, and resolved: That inasmuch as the Minutes of the last Annual Communication held in Toronto have been printed and distributed to all constituent lodges the same be now taken as read and confirmed.

As the Grand Secretary read the Rules of Order as prescribed by the Constitution of Grand Lodge, it was moved by M.W. Bro. B. B. Foster, seconded by M.W. Bro. H. O. Polk and resolved: That the Order of Business of this Annual Communication be changed at the discretion of the Grand Master.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

Rapid change — new developments — inspiring times — all contribute to make this 131st Annual Communication an exciting and memorable event. One year ago, you conferred on me the great honour of Grand Master of this Most Worshipful Grand Lodge of Canada in the Province of Ontario. At the same time, you entrusted me with great responsibility. Among the first of my obligations, was the implementation of many of our new programmes, mainly the five-point plan, "IGNITING MASONIC PRIDE." As I recall the events of the past twelve months, I do so to render an account of my stewardship to the members of this Grand Lodge.

WELCOME

Welcome one and all to our 131st Annual Communication. Our perennial convocations are enhanced by the attendance of guests from sister Grand Jurisdictions from the United States and Canada. Many have journeyed great distances to be with us. Those of you who are attending for the first time, I extend a special welcome. It is a sincere pleasure to greet our many Masonic friends, and attempt to return the gracious hospitality extended to us during our visits to your Jurisdictions. We trust your stay with us will be enjoyable. When you return home to your respective Grand Lodges, convey the fondest fraternal good wishes of the Grand Lodge of Canada, in the Province of Ontario, to your members.

NECROLOGY

During this past year, several great servants of the Craft have been lost. Their names are recorded in the Report on Deceased Brethren. May their souls be bound up in the Bond of Eternal Life.

DISTRICT DEPUTY GRAND MASTERS

With the co-operation and understanding of M.W. Bro. N. R. Richards, Custodian of the Work, I was privileged to meet with my 43 District Deputy Grand Masters on three occasions between our Annual Communication in July 1985 and the Fall meeting of the Board of General Purposes in Toronto in October of the same year.

From these discussions, together with other meetings at District and Anniversary Receptions, a closer understanding resulted of our aims and objectives in our game plan — "IGNITING MASONIC PRIDE," our theme for my two years of stewardship. This five-point programme

encompasses the high priority items addressed by the Advisory Committee to the Grand Master. The District Deputy Grand Masters' group took on a special role of great importance, since they were responsible for assembling the three senior officers of each lodge in their district in the late afternoon preceding each District Reception to the Grand Master. These meetings served as a bridge of dialogue in which I (with the assistance of the D.D.G.M.) was able to convey my plans and my hopes for enthusiastic enlightened leadership in our Craft Lodges. Discussion periods followed, clearly depicting the concerns, dreams and aspirations of our present and future lodge leaders. A number of copies of a brochure, covering several subjects designed to aid the Worshipful Master and the Wardens, were left with the District Deputy Grand Master for distribution to the participants. It is a tribute to the District Deputy Grand Masters that a good attendance (in most cases, over 90%) resulted. I am very proud of the District Deputy Grand Masters, a very special group, who served as my representatives in their individual districts.

During the year, R.W. Bro. Raymond C. Lemon, the D.D.G.M. of St. Thomas District, became incapacitated. I am indebted to R.W. Bro. Robert A. Barnett, D.D.G.M. of London East, who, together with M.W. Bro. N. R. Richards, our Custodian of the Work, R.W. Bro. Donald A. Paquette of London West, R.W. Bro. James L. Harding of South Huron, and R.W. Bro. Kenneth N. Reycraft of Chatham District, took care of all the remaining D.D.G.M. visits in the St. Thomas District.

At the turn of the year, R.W. Bro. Franklin W. Speers, the D.D.G.M. of Wellington District, suffered a heart attack and was confined to the hospital. During his recovery period, R.W. Bro. Ray Thompson, a P.D.D.G.M., assumed the duties for R.W. Bro. Speers, and for this, we are truly grateful.

ACKNOWLEDGEMENTS

It is with extreme regret that I report R.W. Bro. A. C. Ashforth has requested (because of personal considerations) that he not be considered for reappointment as an Honorary Member of the Board of General Purposes. For many years, he served his lodges and the Fraternity with great devotion and distinction. A banker by profession, he gave of his talents freely, contributing so much towards our financial strategies. A gentle man by nature, he is respected by his peers and beloved by his fellows. He was initiated into Masonry in Zetland Lodge No. 326, Toronto on April 4, 1919 and affiliated with Rowland Lodge No. 646 in Mount Albert, as a charter member in 1927 and served as Worshipful Master in 1931. He was appointed Grand Director of Ceremonies in 1950 and was further honoured by appointment to the Board of General Purposes in July 1953, where he served as an appointed member, with great distinction, until 1964, when he was made an Honorary Member of the Board of General Purposes. Further

recognition followed when he was appointed P.G.S.W. in 1971. He took over from the late R.W. Bro. R. C. Berkinshaw as Chairman of the Audit and Finance Committee in 1970 and served in this capacity until 1975. He has continued to serve on the Board until the present time. He will be sorely missed.

The content of the Board of General Purposes will be further altered this coming year, since R.W. Bro. William H. Sproule and R.W. Bro. George F. W. Inrig have chosen not to seek re-election, after many years of dedication and devotion. V.W. Bro. Jack Carpenter has also requested that he not be considered for reappointment. They will be missed by their colleagues.

A special tribute for services of former Board Members, R.W. Bro. R. J. Connor and R.W. Bro. William A. Isbister. Both have contributed many years in serving our beloved Craft.

Through the medium of this presentation, it is appropriate to recognize the services of R.W. Bros. Ashforth, Sproule, Inrig, Connor, Isbister and V.W. Bro. Carpenter. We are grateful for the role each of them has played in our Grand Lodge and extend to them our sincere fraternal regards and all good wishes for their continued well being.

APPOINTMENTS AND RECOMMENDATIONS

On the evening of June 23, 1986 Otisippi Lodge No. 719 held a special emergent meeting at the Sarnia Masonic Temple for the purpose of honouring their Secretary, W. Bro. Leonard Fieldman. I was pleased to appoint W. Bro. Fieldman as a Grand Steward on this occasion. Despite the fact that in recent years he was confined to a wheelchair, suffering from M.S., he still carried out his duties as Secretary of Otisippi Lodge No. 719. "Masonry in action," best describes this brother, as he was assisted up staircases in his wheelchair to assume his office in lodge. Prior to his affliction, he led an active career as a Mechanical Engineer with Polysar in Sarnia. He has displayed outstanding courage and fortitude, despite the debilitating effect of this crippling disease. I request from Grand Lodge, approval of this appointment and that V.W. Bro. Leonard Fieldman be given Past Rank.

HONORARY RANK

To recognize his many contributions to Masonry, his lifetime service to the Craft, and particularly, his great leadership in chairing two task forces this year for your Grand Master — "APPEAL TO YOUTH" and the ADVISORY COMMITTEE OF LODGE TEAM MANAGEMENT — I recommend the honorary rank of Past Grand Senior Warden be conferred upon V.W. Bro. George W. Kerr of Ulster Lodge No. 537, in accordance with Section 73(a) of the Constitution.

PAST RANK

I recommend that past rank be granted posthumously to the following brethren who passed away during their term of office:

V.W. Bro. Daniel B. Hunter, London—Grand Organist

V.W. Bro. John Banich, Willowdale—Grand Steward

V.W. Bro. Herbert Knapp, Spencerville—Grand Steward

W. Bro. Elwyn John McCarthy, District Secretary of Hamilton District B passed away during his term of office and I recommend he be granted the rank of Past Grand Steward posthumously.

May their souls rest in peace.

I recommend past rank be granted to the following brethren who have served the office of Worshipful Master diligently, but for various reasons did not complete their full twelve-month term:

W. Bro. John Hardy—Temple Lodge No. 665

W. Bro. Edward McCrudden—Westmount Lodge No. 671

W. Bro. Martin Baer—Clifford Lodge No. 315

NEW LODGE CONSTITUTED AND CONSECRATED

On Friday, November 1, 1985 a new lodge — Innisfil Lodge No. 737 — was constituted and consecrated in Stroud. The solemnity of the lodge activity was preceded by a festive banquet at the Stroud Recreation Centre — filled to capacity. A new lodge creates its own vibrancy and enthusiasm. It also produces openings for participation by the charter members as officers in the new lodge. The enthusiasm on this special evening was contagious, and served as an inspiration and a time of renewal for all who attended.

LODGE BUILDING DEDICATED

On Friday, October 11, 1985 in company with many members of Grand Lodge, I was pleased to dedicate the New Masonic Temple of Northern Light Lodge No. 93, Kincardine. The former Temple was destroyed by fire on February 19, 1984. While planning the removal of the damaged section of the existing building, it was agreed by the members to erect a new facility to provide a larger area for the meeting room as well as a more appropriate area for banquet facilities. The building was completed during the summer of 1985. The Dedication Ceremony was followed by a banquet. Participation by the members of the lodge in this building project reinforced the closeness of the brethren, united in a common cause and pride in their new Masonic home.

GRAND MASTER'S BANQUET

This year, M.W. Bro. Forrest Haggard, Past Grand Master of the Grand Lodge of Kansas, is to be our guest speaker. Those of us who were privileged to hear his address at our Grand Master's Banquet in 1974 and at the North American Grand Masters' Conference, Washington, D.C. in February of this year, will agree that M.W. Bro. Haggard — world traveller — theologian and Masonic intellectual — is one speaker who will uphold and enhance the reputation of the Grand Master's Banquet.

AVAILABILITY OF FURNISHINGS

In recent years, some lodges have decided to dispose of their own Temple buildings and share accommodations in existing Temples. As a result, some lodge furnishings have now become available. Any lodge interested in acquiring furnishings for their lodge room, are requested to contact Irvine Lodge No. 203.

HUMAN RIGHTS AND LETTER OF WAIVER

As recommended by the Board of General Purposes, a draft letter has been distributed to the Secretaries of each of our lodges. It is directed to the prospective candidate, requesting his permission to investigate his character. It also contains a Release of Claims. We recommend that the lodges use this document on an optional basis for a one-year period. Lodge input and comments would be appreciated by June 1, 1987, so we may finalize this form prior to our July 1987 Annual Communication.

MEMBERSHIP RETENTION

In an attempt to address the problem of npd's and demits, an ad hoc committee recently concluded that each lodge should examine the concept of appointing a Past Master to implement some positive action. This Past Master and his committee would display a concern and a compassion for those brethren who were either delinquent or in financial distress.

This one, or preferably, two-man committee would operate directly under the Worshipful Master and would call on inactive brethren, much in the same way as a committee might look in on a sick brother. The mere fact there is a genuine brotherly concern for the delinquent brother, or one in financial distress, would have a beneficial effect on the inactive brother. It will improve his attitude toward his lodge and his financial obligation to it. Retention Committees are most successful when they make their calls early in the Masonic year as opposed to the last minute 'delinquent committee approach' of waiting until late in the year to pressure the potential delinquent into meeting his financial obligations to his lodge. Since most of our membership losses are due to suspensions for npd, I recommend that a

committee be appointed by each Worshipful Master, which will make every reasonable effort to personally contact each inactive member in the lodge, particularly those who are in arrears and to determine if his possible suspension is due to circumstances of distress. Brethren, the time has come when we can no longer afford to lose members by default and abdication. Positive action is required now to plug the dyke.

As your Grand Master, I stand ready and willing, if requested by any lodge, to correspond directly with any member about to be suspended.

The C.O.M.E.L.Y. programme adds another dimension to strengthen membership by offering a visitation programme to those Masons who are members of sister jurisdictions and now resident in our jurisdiction. I recommend the immediate implementation of the C.O.M.E.L.Y. programme — “Calling on Masons of Every Lodge Yearly.”

NOTE OF INTEREST

Several of our senior brethren have reached 90th and 100th Anniversaries. William Russell Brown of Shuniah Lodge No. 287 passed away on October 5, 1985 at the age of 104.

MASONIC TEMPLE CORPORATIONS UPDATE REQUESTED BY THE MINISTRY OF CONSUMER AND COMMERCIAL RELATIONS

Recently we received notice from the Ministry of Consumer and Commercial Relations, Companies Branch, Ontario Government, that a number of our Nonprofit Masonic Temple Corporations have not replied to a special notice mailed by the Ministry. The documents in this notice **must** be completed and returned to the branch within thirty (30) days. This information is required by this Government agency to update the public records of all Ontario nonprofit corporations. Failure to comply will result in the cancellation of letters patent of your nonprofit corporation. It is essential that these forms be completed and returned to the Ministry to avoid any future embarrassment.

PRIOR ADVICE TO MASONIC TEMPLE CORPORATIONS BY LODGES DESIRING TO VACATE PREMISES

Written notice by a large Toronto Temple Corporation to all lodge tenants advised in writing, in January 1985, that three months' notice would be required in the event a lodge desired to vacate. If such notice was not given, three months' rent in lieu thereof was expected from the lodges. This written notice was required by the Corporation for the Temple to alter financial plans to compensate for the lost income. Despite this notice, a lodge in this Temple vacated in December with only two weeks' notice. This is not only an improper business decision, but, Masonically, we are not showing proper consideration for the Masonic Temple Corporation. Remember, the Corporation officers are Masons, giving voluntarily of their time and ability to serve their brethren. We trust that, in the future, all lodges in all Temples will fulfil their obligations, both financially and Masonically.

THE MASONIC SERVICE GUILDS

Too often, in the compulsive haste of our daily activities, we are prone to forget the work done by our Masonic Service affiliates. They do such an outstanding job in visiting out-of-town brethren in hospitals. They bring comfort by way of flowers, books, etc., but most important, they display the

fraternal hand of friendship and understanding during trying times. We are thankful to these various service organizations, who are numbered amongst our unsung heroes.

HONORARY MEMBERSHIP ON THE BOARD OF GENERAL PURPOSES

In order to extend special recognition for years of outstanding service and contributions to the Craft, and in order to harness their special talents for the future, special appointments are made under provision of Section 131(e) of the Constitution to this prestigious group. After thorough consultation with the Past Grand Masters, I recommend the appointment of R.W. Bro. W. Lorne Pacey to Honorary Membership on the Board of General Purposes. I further recommend the reappointment of R.W. Bros. T. J. Arthur, J. W. Millar, R. T. Runciman, C. A. Sankey and T. L. Wilson.

SPECIAL COMMITTEE RECOMMENDATION

In order to properly address all facets of Public Relations, I recommend that the name of the Special Committee on Public Relations be changed to read "Public Information and Communications."

SPECIAL EVENTS

This past year has been a constant voyage of discovery. Some of these experiences, I would like to share with you.

On September 11, 1985 I was privileged to install my son, Bro. Dr. Glenn H. Copeland as Worshipful Master of my Mother Lodge, Palestine No. 559 in Toronto. Friends attended from our Jurisdiction, as well as from other Canadian and American Sister Jurisdictions. Many participated in the Ceremony of Installation, including Past Grand Masters of our Grand Lodge. To further heighten this perennial festivity, I invested my younger son, Bro. Martin J. Copeland, as Inner Guard. No greater joy for a father than participating in such a memorable evening.

On September 19, 1985 I journeyed to Montreal, Quebec at the invitation of the Grand Master of Quebec, M.W. Bro. John Patience. I participated with my good friend, M.W. Bro. Patience in the awarding of a sixty year bar as a Past Master to V.W. Bro. William Gittes, who served as Worshipful Master of my Mother Lodge, Palestine No. 559 in 1925-26. He moved to Montreal in the early thirties and has served his affiliated lodge (Ionic No. 54) with great attachment. At 90 years of age, he shows remarkable resilience. A short programme in the lodge room was followed by a Festive Board, with over 300 present to honour a remarkable patriarch.

On Friday night, October 25, 1985 the Annual Divine Service of the seven Toronto Districts, under the auspices of the Past Masters' Association of the Metropolitan Toronto Districts, was held at Beth Tzedec Synagogue, Toronto. Over 1,400 Masons and their families attended. They were welcomed by Bro. Jules Surdin, President of the congregation. Rabbi J. Benjamin Friedberg preached, and both Grand Master A. Lou Copeland and Deputy Grand Master William R. Pellow read the lessons. Cantor Paul H. Kowarsky and the choir, directed by Gordon Kushner, led the singing. An outstanding evening, attesting to the universality of our Order and our common belief in God, the Father and Creator of all mankind.

The Annual Interfaith Service and Breakfast of the Monroe Masonic Districts was held at the Masonic Temple, Rochester, New York on Sunday, November 24, 1985, with the service at 8:15 a.m., followed by the breakfast at 9:15 a.m., with over 500 attending. M.W. Bro. Calvin G. Bond, Grand Master of Masons in the State of New York, introduced the guest speaker, M.W. Bro. A. Lou Copeland, Grand Master of the Grand Lodge of Canada in the Province of Ontario. R.W. Bro. M. Solomon thanked the speaker and presented to him a cheque for \$1,400.00, payable to The Masonic Foundation of Ontario. The recipient of the Annual Community Service Award presented by the Masonic Service Bureau, was Mrs. Doris Carlson, widow of the late Chester Carlson, whose invention and pioneer work led to what is today, the Xerox Corporation.

My Mother Lodge, Palestine No. 559, arranged a reception for the brethren of that lodge and Toronto District 7, to welcome me home on October 30, 1985. What a homecoming! It was held at Le Parc in Concord, where many old friends gathered to extend their warmest personal regards and pay respect to the Grand Master. My heartfelt thanks to the Worshipful Master and all my lodge brethren for their kindness.

On December 8, 1985, "A Grand Masters' International Friendship Brunch" was held at the Hilton Hotel, Skokie, Illinois, to honour M.W. Bro. Lawrence D. Inglis, the Most Worshipful Grand Master of A.F. & A.M. of the State of Illinois, and your Grand Master. The Invocation was chanted by Rabbi Shlomo Shuster and the closing prayer was delivered by Rev. Thomas W. O'Connor. The guest speaker, M.W. Bro. A. Lou Copeland, was introduced by M.W. Bro. Lawrence D. Inglis. Thanks was made in the form of a presentation to our Grand Master by R.W. Bro. Joel H. Ross, D.D.G.M. of Sixth Northeastern District, a silver vessel, suitably engraved for the occasion. A banner day in Masonic International Relations.

On May 8, 1986, at the invitation of M.W. Bro. Robert Singer, Grand Master of Masons in the State of New York, I was invited to attend the First Anniversary of Long Beach Lodge in Long Beach, Long Island, New York, which had been restructured from two older lodges. The Worshipful Master,

a close personal friend of my son Glenn (Worshipful Master of my Mother Lodge), arranged an evening in which both Grand Masters participated. Both of my sons attended and shared in an outstanding evening of "Hands Across the Border."

Grateful appreciation is extended to the Immediate Past Grand First Principal, M. Ex. Comp. Edward Elcombe, for his recommendation to Grand Chapter, that Past Grand Rank be conferred on your Grand Master at their Annual Communication on April 11, 1986.

Sincere thanks to R.W. Bro. Robert Barnett, D.D.G.M. of London East and his District Chaplain, W. Bro. Sydney Greenberg, for arranging their District Divine Service at the Or Shalom Synagogue in London, on April 12, 1986. This House of Worship was filled to overflowing, with many brethren having to stand throughout the Service. My thanks to Rabbi Hoffman for conducting the service and for calling on me to read the lesson in both the Hebrew and English texts. We were treated to a late dinner at the Greenberg's farm and to a well-attended lunch hosted by Centennial Lodge No. 684, at the Masonic Temple, the following day.

CONFERENCES OF GRAND MASTERS OF MASONS OF NORTH AMERICA AND GRAND SECRETARIES

In February of this year, the Grand Master, the Grand Secretary, the Immediate Past Grand Master and the Deputy Grand Master, attended the Conferences of Grand Masters and Grand Secretaries of North America, held in Washington, D.C. Our Grand Lodge is recognized as one of the leading Jurisdictions in North America. This is a reputation that has been established by my predecessors — our Past Grand Masters — over a period of many years. This conference serves as a forum for a free and easy exchange of information concerning areas common to most of the Grand Lodges. Through this medium of cross fertilization, all participants benefit. The 1987 conference will take place in Calgary, Alberta — a first for Canada. It is with a pardonable sense of pride I report that your Grand Master was elected Chairman of the Conference of Grand Masters of Masons in North America, to take place on February 15th - 18th, 1987. This is the first time a Grand Master of a Canadian Jurisdiction has been elected to this position since M.W. Bro. Eric W. Nancekivell chaired the Conference, held in Washington, in 1977. This honour bestowed on our Grand Lodge is one which is deeply appreciated.

BANFF CONFERENCE

This past August, your Grand Master and Grand Secretary attended this Conference, which is hosted by the four Western Canadian Grand Jurisdictions — British Columbia, Alberta, Saskatchewan and Manitoba. This seminar environment provides an ideal platform to discuss various opportunities common to Canadian Grand Lodges, and to meet with the senior line officers of these Grand Lodges. Although we are invited ex-officio guests, we appreciate this opportunity to meet with our Western Canadian colleagues.

ALL CANADA CONFERENCE

The All Canada Conference is held annually in Winnipeg, Manitoba, usually during the last weekend in March. This serves as a forum for the Canadian Grand Masters, Grand Secretaries, and Deputy Grand Masters to meet and present papers on subjects of mutual interest. A discussion follows under a capable moderator. This year, your Grand Master presented a paper titled "Masonic Public Relations," which encompassed Masonic P.R. by the Grand Lodges of England and Germany, as well as that in our own Grand Lodge of Canada in the Province of Ontario. This conference had to rate as the most informative attended this year.

HONORARY MEMBERSHIP

During this past year, as I have travelled in our Jurisdiction, many lodges have extended their expression of good will, for which I am truly grateful. Special thanks are extended to those lodges which have conferred honorary membership in their respective lodges.

HONOURS RECEIVED

Many of our members have been honoured while serving their community and their Fraternity.

Congratulations to R.W. Bro. T. Richard Davies, Honorary Member of the Board and Chairman of the Committee on Benevolence, on his recent election as President of the Arthritic Society of Canada, Ontario Division.

Our very best wishes to R.W. Bro. Wallace McLeod, our Grand Historian, who, as Prestonian Lecturer for 1986, delivered his paper — "The Old Charges" to the Quatuor Coronati Lodge in London, England on June 26, 1986. We are proud of his achievements and the honour brought to our Grand Lodge.

CONGRATULATIONS

Congratulations to all those Masons who have completed all four parts of the Masonic Education Correspondence Course. It is but confirmation of your zeal in the quest for further Masonic knowledge.

In June, 1986, while attending the 111th Annual Communication of the Grand Lodge of Manitoba, held in Winnipeg, we were delighted to witness the presentation, to Bro. Gerald E. Haist, of the prestigious William Douglas Medal, for meritorious service to the Craft in the Province of Manitoba. This was especially significant, since Bro. Haist was initiated into Royal Lodge No. 453, Thunder Bay, Ontario.

On July 30th, 1986, the Dean of our Past Grand Masters, M.W. Bro. Wm. L. Wright, and his gracious and charming wife, Margaret, will be celebrating their 50th Wedding Anniversary. Heartiest congratulations and all good wishes to you, Most Worshipful Sir, on this festive occasion. Our lives have been enriched by having your wise counsel and guidance these many years. May the days ahead be filled with happiness and good health.

APPRECIATION

Appreciation is expressed in many ways: by the wagging of a dog's tail, by thunderous applause at a concert, but today, I want to express my sincere appreciation to all who have participated in this great team effort this year.

My sincere thanks to our Past Grand Masters, who have brought with them to the Chair of the "Royal Solomon," their dreams and visions, and who have given a considerable portion of their lives to our Craft. Not only have they all supported your Grand Master but they continue to contribute from their expertise when called upon. To our Grand Secretary, M.W. Bro. Robert E. Davies, and his staff, I am deeply indebted to you, Sir, for never failing to be at my side, expressing the various alternatives and possible solutions to problems as they arise, which have helped ever so much in my role as Grand Master. To our Grand Treasurer, M.W. Bro. James N. Allan, who plans and executes our financial strategy with such great friendliness and good humour. Again, this year the bottom line on our financial statement has been strengthened. To M.W. Bro. N. Richard Richards, the Custodian of the Work, who gives so untiringly of himself in his various duties; and to the President of the Board, R.W. Bro. W. R. Pellow, for being an outstanding Deputy Grand Master. To all the Committee Chairmen and members of their Committees, who have served with precision and diligence. Your reports clearly indicate your proven ability to solve problems and set priorities. My thanks to our Grand Chaplain, R.W. Bro. Harold Lerner — Rabbi and Teacher, who has discharged his several duties with quiet dignity and elegance. And to all the members of the Board of General Purposes, your dedication and devotion is ever so much appreciated. A special note of thanks to our six hundred and fifty Worshipful Masters and their officers, who have given leadership to their Craft Lodges. Your enthusiasm is contagious.

SUMMATION

When I ascended to the Chair as Grand Master one year ago, I was conscious of my responsibility as your leader, to help preserve and strengthen our great Fraternity. Amongst our top priorities — we must improve our Communications and bolster our membership, which, over a three-to-five-year period, would improve membership statistics. “IGNITING MASONIC PRIDE” — our basic theme, coupled with our five-point programme, has now been implemented. In my travels in our Jurisdiction, I have observed a positive, vibrant attitude developing. Not only has our membership been challenged, but they are reacting to restore the validity of Freemasonry as a force for good in their community. Our Five-Point Programme has produced:

- (1) **WHAT IS FREEMASONRY?** — a pamphlet telling the Masonic story in simple, updated English, easily read and understood. It is an excellent reading piece for our brethren, their families and others, who request Masonic information. If our members are the fibre that holds society together, then we must tell the story of Freemasonry and do so with pride. This pamphlet must be put into the hands of those, so they can ask “the question.” These are the people who are seeking an environment in which they can flourish and grow.
- (2) **MASONIC CHARITY** — This brochure is intended to give you a better understanding of our Masonic Charity.
- (3) **THE MENTORSHIP PROGRAMME** — This buddy system is intended to produce Masons, not only proficient in our ritual, but in producing educated and knowledgeable Masons, who not only love their ritual and know how to present it effectively, but also have an ample knowledge of the background, the aims and the purposes of the Fraternity. It also integrates the new Mason into the fibre of the lodge. This programme becomes an important factor in developing an intelligent membership and a capable leadership to sustain and advance Freemasonry in the future. Our Deputy Grand Master, R.W. Bro. William Pellow, has over 3,000 Masons participating, and recently published the curriculum for this programme.
- (4) **LODGE TEAM MANAGEMENT** — This Lodge Committee harnesses the energy and ability of the complete membership to provide effective management in lodge affairs. It also initiates programmes to maximize participation in innovative activities for the membership.
- (5) **ENLIGHTENED LEADERSHIP** — In October and November of 1986, Regional Workshops on Leadership Development are planned for eight regions, encompassing all of our forty-three districts, with from five to seven districts in each region. This will help the three senior officers of each lodge in the growth of their lodges, through the implementation of innovative lodge programmes.

These workshops will increase the leadership ability of officers to plan their work, and work their plan. It will also provide them with good back up, by developing officers from the membership.

To bring this message to our membership, we have planned two meetings immediately following our luncheon recess today — Effective Communications at 1:00 p.m., by an experienced, professional communicator with over thirty years' experience in the field of Public Relations, W. Bro. Norman Buckingham. This will be followed by a presentation from The Masonic Foundation of Ontario, featuring Dr. J. Nedzelski, who will give us an update on the research progress for the hearing impaired.

Brethren, it will take all of us working together in the days ahead to ensure the success of our five-point programme. I urge you to take up this challenge. By so doing, you will infuse vigour and vibrancy into your individual lodges and re-establish the greatness of our time-honoured Fraternity.

As further evidence of our Grand Lodge vibrancy, I am happy to report that at our Grand Lodge Annual Communications, we average over 95% representation from our lodges.

A great philosopher once said, "Change is both inherent and perpetual in all democratic organizations." Amongst the most significant changes in the mid eighties, is our commitment to be more communicative and less secretive to the public at large, for the only secret we have is our mode of recognition. This parallels the policy of the United Grand Lodge of England, our Mother Grand Lodge, as well as some of our Sister Jurisdictions in Canada and the United States. Only by making the public more aware of our great Masonic traditions, will we be able to strengthen our membership.

We have a great product in the basic philosophy and fellowship of our Craft. Dare we restrict admission to our Craft by the perpetuation of our secrecy myth? Are we finally to shed the cloak of secrecy, which may be interpreted by the public as being sinister and subversive? I'd suggest that when we ask, "How stands the time," the affirmative reply should be — "The TIME is NOW." There are many young people out there, in our communities, at the crossroads, wondering where to go. They are looking for an environment in which they can grow and flourish. Can we continue to deny them the opportunity to participate with us in our great philosophical grandeur? I've never felt more optimistic about our future. There are fantastic opportunities — a whole range of breakthroughs at our doorstep. The opportunities for excellence are mind boggling. Our challenge at this 131st Annual Communication is to get up tomorrow, go out, and do it! Let's do it for your young people and for mine.

Sincerely and fraternally.

A. LOU COPELAND,
Grand Master.

APPOINTMENT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. J. A. Irvine, seconded by M.W. Bro. W. K. Bailey, and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. W. C. Frank, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Frank, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Deceased Brethren, may I encourage each one in your own way to reflect for a few moments in paying a solemn tribute to those of our brethren who, since our last communication, have been called to that Grand Lodge Above from whence all good radiates.

As a Committee, we wish to acknowledge the assistance of the Grand Secretary and staff for compiling the names of the brethren who have answered their final summons, on the following tablet pages.

Let us remember with thanksgiving those who by their lives and vocation have helped to spread the ideals of peace and contentment, love and charity, throughout our Order; that encouraged by their example we may be strengthened to hand on to our successors the noble traditions of our beloved fraternity.

As their years have swiftly flown,
As their building days are done
Lord of all, now grant thy crown
"Life" for evermore.

As this is a time for remembering, it is also a time of thanksgiving. We are thankful for the privilege of having shared in the lives of our deceased brothers, thankful we have had the special relationship that we have enjoyed with them and thankful too that God had given each one of us the special gift of allowing our lives to touch theirs.

So often death, especially of a loved one, leaves us with a negative feeling which is often hard to overcome by ourselves. We are reminded of the story in the Old Testament in the book of Samuel about King David. His son was born very sick. David prayed to God to cure the child. The King would do anything. He refused to eat and just stayed in his room praying. A week later the child died. The elders were afraid to tell David, because they felt it would be too much for him. However, David heard them whispering and asked, "Is the child dead?" "Yes" was their hesitant reply. David left his room, bathed, changed his clothes and worshipped in the house of the Lord. He returned to his house and asked for food. "We don't understand this" the officials said, "while the child was alive you wept for him and would not eat, but as soon as he died, you got up and ate!" David answered, "Yes I did fast and weep while he was still alive, but now that he is dead, why should I fast? Could I bring him back to life? I will some day go to where he is, but he can never come back to me."

An old poet once said, "Life is labour and death is well-earned rest." Surely this is the Masonic view, this the teaching of the Craft; this robs death of its terrors and makes us view it as the gateway of a truer and a fuller life and teaches us that

"This day which thou fearest as thy last
Is but the birthday of eternity."

If our departed brethren have dedicated and devoted their lives to His service, from whom all come, if they have squared them by the principles of truth and justice, if their facilities have been cultivated to the glory of God and the good of mankind, death will have been to them the end of all afflictions and the entrance to a better life. They will have been passed safely under the protection of the Most High through the valley of the shadow of death and they will have risen purified from the tomb of transgression to shine as the stars for ever and ever. And when to us the final summons comes may it find us too with our duty well done and smilingly ready for the final curfew call to rest and sleep.

This should lead us to live without strife; to throw the mantle of charity o'er the form of our brother Mason while he is alive, to shield him from abuse, slander and dishonour, to whisper in his ears words of advice and encouragement, before they become deaf to human sounds.

If we'd thought at our last meeting,
With the friend we loved so dear,
By his grave we'd soon be standing
Dropping down the silent tear.
Would that word we spoke so lightly
Have been uttered by us then?
Would that in our silent sorrow
We could call it back again.

If we thought that act of kindness
Was the last our friend should seek,
Would we have, by cruel harshness,
Brought the blushes to his cheek?
If we'd thought our heartless folly
Would have left so deep a sore,
Would we then have spoken rudely?
Would we not have hushed it o'er?

If we'd thought! Alas, the sorrows
That the words awaken now;
If we'd thought - ah, then the wrinkles
Would be fewer on the brow.
If we'd thought that death was coming -
Will that be our latest cry?
God forbid! We know he's coming,
Let us think - he draweth nigh.

We will observe a one minute silence in memory of those Departed Brethren whose names have been engraved in the printed form.

May they rest in peace — So mote it be.

These Tablet Pages

Are inscribed and fraternally dedicated

in memory of

Our Departed Brethren

Brethren, our Grand Chaplain, R.W. Bro. Harold Lerner will now conduct the Memorial Service.

Memorial Service

Opening Invocation:

Almighty and Eternal God, Great Architect and Grand Geometrician of the Universe, our Heavenly Father and Creator of our lives, we thank Thee for this opportunity of remembering those who have been elevated into the immortal mansions after faithfully having served their day and generation. We who remain temporarily in this sublunary abode, reflecting upon our own mortality, ask that we may feel Thy presence now as we again seek for the continuing guidance of Thy hand, so that someday we may stand before Thee joined in Brotherhood with those who have gone before. As we gather together in this great assembly we offer Thee all glory and praise. Amen.

Responsive Reading: (from Psalm 90)

O Lord, You have always been our home.

Before You created the hills or brought the world into being, You were eternally God, and will be God forever.

You tell man to return to what he was; You change him back to dust.

A thousand years to You are like one day; they are like yesterday, already gone, like a short hour in the night.

You carry us away like a flood; we last no longer than a dream.

We are like weeds that sprout in the morning, that grow and burst into bloom, then dry up and die in the evening.

Seventy years is all we have — eighty years, if we are strong; yet all they bring us is trouble and sorrow; life is soon over, and we are gone.

Teach us how short our life is, so that we may become wise.

Fill us each morning with Your constant love, so that we may sing and be glad all our life.

Give us now as much happiness as the sadness you gave us during all our years of misery.

Let us, Your servants, see Your mighty deeds; let our descendants see Your glorious might.

Lord our God, may Your blessings be with us. Give us success in all we do!

Hymn: "O God, Our Help in Ages Past" (tune - St. Anne)

- | | |
|---|--|
| 1. O God, our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast,
And our eternal home. | 4. A thousand ages in Thy sight
Are like an evening gone,
Short as the watch that ends the night
Before the rising sun. |
| 2. Under the shadow of Thy throne
Thy saints have dwelt secure;
Sufficient is Thine arm alone,
And our defense is sure. | 5. Time, like an ever-rolling stream,
Bears all its sons away;
They fly forgotten, as a dream
Dies at the opening day. |
| 3. Before the hills in order stood,
Or earth received her frame,
From everlasting Thou art God,
To endless years the same. | 6. O God, our help in ages past,
Our hope for years to come,
Be Thou our guard while troubles last,
And our eternal home. Amen. |

The Meditation: What is Man? — Grand Chaplain —
R.W. Bro. Rabbi Dr. Harold Lerner.

Memorial Prayer (the brethren stand at the S. of F.)

Almighty God, Supreme Ruler and Architect of the Universe and of our lives, we thank Thee for the brethren who have sat with us in our Lodges and have been elevated to the Grand Lodge Above. We are grateful for their devotion to our great Masonic Craft, for their commitment to the high ways of living, and for their achievements in the cause of Brotherhood, Justice and Truth. We would commit into Thy care the widow and the fatherless. Uphold and comfort them, supplying their every need.

We most humbly beseech Thee to give us grace to follow the steadfastness of our departed brethren in Thy faith, their obedience to Thy holy commandments, and their zeal to promote the cause of brotherly love, relief and truth.

Mercifully grant that this hour of memory may be a mount of renewed vision, from which new light shall fall upon our fleeting days, so that we may truly know the purpose for which Thou hast called us into being.

Make our days bright with Thy presence, rich in the fruits of Thy service, and tender in human ministry, that our lives may be fragrant with happiness. Amen.

The Benediction:

May the blessing of the Lord who reigns in the heavens and is the Lord of our lives, rest upon us all, in all our undertakings. May we, too, like our dear departed brethren, enter His courts unstained by vice and unspotted by sin, and be reunited in that dimension we call The Grand Lodge Above, where the Grand Geometrician of the Universe reigns forever and ever. So mote it be.

22

All of which is respectfully submitted on behalf of the Committee on Deceased Brethren.

WM. C. FRANK,
Chairman.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges, those who were present stood up and were welcomed by the Grand Master. Grand Honours were given under the direction of the Grand Director of Ceremonies.

AUDITORS' REPORT

To the Most Worshipful the Grand Master,
Officers and Members of Grand Lodge A.F. & A.M.
of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have examined the summary of resources arising from cash transactions of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1986 and the related statements of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such test and other procedures as we considered necessary in the circumstances.

The Grand Lodge's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion the financial statements present fairly the summary of resources arising from cash transactions of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1986 and its receipts and disbursements for the year then ended in accordance with the accounting principles stated above applied on a basis consistent with that of the preceding year.

Chartered Accountants.

Hamilton, Ontario,

May 16, 1986.

On motion, of the Deputy Grand Master, seconded by the Grand Treasurer, the Auditor's Report was adopted.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am fortunate, again, this year, to have the privilege of presenting, from a financial point of view, a Sunshine Report, one that enables me to assure you that there is no necessity for increasing the members' dues to Grand Lodge this year. Hopefully, a like statement can be made at our Communication in 1987.

Prudent administrative practices in the managing of the business of Grand Lodge has made it possible for me to inform you that each of the three main sections of Grand Lodge operations, namely, the General Fund, the Commutation Fund and the Memorial Fund have discharged their obligations in a satisfactory manner and each has increased their investment portfolio.

The value of the cash and investments held by the General Fund increased by \$65,896, thereby reaching a total of \$1,432,665. The value of the Commutation Fund increased by \$16,760, for a total value of \$279,673, while the Memorial Fund recorded an increase of \$15,643, now totalling \$828,741. These funds, with the addition of some small fund balances, make up the total value of the cash and investments of Grand Lodge. These assets amount to \$2,609,881, an increase for the year of \$109,965.

I am happy to repeat a statement regarding the Commutation Fund that I made in my Report last year, namely, that we are gradually working toward the time when the annual income from the fund will equal a sum that would have been paid to Grand Lodge on behalf of the brethren whose dues have been commuted.

I regret that my forecast made one year ago relating to the resumption of the redemption of Masonic Holdings Bonds held by Grand Lodge proved to be over-optimistic. Masonic Holdings found it necessary to carry out more renovations than anticipated in order to satisfy the needs of the tenants. These renovations have been completed, resulting in an increase in rental revenue. In the long run, it will be good for all concerned. I am confident Masonic Holdings will redeem some of the bonds this year.

I wish to commend the Most Worshipful the Grand Master and the Chairmen of the various Committees for keeping within their budgets. I have a special word of commendation for the Grand Secretary — his careful

management of the financial affairs of Grand Lodge is apparent in the bottom line of our financial statement.

Respectfully and fraternally submitted,

JAMES N. ALLAN,
Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the report was adopted.

Statistical information may be found in the audited statement presented by the Grand Treasurer and in other tables printed in the annual Proceedings of Grand Lodge.

A special thank you must be given to our Grand Master with whom it has been a pleasure to work, to the Past Grand Masters for their continuing interest and guidance, to the President and Members of the Board of General Purposes for their efforts and especially to the Lodge Secretaries for their co-operation and unselfish devotion to our Craft, and to the entire membership, whom we are privileged to serve.

Respectfully and fraternally submitted.

Grand Secretary.

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was received and adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 43 District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were referred to the Board of General Purposes.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. J. I. Carrick Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This Report was presented by R.W. Bro. G. F. W. Inrig, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Inrig, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Masonry in Ontario may be about to have its first female member. This has come about not through the Charter of Rights of the Canadian Constitution, but rather through the miracles of modern medical science. It is reported that one of our brethren is undergoing a sex change, and, although this does not appear to contravene any provision of the Constitution of this Grand Lodge, it is a matter of great concern to the secretary of one of the lodges of which this brother was a member.

This is but one of the matters that has been referred to the Committee on Grievances and Appeals.

This Committee is required by the Constitution to review the decisions of Boards of Appeal resulting from Masonic Trials held in this Grand Jurisdiction. One such Board of Appeal held hearings during this past Masonic year, resulting from a decision of a Trial Commission where the sentence imposed included a recommendation for expulsion.

The Committee is also charged with reviewing all Masonic Trials whether an appeal has been requested or not.

And further, as indicated, certain matters are referred to the Committee, from time to time, for an opinion as to disposition.

The purpose of the review of the findings of a Board of Appeal, and of the Trial Commission, is to ensure that the findings are legally sound, that the accused brother has been afforded every legal protection as required by our laws and customs, and that the disposition is consistent throughout the Grand Jurisdiction.

The matter for which a Board of Appeal was constituted involved Brother Jeffrey Redmond of Victoria Lodge, No. 56, G.R.C., who was charged with an offence under section 410 (m) of our Constitution, a criminal offence. The Trial Commission, after a full trial, in which the brother, due to his absence, but after due and proper notice, was represented by an able brother in his defence, directed a finding of guilty and imposed an indefinite suspension with a recommendation for expulsion.

In such circumstances, there is an automatic appeal whether the accused brother or the complainant has appealed or not.

A Board of Appeal was convened with a Past Chairman of the Committee on Grievances and Appeals, R.W. Bro. Norman E. Byrne, as Chairman. The Board consisted of the Chairman, and R.W. Bro. Wands, R.W. Bro. Rod J. Connor, V.W. Bro. David Shaw and W. Bro. Robert Whitmore. The evidence, presented at the original trial, was presented to the Board of Appeal. It was properly demonstrated that the brother had been convicted of several counts of criminal fraud by a Court of competent jurisdiction. Three Certificates of Conviction were filed.

The Board of Appeal in their deliberation found that adequate Notice of Trial had been given the accused brother as required by our rules; that there was no question as to the identity of the accused person named in the Certificates of Conviction; and that such person was indeed the accused brother, and after considering the evidence as presented by the Complainant, acting in his capacity as Junior Warden of the lodge, the Board of Appeal affirmed the finding of guilty as found by the Masonic Trial Commission.

The evidence of surrounding circumstances involving the accused brother led the Board of Appeal to also reaffirm the sentence of indefinite suspension with a further recommendation for expulsion from our Order.

Evidence presented indicated the accused brother is no longer residing in this Grand Jurisdiction, but has been deported to the United States of America.

Your Committee in reviewing the decision of the Board of Appeal affirms the recommendations and now recommends to Grand Lodge that Brother Jeffrey Redmond of Victoria Lodge, No. 56, G.R.C., be expelled from our Order.

As Chairman of the Committee, I wish to express the thanks of the Committee to the Chairman of the Board of Appeal, R.W. Bro. Norman E. Byrne and the members of the Board for their attention to this matter.

One Trial Commission concluded its deliberations with a recommendation of indefinite suspension, but specifically recommended that there be no expulsion of the brother.

As already indicated, all Masonic Trials are to be reviewed by the Committee. The Committee have reviewed this matter and affirm the recommendation that there be an indefinite suspension. The Committee agrees that, in the special circumstances of the case, a recommendation of expulsion NOT be made.

I wish to thank W. Bro. Bruce Affleck of Lebanon Lodge No. 139, G.R.C. of Oshawa and his Trial Commission for a job particularly well done.

This matter has brought to your Committee's attention a need for amendment to the Constitution. A recommendation for expulsion requires an automatic appeal. A brother, whom it is recommended be expelled, has a right of appeal, but whether he appeals or not, he has the benefit of an automatic appeal. A brother, whom it is recommended there be NO expulsion, satisfied that he will not be expelled, may not pursue his right of appeal, and there is no automatic appeal, but he may find that the Committee on Grievances and Appeals has reversed the decision of the Trial Commission and recommend expulsion. Thus, a brother could be expelled without the

benefit of a review by a Board of Appeal, which Board would be able to look into the particular matter much more thoroughly than could the Committee on Grievances and Appeals.

As there can be no expulsion without a sentence of indefinite suspension, it is recommended that an amendment to the Constitution be made to provide that there shall be an automatic appeal whenever there is a sentence of indefinite suspension.

Two matters have presently been concluded by the respective Trial Commissions and require Boards of Appeal to be appointed.

The Committee on Grievances and Appeals has considered the matter of the publication in the Lodge Summons of the name of a brother who has been charged with a Masonic Offence as required by section 413, and also the publication in the printed PROCEEDINGS of Grand Lodge of the name of a brother who has been dealt with for a Masonic Offence. It is recommended accordingly that no name be published in the Lodge Summons or in the printed PROCEEDINGS. These names would be disclosed in open lodge and in Grand Lodge where only Masons are present. Although declared to be strictly confidential, the Lodge Summons and the PROCEEDINGS of Grand Lodge often fall into unmasonic hands.

In closing, the Committee again recommends to all lodges within the Grand Jurisdiction that no Masonic proceedings should be instituted against a brother Mason who has been charged with a criminal offense in the Courts of the Land until he has been tried and sentenced by a Court of Competent Jurisdiction and the time for Appeal has expired.

Matters not involving a criminal offense, should be proceeded with only after careful consideration that legally sound and acceptable evidence is available.

On the other hand, failure to deal with a brother who apparently has broken our rules and customs and violated his Masonic Obligations will only result in possible dissention within the Lodge and the Craft as a whole, and a general weakening of the strong moral fibre of Masonry.

It is our duty to deal with those who transgress our time honoured rules for living, but in every case, to deal fairly, firmly and without fear or favour.

Your Committee stands ready to assist Masonic Trial Commissions and lodges in this Grand Jurisdiction where help is sought with respect to Masonic Trials. The assistance of the Committee, requested through the Office of the Grand Secretary, is readily available.

Your Committee acknowledges, with sincere thanks, the assistance of the Grand Secretary, Most Worshipful Bro. Robert E. Davies, and his staff during the past Masonic Year.

And, I, as Chairman of the Committee on Grievances and Appeals, wish to thank the past Chairman, R.W. Bro. Norman E. Byrne, for his counsel and guidance.

Respectfully and fraternally submitted.

GEORGE F. W. INRIG,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. Foster, that the Report be received.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M.W. Bro. E. W. Nancekivell, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In 1978 the State of Mato Grosso, Brazil, was divided into two distinct states — the State of South Mato Grosso and the State of Mato Grosso. A new Grand Lodge was then founded; i.e. the Grand Lodge of the State of Mato Grosso. This new Grand Lodge has requested recognition from the Grand Lodge of Canada in the Province of Ontario and since its Declaration of Principles sent with the request for recognition would indicate that this Grand Lodge is regular in every way, your Committee on Fraternal Relations recommends that our Grand Lodge extend recognition to the Grand Lodge of the State of Mato Grosso, Brazil.

In February 1986 we received a request for recognition from yet another State Grand Lodge of Brazil — the Grand Lodge of the State of Minas Gerais, and since this Grand Lodge also is entirely regular in principle, your Committee also recommends that the Grand Lodge of Canada in the Province of Ontario extend recognition to the Grand Lodge of the State of Minas Gerais, Brazil.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL,
Chairman.

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by M.W. Bro. W. L. Wright, Chairman, in several parts, and on motions of the Deputy Grand Master, seconded by M.W. Bro. Wright, each part, together with the report in its entirety, was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Jurisprudence begs leave to report as follows.

PART I

R.W. Bro. W. H. Sproule has given Notice of Motion as follows:

That Section 147 be deleted and the following substituted therefor —

“147. The following bodies are regarded as being in amity with Grand Lodge and may be permitted the use of Craft lodge rooms for their meetings and ceremonies.

- (a) The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario and the Royal Arch Chapters.
- (b) The Supreme Council of the Thirty-third Degree of the Ancient and Accepted Scottish Rite of Freemasonry of Canada and the lodges, chapters and consistories, The Royal Order of Scotland.
- (c) The Sovereign Great Priory of Canada and the preceptories and Knights of the York Cross of Honour.
- (d) The Grand Council of Royal and Select Masters of Ontario and the councils and Royal Ark Mariner Lodges.
- (e) The Grand Imperial Conclave of Canada of the Red Cross of Constantine and the conclaves.
- (f) The Order of High Priesthood of Ontario.
- (g) York Rite Sovereign College of North America and the colleges.
- (h) The Imperial Council for North America of the Ancient Arabic Order of the Nobles of the Mystic Shrine and the Temples.”

That Section 150(a) be deleted and the following substituted therefor —

“150. (a) Any Masonic Temple Corporation or other Masonic body having the management or control of a Craft lodge room may permit the use thereof for meetings and ceremonies to: (1) The Grand Chapter of Ontario; Order of the Eastern Star and the Chapters.”

This Committee recommended a full and proper investigation of this subject matter by the Board of General Purposes of Grand Lodge. This was considered at the

1985 fall meeting and a presentation was made to the Board with respect to material contained in the motion.

Your Committee notes no constitutional objection to this Notice of Motion.

PART II

V.W. Bro. James Heffel has given Notice of Motion to amend the Constitution as follows:

“ADD: To Section 150.

150(b) Any Masonic Temple Corporation or other Masonic body having the management or control of a Craft lodge room may permit the use thereof for meetings and ceremonies to: (1) Ontario DeMolay for Boys' Chapters and Ontario DeMolay for Boys' Clubs.”

Your Committee, in considering this proposed amendment, notes that the proposed amendment attempts to amend Section 150 of the Constitution by adding a separate subsection, namely 150(b), and there already is in our Constitution an existing Section 150(b), which said section is not compatible with the proposed amendment.

Your Committee, accordingly, finds the proposed amendment not regular and recommends it be considered by the Board of General Purposes at its next regular meeting.

PART III

M.W. Bro. W. K. Bailey has given Notice of Motion to amend the Constitution as follows:

“That Section 390 be amended by deleting the words “levels” and inserting the words “emblems,” and by inserting after sentence one the following sentences:

“These emblems shall consist of perpendicular lines upon horizontal lines, thereby forming three sets of two right angles. The length of the horizontal lines shall be 63.5 mm and of the perpendicular lines 25.4 mm.”

Your Committee, in considering this amendment, is of the opinion that the general purpose of this amendment is to change the description of the embellishment on the apron from a specifically named Masonic Tool to a technical description of the form of a certain figure.

Your Committee notes no constitutional objection to this Notice of Motion.

PART IV

M.W. Bro. W. K. Bailey has given Notice of Motion to amend the Constitution as follows:

That Section 137(a) (i) be amended by deleting after the word “and” the following words “the Chairmen of Standing and Special Committees” and inserting the following words “to elect two nominating committees, one for the selection of Chairmen of Standing and Special Committees and the other for the selection of members of the Standing and Special Committees.”

Your Committee, in considering this amendment, notes that the two Committees to be elected are not really nominating committees, but are selection committees. Subject to the removal of the 'nominating' in the amendment, your Committee notes no constitutional objection to this Notice of Motion.

PART V

M.W. Bro. W. K. Bailey has given Notice of Motion to amend the Constitution as follows:

That Section 317 be amended by inserting after the word "withdrawn" the following words "until six months have expired." (See Section 356, sentence two)

Your Committee, in considering this amendment, notes no constitutional objection to this Notice of Motion.

PART VI

M.W. Bro. W. K. Bailey has given Notice of Motion to amend the Constitution as follows:

That Section 316 be amended by adding the following sentence — "A motion for acceptance of the application shall not be in order." (To be inserted after sentence one)

Your Committee, in considering this amendment, notes no constitutional objection to this Notice of Motion.

Respectfully and fraternally submitted on behalf of the Committee.

WILLIAM L. WRIGHT,
Chairman.

REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. R. T. Runciman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Runciman, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Warrants I wish to report that the Committee received no applications for a Warrant during the year.

All of which is respectfully and fraternally submitted on behalf of the Committee.

ROBERT T. RUNCIMAN,
Chairman.

REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. D. C. Bradley, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bradley, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the report of this Committee, which is comprised of the following members: R.W. Bros. A. G. Broomhead, J. D. Jackson, R. S. Throop and C. J. Woodburn.

There is hardly a more fitting example of those two Masonic ornaments, benevolence and charity, than the giving of one's life blood to another. Although the donor does not see it, the gift of blood flows in the veins of another and helps to sustain a life that might otherwise have been lost. It is a truly humanitarian gift and one worthy of our Masonic philosophy.

We express our thanks to all the brethren who donate blood and attempt in the small space available to do honour to just a few of the many Masons and their families who have contributed blood, and also to those who have organized successful and innovative schemes to promote more donations.

For the eleventh year in succession, the Niagara District A trophy has been awarded to Amity Lodge No. 32, Dunnville. In Toronto District 6 the Nelson Hollett Award has again been won by Patterson Lodge No. 265. This award consists of a cheque for \$100 that is given to the charity of the winner's choice. A new trophy in the Sudbury-Manitoulin District commemorates the twenty-two years of service provided by R.W. Bro. W. J. Noble. Other long service chairmen are R.W. Bro. J. Calvin Krauter of North Huron District, who is completing his 25th year; and W. Bro. William R. Ovens of Frontenac District, who has now served eleven years. Our congratulations and thanks to these members for their dedication and service.

In London West District, St. John's Lodge No. 209a had a record year with 245 donations, and Acacia Lodge No. 580 broke the century mark with 104 donations. Temple Lodge No. 665 reached a lodge record of 50 donations in Ottawa District 1. Three lodges in Niagara District B, Palmer No. 372, Dominion No. 615 and Fort Erie No. 613, in conjunction with the Knights of Columbus, sponsor a trophy competition between the area High Schools, the winner is the High School with the greatest number of students attending the clinic. University Lodge No. 496 with 266 units has once again won the prize in Toronto District 7 for the total number of donations, and Grey Lodge No. 589, on the basis of donations to membership, has won the Alf. Maizels Award. Many lodges such as Simpson No. 157 with 33, Lorne No. 404 with 24, Maple Leaf No. 119 with 23 donations have contributed well despite the distance their members have to travel to attend a clinic. Naphtali No. 413 with 579 and Thistle No. 34 with 104 are to be congratulated on doing a great job in Windsor District.

Waterloo District with the Chairman, W. Bro. John Neu, adopted two hemophiliac boys, aged 6 and 4½ years, who need 64 units of blood monthly to stay

alive. The donations from this district would have maintained these boys for just over three months. W. Bro. George Hinchliff organized a very successful clinic for the Seven Toronto Districts which exceeded the totals of the previous year by 16 per cent. It was unfortunate that W. Bro. Alvin Turner, Chairman of the Windsor District for several years, became ill and was therefore unable to maintain the same level of donations as the previous year. The Committee wishes him a speedy return to good health.

Many notable contributions have been reported to the Committee, and some of these are:

Eastern District:	Bro. Dale Miller— 68
Georgian District:	Bro. Ken Newark—109
	W. Bro. John Milne—105
	Bro. Norman Neely—103
Grey District:	Bro. William Granger—109

	Bro. R. Cruickshank— 97
	W. Bro. Robert Hoover—100
London East District:	V.W. Bro. Lee Welch—139
Ontario District:	W. Bro. John Beedan— 68
Sarnia District:	Bro. Jack Mountain— 70
St. Lawrence District:	W. Bro. T. A. Poole—51
	W. Bro. R. E. Hughes— 25
Toronto 6 District:	Bro. Robert Henry—120
Waterloo District:	W. Bro. Pat Woods—200+

In a truly family effort, W. Bro. Robert Hoover of St. Andrew's No. 62 and his four sons have been donating 20 units of blood for several years.

In his address to the 103rd Annual Communication of Grand Lodge, the late M.W. Bro. Harry L. Martyn formed a Special Committee called "The Blood Donors' Committee," and said that "The purpose of the Committee is to assist agencies working in this field and to keep us identified with this wonderful work." As our mandate tells us that our task is to keep the Order identified with this work, every donor should, and is encouraged, to ensure that each time he donates blood the fact is recorded by his lodge chairman. In many cases, however, members are reluctant to report their donations because they feel it is not only a private duty but a personal matter. As the main method of identification with agencies in this field is by the number of our donations, we must try to overcome this modesty. We provide below the statistics reported from all districts of our jurisdiction:

The wonderful effect of a blood transfusion is to bring new strength, new hope and a new sense of gratitude to our Creator. We must be responsive to this great charity. Indeed, Masons are mindful of the need and do help to bridge the gap between

sickness and health. It is strongly suggested that all D.D.G.M.s make specific reference to the activities and results of the blood campaign in their annual report to Grand Lodge. We also urge that the need for blood be mentioned in lodge summonses and in the various lodge and district newsletters.

We acknowledge the debt that is owed to all the District and Lodge Chairmen for their untiring and ceaseless efforts during the year. Our thanks are also due to each donor for they are the ones who fulfill the purpose of the Blood Donors' Committee. Congratulations to all who have worked so hard and diligently to promote this worthy endeavour. Blood is your lifeline; it could be the lifeline of others.

Respectfully and fraternally submitted on behalf of the Committee.

Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. N. E. Byrne, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Byrne, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

As Chairman of the Grand Lodge Committee on Masonic Education, it is my privilege to present the report of your Committee's work during the last Masonic year.

Your Committee is composed of the following Masons, who have given extensively of their many and varied talents and whose daily contribution towards Masonic Education is sincerely appreciated. They are: R.W. Bros. David C. Bradley, Frank J. Bruce, R. Carl Casselman, Wayne E. Elgie, Edsel C. Steen, W. Earl Rawson.

Your Committee met four times during the year on a formal basis: October 5, 1985, January 10, March 8, and May 14, 1986 and held several mini meetings around the Province.

Your Committee gave consideration to the following concerns, among others, in its deliberations.

The Newsletter

The Editor of the Newsletter, R.W. Bro. David C. Bradley, is now assisted by an Editorial Board composed of R.W. Bros. John W. Auckland, Robert A. Barnett, Lloyd W. Lawrence, Gerald E. MacDonald, and Robert T. Runciman and we feel that their input will be of great assistance to the Editor, who gathers, sorts, edits and publishes a great variety of Masonic information four times a year. Your Committee heartily recommends to all who may read this report that a yearly subscription, for the

total cost of \$6.00, will bring a wealth of Masonic material for your enlightenment, entertainment, or as a subject for a Masonic presentation in lodge or elsewhere. Subscription forms are in the hands of each lodge Secretary and can be readily obtained from these dedicated "Masonic Servants." Back copies and some bound copies will be available for purchase by the brethren at this Grand Lodge Communication.

The Correspondence Course

The Correspondence Course, instigated by this Committee several years ago, is actively continuing throughout the Grand Jurisdiction. Certificates of Achievement in all four parts of the course are regularly being presented to many Masons who have taken the time and energy to "advance in Masonic knowledge" and some Certificates of Completion in the "College of Freemasonry" are already in the hands of quite a few proud brethren. Your Committee congratulates all who have participated and thanks the mentors who have been of inestimable value to the Committee in the completion and administration of this program. Our hats come off to R.W. Bros. Bradley, Bruce and Steen, who have prepared, produced, administered and guided the Correspondence Course over the past years. Thank you brethren.

Your Committee surveyed some brethren who had signed up for the course, but for some reason, had not proceeded with it. Generally, the survey revealed that for a great many reasons, mainly personal to each student, time and circumstances had delayed or postponed their intentions to complete the work, but most indicated they fully intended to finish the course in the near or immediate future.

Suggestions have been made to your Committee that a summary of each part of the course could be prepared for wide distribution among the brethren and, hopefully, this might spark the interest of Masons who had not given the Correspondence Course any real consideration to date. Your Committee will try to implement this suggestion in the months ahead. Your Committee will be promoting continued interest in the Correspondence Course in 1986-87 and we recommend it with enthusiasm to Masonic students everywhere.

Towards The Square

A newly revised edition of this extensive study program for lodge officers is presently being printed and will be available in September 1986. The whole publication has been revised and updated and will continue to form the text of many lodge officers' training programs throughout the jurisdiction. These booklets will be available through the office of the Grand Secretary, or directly from any member of the Committee for a nominal fee.

Your Committee is presently considering a change of name for the Committee to bring it more in line with present day thinking and to more effectively indicate the Committee's function as one of the standing committees of this Grand Lodge. There are some brethren who have a feeling that "Education" like "Metrification" should not be "force fed" for general acceptance, but presented with tact, enthusiasm and with innovative ideas for implementation and adoption by all the brethren.

There have been some indications communicated to your Committee that our brethren in the far northern districts of Grand Lodge have a feeling of isolation from

the "mainstream." This is not fair or reasonable, for all brethren are entitled to equal participation in Masonic endeavours, regardless of where, throughout this large Province, they reside. Your Committee is studying this deep concern and hopefully will be able, through video tapes, speakers and written presentations, to bring more instruction, educational and Masonic information programs to our Masonic brethren who are practising Masonry in near pioneer conditions. These brethren must not and will not be ignored and with your cooperation and their patience, your Committee hopes to alleviate the situation.

In almost every district of Ontario, the District Deputy Grand Master has appointed a skilled brother as a District Chairman of Masonic Education. These brethren have, as a group, accepted heavy responsibilities and have answered the challenge with many, many programs, ranging from brief talks in individual lodges to regional and district workshops and seminars. In many cases, the District Chairman of Masonic Education has been a viable promoter of the Correspondence Course and has, on many occasions, been of great assistance to your Committee in acting as liaison between Masonic students and the subcommittee that administers the Correspondence Course. They have been "travelling salesmen" and have done noble service in this regard. Thank you brethren, and keep up the good work.

Some D.D.G.M.s have reported that distribution of a series of questions and answers on Masonic procedure, ritual, tenets and history would go a long way to whetting the individual Mason's appetite for more Masonic knowledge. Such material is presently being prepared for distribution in the coming Masonic year. It is hoped that this material will prove useful and instructive to those to whom it is directed.

Masonic Workshops and Seminars

Your Committee notes that almost half the Masonic Districts in this Grand Lodge have, in one way or another, presented Masonic information to the brethren through speakers' programs, seminars and workshops. Those who planned, organized and executed these programs have the grateful thanks of this Committee for a job well and ably done and should know that their personal efforts have contributed to another Mason's "quest for Masonic light" and have enabled many of our brethren to "make a daily advancement in Masonic knowledge."

A very brief synopsis of programs which occurred during this past year, are as follows, listed by Masonic Districts with a capsule comment on that District's particular program.

Brant.....	A workshop on the Committee of Enquiry of a prospective candidate
Georgian	A Lodge of Instruction on the ceremony of installation and five different interlodge programs, entitled "Deacons - Showcase of the Lodge"
Hamilton "A", "B" and "C".....	Three workshops on - The Ceremony of Installation, Lodge Budgeting and Financial Planning, A Deacon's Training Program
London East	Workshop on the Mentors Program

Musk.-Parry Sound	Lodge of Instruction on Masonic Ritual and Lodge Procedure
Niagara "A"	A workshop on Long Range Planning
North Huron	A Lodge of Instruction on Masonic Ritual
Ottawa 1	A lodge officer's training program entitled "A Day of Decision"
Ottawa 2	Two workshops concerning the Correspondence Course, Public Speaking and Masonic History
Ontario	Seminar on the First Degree
Peterborough	A demonstrative skit on how to interview prospective candidates for Masonry
Prince Edward	Two workshops - Ceremony of Installation and Investiture of Officers and Instruction for Wardens entitled "Towards the East"
St. Lawrence	A Lodge of Instruction stressing the duties and responsibilities of the Worshipful Master
South Huron	A seminar on benevolence and our Grand Master's Five Point Program
Toronto 6	Two workshops - Fall 1985 - A Deacon's Training Program—Spring 1986 - Workshop '86 covering a variety of timely topics
Toronto 7	Our Masonic History by the Grand Lodge Historian, including a conducted tour of the Black Creek Pioneer Village, reconstructed Masonic Temple.
Waterloo & Wellington Districts	A combined presentation entitled "The Winds of Change" and a demonstration of a Masonic Trial.
Wilson	A workshop entitled "Charting a Course for Better Leadership"
Windsor	A seminar directed to the duties and responsibilities of the Worshipful Master and the Wardens.

All of these programs were well attended and those brethren who made the effort and took the time to attend testify on the whole that their effort was well worth the while in the Masonic information and instruction they received. Many said they learned much about Masonry, made new friends and shared the satisfaction of knowing that they shared with other brethren a feeling of accomplishment and enlightenment, many had not experienced before.

Our Grand Master is planning REGIONAL WORKSHOPS throughout the Grand Jurisdiction for the fall of 1986, and your Committee on Masonic Education will be assisting him to implement this most important part of his program. All brethren, regardless of where they may live, will have an opportunity to see and hear and learn about a great variety of subjects that we know will inspire them to live and practise Masonry outside the lodge in their own community, thereby demonstrating to

the world at large that indeed Freemasonry is an institution which fosters and improves the best affections of our nature and prepares men to so live and act that future generations shall be secure from the deterioration of strong moral fibre, experience the active promotion of peace and brotherhood throughout the world, and accomplish the ultimate realization of a more acceptable life for all.

It is our Grand Master's intention that we should all strive to free Freemasonry from the darkness and uncertainty of secrecy and bring it out into the light of truth and wisdom and your personal acquisition of Masonic information and your understanding of the genuine tenets of our beloved Order will do much to assist him to realize this most worthwhile goal.

An enthusiastic and enlightened Freemason will be the better enabled to evince to the community at large that Freemasonry may well be the last great force for good on which the world may safely rely for the ultimate attainment of fraternity, liberty and equality.

Become involved in this great learning process. Participate in the upcoming workshops. Make your own personal, individual commitment to "Ignite Masonic Pride." Do it - but do it now!

All of which is respectfully submitted.

NORMAN E. BYRNE,
Chairman.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. Durward I. Greenwood, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Greenwood, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee is pleased to report that we have received 10 requests this past Masonic year from lodges interested in improving or changing their Masonic home.

The brethren from Barrie have taken a giant step forward in purchasing a lodge building that will accommodate the Craft Lodges and concordant bodies from Barrie under one roof, on ground level, in a functional and easily-accessible building.

The brethren from St. John's Lodge No. 284, Brussels, are to be congratulated on the nearly-completed renovations of a vacated Bell Telephone building. These new quarters of our St. John's brethren should greatly enhance the image of Masonry in Brussels.

"How do we receive permission or approval from Grand Lodge to proceed with our plans?" This is a question most asked by lodges involved in planning a change. In order to assist these lodges in their efforts to improve their Masonic homes with the least confusion, this Committee has prepared a letter, to be mailed to the interested lodge upon the initial contact. The draft is, as follows:

The following procedure is to be adopted by a lodge contemplating the construction of a new building or renovation of an existing building for Masonic purposes.

1. Appoint a General Committee under whose supervision a Finance Committee and a Building Committee will be set up.
2. The Finance Committee should make a careful analysis of the financial standing of the lodge or lodges, the amount of money to be available for building, the amount required to be subscribed, borrowed, etc.
3. If payment in full from presently available sources cannot be made, outline the method of payment of the balance, including principal reduction, rate of interest, required insurance payments, and mortgage closing costs. Convey this information to the Grand Secretary.
4. If the lodge has not already done so, consideration should be given at this time to the formation of a Nonprofit Holding Corporation to purchase, hold, and manage the property for the lodge. The lodge, not being incorporated, cannot hold property in its own name. This information is available from the Grand Secretary.
5. Have an architect or engineer prepare a preliminary plan of the proposed building and send the sketches to the Grand Secretary for checking by the Advisory Committee on Lodge Buildings.

Comprehensive attention to details in your planning will prevent many errors in the construction or remodelling. The building need not be elaborate, but it should reflect the beauty and dignity of Freemasonry.

6. Grand Lodge regulations, as stated on forms L.B.1 and L.B.2 and pertaining to building and electrical requirements, should be observed in order to create an appropriate, dignified environment for the performance of Masonic rituals and ceremonies.

Do not overbuild. Do not build according to the wishes of other organizations. It is your Temple. You are going to pay for it, maintain it, and be responsible for it. Promote friendly relations with all groups using your facilities, but firmly and quietly insist that the lodge have the last say.

Respectfully and fraternally submitted.

DURWARD I. GREENWOOD,
Chairman.

REPORT OF THE ADVISORY COMMITTEE

This Report was presented by R.W. Bro. E. C. Steen, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Steen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee is composed of M.W. Bros. A. Lou Copeland, J. N. Allan, R. E. Davies, N. R. Richards, R. E. Groshaw; R.W. Bros. W. R. Pellow, D. C. Bradley, F. J. Bruce, N. E. Byrne, with the undersigned as Chairman.

This past year has been another interesting one for the members of this Committee. Our first meeting was held in August of 1985, primarily to assist in preparing the agenda for the fall Board Meeting.

This spring, the Advisory Committee met twice to discuss, in some depth, the following topics:

- a) Preparation of Aspirants to the Office of D.D.G.M.
- b) Youth
- c) Lodges in difficulty
- d) Regional Workshops

Preparation of Aspirants to the Office of D.D.G.M.

This subject was addressed at the April meeting of the Advisory Committee at some length, but was set aside temporarily on a priority basis. It, however, is clearly evident that some assistance in this area would be very beneficial to the candidates. There is a need —

- 1. to become familiar with the Grand Master's objectives and to understand his programmes so they will run smoothly in his District.
- 2. to establish goals to be achieved in the District during his year.
- 3. to plan actual programmes prior to taking office.
- 4. to pick personnel from the District that will best enable him to expedite the Grand Master's programmes and carry out his own.

Youth

The Advisory Committee studied the report of the Grand Master's Task Force on Youth. The Committee certainly congratulates this Task Force on the time and thought that they put into this report.

This Committee was of the opinion that professional assistance in this field would be beneficial in deciding what course of action we should take.

Lodges in Difficulty

Some discussion took place on this subject. It is certainly one that needs to be addressed. The subject will again be brought before the Advisory Committee when some of the present priorities have been taken care of.

Regional Workshops

The Committee spent a great deal of time on this subject at both of our spring meetings. Several recommendations were made to the Grand Master, as follows:

1. Regional Workshops be scheduled for the fall of 1986 in eight regions, on October 22, 23, 24, 25 and November 4, 5, 8 and 22.
2. Tentative locales for a number of them were considered.
3. The Grand Master will attend and deliver an address at as many as possible. In his absence, the Deputy Grand Master would fill in. If both Grand Master and Deputy Grand Master were available they would attend together.
4. (i) Advance publicity containing a programme outline is recommended.
(ii) Participation by delegates is to be encouraged.
(iii) Prepared handouts should be distributed at the conclusion of the Workshops.
5. The eight Workshops should be in lieu of the fall meeting of the Board of General Purposes and monies appropriated in the budget can be used to subsidize the Workshops on a flat rate of X dollars per person in attendance.
6. Information on the Workshops should be available for distribution in July on the occasion of the meeting of the Custodian of the Work with the D.D.G.M.s-elect on Thursday a.m. July 17, 1986.
7. Topics for the Workshop agendas could be chosen from the list submitted by the Grand Master, or other, and should number only 3 or 4 per Workshop.

This Committee strongly supports and endorses the ambitious programme that the Grand Master has embarked upon.

If each of us as **individuals** lend our full support and encouragement to our Grand Master's projects our declining membership **will end** and we will start growing again.

Respectfully and fraternally submitted on behalf of the Committee.

EDSEL C. STEEN,
Chairman.

REPORT OF THE COMMITTEE ON PRINTING AND PUBLICATIONS

This Report was presented by R.W. Bro. F. J. Bruce, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bruce, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Printing and Publications, I submit this Report to this 131st Annual Communication of Grand Lodge.

Committee members: R.W. Bro. Alan Newell, R.W. Bro. Edsel Steen, and the undersigned as Chairman.

Printing costs for the year ended April 30, 1986 are:

Grand Lodge Bulletin	\$ 8,696.00
Proceedings (including preliminary reports and reviews)	23,452.00
Printing, Stationery and Office Supplies.....	8,660.61
Proceedings Sold.....	\$ 900.00

Inventory of Grand Lodge Publications:

Meeting the Challenge	2,565
First Grand Master.....	848
Beyond the Pillars.....	2,020
The Work	3,926
Whence Come We?.....	1,391
Constitution	32
History of Grand Lodge	640

These figures are approximate numbers only and could change slightly with the return of stock. Your Committee worked with some 18 districts who had books out on consignment.

At the 1985 Fall Board Meeting, it was moved and passed to parcel up the some 15,000 copies of "Whence Come We?" and send to the lodges according to their membership — lodges receiving from 12 to 36 copies. These to cost the lodges \$2.50 and they, in turn, to sell or give them away. Reports to date have been favourable on the acceptance, and payment for them is now being received by Grand Lodge.

The book of "The Work" was reprinted during the year. The inventory now on hand indicates ample supplies for the year 1986 / 87, with the exception of the "Constitution" and the "Installation Manual" and "Handbook of Instruction".

Respectfully and fraternally submitted.

FRANK J. BRUCE,
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This Report was presented by R.W. Bro. W. E. Elgie, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Elgie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

It is my privilege to present the 54th Annual Report on the activities of the Library Committee, composed of R.W. Bros. Drew, Inrig, Pos; V.W. Bro. Hogg, with the undersigned as Chairman.

The Grand Lodge Library, located in the Grand Lodge Memorial Building in Hamilton was operational from September through May on Monday evenings and Wednesday afternoons. Over 90 visitors were accommodated. In addition 124 volumes and audio visual materials were processed through our mailing services to out-of-district brethren.

Your Committee is most grateful in expressing thanks and appreciation to the following volunteer librarians who have so faithfully maintained a regular library supervision schedule. Service to such a cause rewards the worker with genuine happiness and satisfaction, especially when they are busy. W. Bro. Cliff Tootell, Ionic No. 549; R.W. Bro. David Warren, Oakville No. 400; W. Bro. Don Simms, Hillcrest No. 594; V.W. Bro. Harold Prowse, Battlefield No. 714; Bro. Les Reid, Ancient Landmarks No. 654; R.W. Bro. Fred Scott, Hamilton No. 562; R.W. Bro. Tom Burton, Seymour No. 272; Bro. Jim MacKenzie, Barton No. 6; Bro. Cy Carr, Barton No. 6; Bro. Robt. Faulds, Composite No. 667. All out-of-district requests have been addressed through the efforts of V.W. Bro. Ken Schweitzer, Hillcrest No. 594 and R.W. Bro. George Wilkes, Dundurn No. 475. Coordination of volunteers and operations has been diligently supported by R.W. Bro. George Wilkes. Seventy-seven volumes were added during the year through purchases, bequests and gifts. Acknowledgements were extended to the donors on your behalf. Donations are always welcomed. We encourage and solicit new acquisitions.

Our appreciation is extended to the support and continued cooperation given by the staff of the Grand Secretary's office and the Grand Secretary.

The collection is in good order. The facilities appear adequate to meet the current demands. We are prepared to meet the challenge of the Information Age.

With the advent of the Mentors Programme hopefully more use of the library services will be generated. We commend the District Deputy Grand Masters for their support in promoting the use of this excellent Masonic resource. Strengthening our membership through the effective use of information resources should be foremost in the efforts of all the leaders of our Craft.

As Burke said — "There is nothing in the world really beneficial that does not lie within the reach of an informed, understanding and a well directed pursuit."

Respectfully and fraternally submitted on behalf of the Grand Lodge Library Committee.

WAYNE E. ELGIE,
Chairman.

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. R. C. Casselman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Casselman, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In presenting this Committee report to the 131st Annual Communication of Grand Lodge, I would first express my sincere appreciation to you Most Worshipful Sir, for granting me the privilege of serving this Grand Lodge as Chairman of its Long Range Planning Committee.

I am pleased to present this report on behalf of the members of the Committee — R.W. Bros. F. H. Waller, L. W. Lawrence, D. Dunbar, W. S. Finlay, G. E. MacDonald, P. W. Emerick, J. C. Piper, W. Secord, and V.W. Bro. S. H. Cohen, with the undersigned as Chairman.

This Committee met formally on four separate occasions, October 1985 and January, March and May 1986, and gratefully acknowledges the generosity of V.W. Bro. Samuel H. Cohen for the use of his board rooms and special thanks to R.W. Bro. Gerald MacDonald who continues to act as our recording secretary and provides an excellent transcript of our meetings.

The members of this Committee studied several important issues which were considered capable of providing a positive effect to improve the quality of our Masonic life.

1. Structuring of Districts:

During the past few years, this Committee has become aware that several Districts are considering the possibility of adjusting the size of their respective Districts. The Long Range Planning Committee explored several ways of accomplishing this objective and considered the feasibility of: (a) creating additional Districts, (b) dividing existing Districts, or (c) re-aligning the boundaries of existing Districts. This Committee realizes that most Districts are functioning well with a good Lodge to District balance and no adjustment is required. There are, however, several Districts where, due to the number of Lodges and/or geographical size, an adjustment in the number of Lodges would contribute to improved leadership and administration and therefore best serve the interests of Masonry. In order to identify these Districts your Long Range Planning Committee will forward a questionnaire to each lodge, requesting its co-operation and straightforward input. The information received will enable this Committee to make an overall assessment of the Lodge to District structure and thereby make realistic recommendations to the Board of General Purposes.

2. Grand Lodge Regalia:

The full dress regalia used by our present and past Grand Lodge Officers is most impressive and compares favourably with that used by other jurisdictions. If our

regalia is to remain uniform in design and of a calibre which will continue to evoke the justifiable pride of its users, we must take some immediate action to preserve its rightful place in our brotherhood.

At the present time there are practically no artisans in Canada capable of doing the intricate stitchery in gold thread used on all full dress regalia. Due to escalating costs some Districts will be hard pressed financially to buy new regalia each year; and it may be difficult to obtain. Your Long Range Planning Committee believes there is an immediate need to address this matter as it is fast becoming a short-term action necessity. This committee presents the following three options for your consideration.

Option 1—Present Grand Lodge officers continue to use the present style of regalia and pass it along to their successors. All past Grand Lodge officers would revert to undress regalia. A grandfather clause of perhaps from three to five years could be included to allow those presently using full dress regalia to change over.

If such a plan were adopted there should be no exceptions made. The Past Grand Masters by virtue of their being members of the Board of General Purposes would not be affected.

Option 2—Retire the present full dress regalia and replace it with newly designed regalia carrying all the symbols depicted on the present regalia. Modern embroidering techniques can be utilized with Canadian technology and expertise. This would eliminate the need for undress regalia and produce a product designed to suit the comfort of the user.

Option 3—Retire the full dress regalia and design a very simple apron and collar whose beauty would be in their simplicity, elegance of design and choice of material. Such regalia would suggest that those who choose to lead humble themselves. This option would also negate the need for undress regalia although it could continue to be worn if so desired.

After careful consideration this Committee favours Option 3 — “Retire the present full dress regalia and design a very simple apron and collar.” The Committee recommends that the above three options be referred to the Regalia Committee for consideration.

3. Recognition of Two Hundred Year Old Lodges:

This Committee in co-operation with the regalia companies has designed a distinctive crest to identify members of lodges that are two hundred years old.

A brief description of the crest follows:

The crest is approximately nine centimetres in diameter with blue embroidery to be affixed to the middle of the apron at a point just below the flap. Around the outer rim at the top appear the name and number of the lodge and the letters G.R.C. appear at the bottom of the circle. In the centre of the crest are two columns from the porchway or entrance to King Solomon's Temple.

stylized to suggest the Roman Numeral II, designating two hundred years. On a scroll joining these pillars, which denotes stability, appears the year the lodge was established. This tends to give distinction and credibility to a lodge through the years so that a lodge two hundred and fifty years old is easily recognized from a lodge that has just turned two hundred years. A prototype is available to better grasp the concept of the crest.

It is not the intention of this Committee to suggest that we should influence lodges one hundred years from now, but we cannot let the moment pass without suggesting that perhaps someone from Niagara Lodge No. 2 in the year 2092 might consider changing the two columns to Ionic, Doric and Corinthian and have them stylized to represent III for three hundred years.

This Long Range Planning Committee recommends the adoption of this crest, to recognize lodges that have reached two hundred years, with referral to the Regalia Committee for implementation of the appropriate revisions in the Constitution.

4. District Long Range Planning Committees:

Several Districts have established Long Range Planning Committees and are meeting on a regular basis. Your Chairman attended a meeting of Toronto 4 District under the Chairmanship of W. Bro. Ian Cluney. This lively and informative meeting expressed their concerns for the future and highlighted the importance of good communication between the District Committee and its Grand Lodge counterpart.

Hamilton "B" District, chaired by W. Bro. Norman G. McCarthy, presented a successful program entitled "Lodge Planning" which covered budgeting, dues structure, and its effect on membership over the long term. An excellent hand-out was prepared to assist the Worshipful Master and the members of his Finance Committee. Excellent material!! Well done!! This Committee recommends that each District appoint a formal Long Range Planning Committee to plan its anticipated needs and to provide the necessary liaison between the District and its Grand Lodge counterpart.

5. Announcement of Election Results:

This Committee suggests for your consideration that the names of the elected members of Grand Lodge be announced at the Grand Master's Banquet on Wednesday evening of the Annual Communication. This information would be communicated to a large number of voting delegates, many of whom leave immediately after the Banquet.

6. Masonic Responsibilities to Older Masons and Widows:

Two excellent papers were presented by members of this Committee which serve to identify the needs and concerns of our older Masons and widows of Masons.

The sentiments of fellowship are repeated frequently throughout the ceremonies of our three Craft degrees. Having taken solemn obligations regarding our commitment of fraternal fellowship and a pledge of adequate support to those in need, we must regularly audit our personal performance.

Discussions with a number of our older Masonic people have highlighted the importance of several beautiful and simple considerations to be reviewed by the members of this Committee.

Summary

And so Brethren as we are now completing this Masonic year and are anxiously looking forward to a new one with eager anticipation, no one knows what the future holds, but this much is certain, that with the splendid co-operation of the members of the constituent lodges, this Grand Lodge will ignite our Masonic Pride and continue to provide the ingredients that will improve the quality of Masonic life to the entire satisfaction of its membership.

Respectfully and fraternally submitted on behalf of the Committee.

Chairman

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

This Report was presented by V.W. Bro. S. H. Cohen, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Cohen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Annual Report of the Advisory Committee on Lodge Finances is presented in turn to the Board of General Purposes and to Grand Lodge and will be printed in the Annual Proceedings primarily for the benefit of each of the 650 lodges. But as appears to be the case with most Committee Reports of the Board of General Purposes, it is unlikely to receive more than passing interest at the lodge level.

For the forthcoming year, however, prospects for improved interfacing between Grand Lodge and the constituent lodges appears to be more promising. It is to be noted that eight regional workshops involving the three principal officers have been planned for this fall. Matters of lodge finances will undoubtedly be discussed at some length since three of the topics on the agenda will be: —

Enlightened Lodge Leadership
Lodge Team Management
Financial Strategies

From dialogue with the Grand Master and Deputy Grand Master at these scheduled meetings there can be no doubt that the Worshipful Masters and their Wardens will become encouraged and emboldened to take decisive steps wherever and whenever action is warranted regarding lodge finance.

A blueprint for action has been in the hands of lodges for three years with the publication and distribution to each lodge of three copies of the Advisory Committee on Lodge Financing (1983).

It is the responsibility of each lodge to attend that there be committee review of the structure of life membership and annual dues and that there be adjustments to meet annual expenses and provide for some reserves.

In our previous Report mention was made to the common practice for some Masonic Lodge Buildings to be held in the name of trustees rather than a **NONPROFIT HOLDING COMPANY WITHOUT SHARE CAPITAL**. The Committee sees little progress in eliminating this problem. Temple financing is fast becoming our most serious problem. Many temples are operating at a break-even base or at a loss. Each lodge has a responsibility to the temple where it holds its meetings whether as a tenant or as a part or full owner of the property. Tenant lodges must accept responsibility to honour any lease or mutual understanding re rental termination arrangements. The Committee recommends that Grand Lodge provide support to assure that all lodges carry out their responsibility in this important matter.

Lodges should give careful and thoughtful consideration to the selection of their appointee as a Director to the Temple Board. Temples, like lodges, must be run efficiently and on a strict budget, again pointing out the importance of careful selection of Directors.

The Committee would be pleased to respond to any inquiry from lodges and welcomes the opportunity of providing assistance to lodges or to lodge Temple Corporations in any way possible that may strengthen their financial position.

Respectfully and fraternally submitted on behalf of the Committee.

SAMUEL H. COHEN,
Chairman.

**REPORT OF THE COMMITTEE ON
THE GRAND MASTER'S ADDRESS**

This Report was presented by M.W. Bro. J. A. Irvine, seconded by M.W. Bro. G. E. Turner and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Brethren:

I am indeed honoured to be selected to read this Report on the Grand Master's Address on behalf of our Past Grand Masters.

M.W. Bro. A. Lou Copeland, our Grand Master, has given a report on his stewardship that is a masterpiece and merits the close attention of every member of our Grand Lodge. It is to be hoped that every lodge in this Grand Jurisdiction would use this report as a regular conversation piece at many of their meetings.

There is so much nourishment in our Grand Master's Address that we feel that any volume of verbiage on the part of the Past Grand Masters would only detract from the beautiful, inspiring and complete message contained in this Address. Again, we recommend each member read and study his entire presentation.

We note with satisfaction and pride the Grand Master's numerous engagements, and with a certain amount of awe find it almost impossible that one man could do so

much for all of us in his first year as Grand Master. We are sure we echo the sentiments of every member of this Grand Lodge when we say: "Well done, good and faithful servant." We are indeed proud of him.

We are particularly pleased and endorse the theme selected by our esteemed Grand Master for his first term, "Igniting Masonic Pride". We are sure he has laid the groundwork for a great surge of interest in our Masonic way of life. We must also congratulate our Grand Master on the programme coupled with this theme:

1. What is Freemasonry?
2. Masonic Charity
3. The Mentorship Programme
4. Lodge Team Management
5. Enlightened Leadership

This is the kind of keen, experienced management layout we might have expected from such a competent and energetic person as our Grand Master.

Our Committee is pleased to approve all the decisions, appointments, recommendations and, in fact, all the activities which are too numerous to mention of our Grand Master in the discharge of his duties as Ruler of our Grand Lodge.

Respectfully submitted,

JOHN A. IRVINE,
Chairman.

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

M.W. Bro. W. K. Bailey, President, presented the following report, and on motion, seconded by R.W. Bro. T. J. Arthur, it was received by Grand Lodge.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Masonic Foundation of Ontario is privileged to present the report of the Twenty-third Annual Meeting held July 15th, 1986, 8:45 a.m. at the Royal York Hotel, Toronto, Ontario.

It should be re-emphasized that the 90 or so members of the Masonic Foundation of Ontario are the 90 or so coopted from the Board of General Purposes of Grand Lodge. The Foundation is an independent public organization established at the instance of Grand Lodge to serve the charitable interest of the Masons of Ontario. The members carry no Masonic title or rank. The Board of Directors is quite simply the executive arm of the Foundation.

The Foundation has had another successful and rewarding year both in support by the Masons of Ontario and in disbursing financial assistance to a great number of organizations and projects throughout the Province of Ontario.

Donations disbursed direct:

Kerry's Place (Autistic Homes).....	\$10,000.
Kidney Foundation Canada	100.
Hamilton Board of Relief	500.
Project H.E.L.P. Hearing Research	60,000.
Voice for Hearing Imp. Children.....	10,000.
Boy Scouts Canada Ont. Div.....	1,500.
Girl Guides Canada Ont. Div.....	1,500.
4-H Council Canada Ont. Div.....	1,500.
Cancer Society Canada Research.....	1,000.
North York Red Cross	400.
	<hr/>
	\$86,500.

Project H.E.L.P. Hearing Research:

Since 1978 and the intervening years, the Masons of Ontario have made donations and bequests to the Masonic Foundation. These Masons are partners in the research designed to bring hearing to the profoundly deaf.

A skilled research team does extensive testing on each profoundly deaf person to determine their suitability for an implant. Dr. Nedzelski, at Sunnybrook Hospital, has done 12 single electrode and 4 multichannel cochlear implants with considerable benefit to each. The process is slow and costly—about \$13,000.00 per implanted cochlear device.

Hearing research headed by Dr. R. Harrison, at the Hospital for Sick Children, is developing a smaller simple, sensitive, single electrode system for "Extra Cochlear" use. This new device will help the profoundly deaf who are unsuitable for cochlear implant, especially the children. This single electrode will be implanted up to but not into the window leading to the cochlear—"an explant". Hence there are fewer risks of a complication and the cochlear is preserved for future development.

While there are a number of similar projects being carried out in Canada and throughout the world, the project your Foundation is supporting is well in the forefront. Our research team under the capable direction of Dr. Robert Harrison, Ph.D., has taken a more cautious approach with implants as demonstrated with children.

Hearing Research will answer complex questions and make technological improvements in the single and multichannel electrode available at an early date.

The continuing support of the Masonic Foundation will be used to manufacture these devices at a low cost for 100 persons over three years.

Voice for Hearing Impaired Children:

Voice is a programme for hearing impaired children organized and supported through the efforts of parents and financed by organizations such as the Masonic Foundation. Children as young as 6 months who have been identified as having severe hearing loss and who can benefit from specialized instruction are given in company with the parent one hour of tuition per week. Between these periods the child receives follow-up sessions by the parent, and if of school age enabled to attend normal grade schooling.

The specialized instruction has grown from one teacher and 30 children to two full time teachers and 80 children in the North York Hospital programme. Similar

projects are in place at the Hospital for Sick Children in Toronto and Childrens Hospital of Eastern Ontario in Ottawa. Recently Voice has engaged the services of an itinerant teacher who travels to Sarnia, North Bay and Timmins giving instruction for 2 to 3 hours per month. Eventually Voice plans to extend tuition to full time as specially trained teachers and adequate financing become available.

Autistic Homes of Ontario:

Kerry's Place, the umbrella organization of parents of autistic children and adolescents, owns and operates and maintains homes in Maple, Meaford, Ottawa, Thomasburg and Metro Toronto.

Autistic Homes has plans in place to raise \$600,000.00 to open at least two additional residences in Western Ontario to accommodate ten to twelve of the 50 qualified applicants. Past experience has proven that each home should be limited to at most eight residents on a full or part time basis with round the clock supervision supplemented with social service personnel.

Autistic Homes of Ontario receives the encouragement and support of the Ontario Ministry of Community and Social Services to expand their services in ministering the needs of autistic adolescents in Ontario.

Envelope Appeal:

Approximately 2,000 Masons and friends responded to the Yellow Envelope Appeal launched last fall. In total \$62,000. were received, which will be reserved for disbursement in the 1986-87 fiscal year.

Brochure:

An attractive and informative threefold brochure describing the objectives and work of the Masonic Foundation of Ontario has been prepared. Copies with an accompanying letter will be mailed later this year to approximately 15,000 members of the legal profession in Ontario. We trust that this folio of information will be made available to clients who will be seeking advice re charitable donations and bequests. Sufficient copies of the brochure will be reserved for distribution to lodge secretaries to interested brethren.

Bursary Programme:

The Foundation's bursary programme has had another active year. We made awards to 78 students on 35 campuses, with an aggregate value of \$43,071.00. This amount is a new high for us. In some ways, this activity is the hardest one to "sell" to the Masons of Ontario. Our first reaction is often to say, "Why should I pay for somebody else's education? I paid for my own, with some help from my parents, and my children are doing the same thing." Well, let me assure you that there are young people who run into financial difficulties through no fault of their own. Would you like an example of two? Student "A", from Trent University; a young widow whose husband died last year after a long and painful illness, leaving her with two small children, and a debt of \$19,000. She is in her final year, and wants to finish her course and begin work; her sole income is \$287. a month in Mothers' Allowance. Or another one, who applied after our funds were all disbursed for the year: Student "B", from St. Lawrence College at Cornwall; the only child of a widowed mother; she died this spring, and her insurance was nowhere near enough to pay her funeral expenses, for which he was ultimately responsible; he has found no local form of relief, and has nowhere to turn. These are not isolated instances. The local Student Awards Officers in the Colleges and Universities are becoming increasingly aware of our programme, and they are beginning to refer to us when a real emergency of this nature comes up.

The need is certainly there. You can be proud of the support that your Foundation is giving to young people through its bursaries.

Your Board of Directors has had a busy year. Four Board meetings, several ad hoc meetings and countless verbal communications have been held. Our daily operations as a Board have of necessity centred around our able and efficient administrator, T. John Arthur. He has directed the day to day administration including the Envelope Appeal, the District and Lodge Projects, computerization of records and close liaison with the auditor. We are deeply indebted to him, along with the dedicated services of the entire Board of Directors.

Presented on behalf of the Board of Directors: Dr. A. J. Anderson, T. J. Arthur, W. K. Bailey, F. J. Bruce, W. E. McLeod, Dr. A. N. Newell, Dr. N. R. Richards, E. C. Steen and C. J. Woodburn.

Respectfully submitted,

WILLIAM K. BAILEY,
President.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S BANQUET

A brief oral report was given by R.W. Bro. W. H. Sproule, the Chairman of this committee.

REPORT OF THE COMMITTEE ON AWARDS

This Report was presented by M.W. Bro. J. A. Irvine, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Irvine, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We your Committee on Awards must congratulate all lodges on the excellent compilation of so many petitions for the William Mercer Wilson Award. Some of these petitions were actually masterpieces and showed quite clearly these lodges had contacted the Grand Secretary's office and obtained a copy of the format to assist them in applying for this prestigious Award.

This year we believe we have established a record by granting five (5) of these Awards. The names of the successful nominees are contained in the Grand Master's Address, therefore it is unnecessary for us to recapitulate them in this report.

To refresh the memory, this Award is given for service by a member of the Order, to his lodge, Masonry in general, to his family, his church and his country, and is awarded only to members who have not, and will not, serve in the capacity of Worshipful Master of his lodge. A format should be obtained from the office of the Grand Secretary and followed meticulously. Particularly, the lodge must do something by way of recognizing the services of the nominee before tendering a petition or recommendation through the Grand Secretary, who, in turn, will distribute the plea to each of the three members of the Committee. These Committee members do not consult each other, each votes 'yes' or 'no'. However, there must be a unanimous decision of approval before the Award is made.

By this, my Brethren, you can see that this is perhaps the greatest honour this Grand Lodge is empowered to confer.

We extend our sincere congratulations to all five Brethren who have received this Award in the past year.

Respectfully and fraternally submitted.

B. B. FOSTER
H. O. POLK
J. A. IRVINE, Chairman.

REPORT OF THE POLICY COMMITTEE ON THE BULLETIN

This Report was presented by M.W. Bro. N. R. Richards on behalf of R.W. Bro. J. Pos, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Richards, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Policy Committee on the Bulletin, it is my pleasure to present this report.

The Grand Lodge Bulletin is published twice yearly and provides an important link with the total membership, and an opportunity for the Grand Master to communicate directly with all Masons in the jurisdiction.

His message of inspiration and the proposed new mentorship programme with the fall scheduled workshops has generated much interest and enthusiasm.

The current procedure of bulk mailing to individual lodges does not ensure that every Mason receives a copy. We, therefore, request that the District Deputy Grand

Masters be reminded to inform all Lodge Secretaries that the Bulletin should be distributed to every member.

Special thanks and appreciation are extended to our editor, R.W. Bro. R. Wilson McConnell, for his continued devotion in compiling the many interesting articles of happenings in this jurisdiction.

We encourage all lodge representatives to continue to submit their lodge histories and special events that may be of interest to the total membership.

Also, to our Grand Secretary and his faithful staff, we express our sincere appreciation for their diligence in arranging for the printing of the Bulletin, and the enormous task in mailing them to the individual lodges.

Respectfully and fraternally submitted on behalf of R.W. Bro. J. Pos, Chairman.

N. R. RICHARDS

REPORT OF THE GRAND HISTORIAN

This Report was presented by R.W. Bro. J. W. Auckland on behalf of R.W. Bro. W. E. McLeod, Grand Historian, and received with thanks. (see appendix)

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. H. Lerner, Grand Chaplain, and endorsed by the applause of the brethren.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

My term of office as Grand Chaplain has been a very rewarding and interesting one. I consider it a great privilege and distinction to have been chosen to serve the Craft, and I hasten to express my sincere thanks to our Grand Master, M.W. Bro. A. Lou Copeland, for the great honour he conferred upon me in appointing me to this Office. It has been a wonderful experience to serve God and the brethren of this great Masonic Jurisdiction.

The advent of my Sabbath from Friday sundown to Saturday sundown each week prevented me from engaging in the many more Masonic activities I would have liked to engage in; on the other hand, I am happy to report that I have been privileged to attend quite a number of exciting Masonic activities around the Province, and in some cases my visit broke a "drought" of many years.

I would also thank at this time the District Deputy Grand Masters for their support and encouragement during the year. Their willing response to any suggestions I made to them was particularly appreciated.

The Assistant Grand Chaplain, Past Grand Chaplains, and District Chaplains have been extremely helpful in substituting for me at various functions, when I was not able to accept invitations. I hereby extend to them my sincere appreciation.

I was most pleased to address a number of District Divine Services in many parts of our Province and share in the religious enthusiasm of our fraternity. The good attendance, heart singing and well chosen readings were very heart warming.

My attendance at several receptions for the Most Worshipful the Grand Master enabled me to learn, at first hand, the simple, sincere and kindly devotion which is the never-failing mark of his personality. These occasions illustrated, also, the strength and loyalty of the Grand Lodge Officers, past and present, who were always in attendance in goodly numbers.

Perhaps the most gratifying aspect of occupying this privileged position over the past year has been as recipient of the tangible manifestations of Masonry — namely, Brotherly Love, Relief and Truth. These precepts, along with Faith, Hope and Charity, have persistently permeated the Freemasonry in which I have been privileged to participate here in Southern Ontario.

From my experiences over the past year, I am more convinced than ever that Masonic life is strong in its Faith and that Masons who are active in their lodges are also zealous in fulfilling their religious obligations.

As I close this report I must again express a heartfelt thank you to our Grand Master, who, having achieved greatness himself, in that generous spirit that so characterizes all his activities, saw fit to thrust some of that greatness upon others, and gave me, personally, through my office, the opportunity of meeting so many fine men; an opportunity I shall always remember with deep gratitude.

May the Great Architect of the Universe continue to bless our Order by cementing and adorning it with every moral and social virtue.

And now may Almighty God, Who pours out His blessings upon us in rich abundance from His Heavenly Treasury, grant us His greatest blessing — “Shalom” — Peace, both from afar and from deep within ourselves.

Respectfully and fraternally submitted.

HAROLD LERNER,
Grand Chaplain.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. R. S. Throop, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Throop, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

In his report on the Condition of Masonry to the One Hundred and Nineteenth Communication of this Grand Lodge, R.W. Bro. H. Allan Leal quoted the following from Bacon's Essay "Of Innovations":

"He that will not apply new remedies must expect new evils, for time is the greatest innovator; and if time of course alter things to the worse, and wisdom and counsel shall not alter them to the better, what shall be the end?"

Your Committee feels it prudent to recall this admonition to mind, not with any feeling of apprehension or dismay, but with a sense of the reawakening of Masonic pride in the future of our beloved Fraternity. While it is, perhaps, too early to notice any significant change in the fortunes of Masonry in this Jurisdiction, one cannot help but feel, as one travels about the Province, a certain positive demonstration of the "Igniting of Masonic Pride." This is, in no small way, directly attributable to the capable and tireless efforts of our Grand Master in his promotion of the "Five-Point Programme." It would appear that the condition of Masonry is indeed being altered for the better.

The administrative aspect of any well run organization, including Freemasonry, is, of course, of great importance. However, any treatise on the condition of Masonry must, of necessity, concern itself with both the moral and social implication of the institution as the premier concern. It is, therefore, of the utmost importance to have a clear concept of how Freemasonry impacts, both from a social and moral point of view, not only on its own members but also on those who may be directly, or indirectly, touched by it. This, then, indicates that we as Masons should have a very clear understanding of our aims and objectives. What is it that we are trying to achieve? Do we have a real knowledge of the mission of Masonry? Reflect for a moment on these words from the Installation Ceremony:

"Freemasonry from its origin to the present time in all its vicissitudes has been the steady unvarying friend of man. It has (in the language of an eloquent brother) gone forth from age to age, the constant messenger of peace and love, never weary, **never forgetful of its holy mission.**"

Are we certain, Brethren, that we are fully aware of that mission? More important, perhaps, is the question, do those who are not of our numbers know what that mission is?

It has become common practice for business enterprises to develop a corporate "Mission Statement." It is a strong building block for a company's future. A mission statement, in other words, spells out clearly the "raison d'être" of the corporation.

Some of the reasons for having a well thought-out mission statement are quite clear:

First—it is one component of effective leadership. It aids in pulling the company together by giving clear direction to all its people on how they should act.

Second—it is the starting point for a strategic plan and a cornerstone for the corporation's aims and objectives.

Third—perhaps most important, it outlines what those outside the company should expect from it. It acknowledges that the corporation is very much a part of the world in which it exists; is affected by changes which affect the world; and is an integral part of society of which it is in contact.

The question is, then, can we in Masonry benefit from a "Mission Statement?" Does a clear and concise mission statement already exist, and, if so, what is it? Perhaps each brother should, in his own way, develop his own mission statement. It seems to this Committee that it would be well to devote considerable thought and effort to develop, or at least to consolidate in our own minds, a clear and concise Mission Statement for Freemasonry. It would serve this great Fraternity well if we were all of one accord on just what is the "Light" that we wish to take "out from under the bushel."

Your Committee wishes to express its gratitude, and we are sure the gratitude of Grand Lodge, to those who now hold, as well as those who have held, the office of District Deputy Grand Master. The faithful discharge of their duties is basic to the well-being of our Grand Lodge. It has been a pleasure to have read the reports of those brethren holding that office this year. We note that, without exception, their first task was to carefully select their District Secretary and other District Officers; those tireless workers without whose assistance the team could not have functioned.

This Committee's report is really, therefore, nothing but a summary of the 43 District reports.

A thread of commonality that runs throughout the fabric of all these reports is the firm belief of each District Deputy Grand Master that the condition of Masonry in his particular District is, by and large, healthy and improving. The opinion is frequently expressed that the rate of decline in our membership has slowed down over the last couple of years and that the trend may well be moving to the plus side.

In any report on the Condition of Masonry, the contribution of our Grand Chaplain, and indeed all District Chaplains, to the advancement of our Masonic principles must be recognized. Our Grand Chaplain, R.W. Bro. Dr. Harold Lerner deserves our high esteem and our heartfelt thanks for his contributions this year on all occasions at which he was present. His genuine portrayal of Masonic Brotherhood and the dignified manner in which he conducted his duties have set a mark for others to emulate.

Typical of the expressions of appreciation given to the District Chaplains is contained in the Report of R.W. Bro. John R. Williams, Toronto District Three:

"Toronto District Three Divine Service was held on Sunday, April 6, 1986 at Guildwood Community Presbyterian Church, West Hill.

There were 285 in attendance and many Masons were accompanied by their wives. The event was a great success considering there was a thick evening fog which prevented many brethren from travelling from the North and West of the city. The District Chaplain, Rev. Ian Nichols, gave the sermon. We are very fortunate to have the services of W. Bro. Nichols, who provides a wealth of spiritual guidance and knowledge in Toronto District Three. Despite his handicap of almost total blindness, he gives inspiration to everyone with whom he comes in contact."

Your Committee strongly recommends that future District Deputies continue to select, with care, the brethren who fill this most important post.

We are again pleased to report that Charity (that virtue that we have all professed to admire) is being practiced to an eminent degree by the brethren throughout the Jurisdiction.

A few examples taken from the many that were reported by the District Deputy Grand Masters will serve to indicate the breadth and depth of this truly Masonic practice.

They range from District projects such as the London East and West Districts' Walkathon, which had another successful year in raising over \$22,000. This time, for the Local Merriment Children's Home. Toronto District Two—\$10,000 for Canadian Diabetes Association research development. Prince Edward District—\$7,500 for equipment for Trenton Memorial Hospital.

In the projects of individual lodges we note Grand River Lodge No. 151 raised \$11,500 for accommodations for the area Boy Scouts. Richmond Lodge No. 23 — \$4,000 to high school bursaries and assistance to the local hospital. North Bay Lodge No. 617 — over \$1,500 for scholarships and bursaries to colleges and universities in the area.

We feel certain that there are many hundreds of cases that go unreported of a one-to-one practice of Masonic charity — perhaps the truest of all charity.

Lest we leave the impression that money alone must be involved, we hasten to mention the outstanding work that is being done by Sick and Visiting Committees to those in hospital, as well as visits to the lonely and the shut-in, the flowers on special occasions and the everyday acts of kindness and benevolence.

Two examples will serve:

W. Bro. Taylor — Brant District Chairman of Benevolence, organized a car pool to transport a brother from his home in Brantford to hospital in Hamilton and return daily for treatment, lasting six weeks. Bro. Taylor, in organizing the drivers, stressed that this was a chance to practice "some real Masonic charity."

Bro. Clifford Jones, Historian of Cobden Lodge No. 459, reports as follows: "At the beginning of the year we set up a program to honour some of our older members of

long standing by inserting their names in the Summons to be honoured at the next meeting.

A biography was written up and presented at that meeting, and a card given to the brother so honoured with the names of all brethren present signed on it. Ten brethren were so honoured at different meetings. Four have since passed to their great reward. How happy we are to have honoured them while they were still with us."

Incidentally, that same lodge — with a membership of 110 — has just raised among their members some \$6,000 for the purpose of renovating their building. One would have to say that Masonry is indeed alive and well in Cobden.

Brethren, the opportunities to demonstrate the practice of brotherly love to Mason and non-Mason alike is only limited by your zeal and the scope of your imagination. We urge you to become involved.

This Committee is pleased to acknowledge the dedicated work of Masonic Education Committees at the District level. When the report of the District Chairman of Masonic Education has been included in the District Report we note that, without exception, he is unstinting in his praise of the assistance received from the Grand Lodge Committee on Masonic Education, under the Chairmanship of R.W. Bro. Norman E. Byrne.

We cannot recommend too strongly that all Districts should give careful planning to the organization of Masonic Education programmes so that all brethren may have a greater appreciation of the history and philosophy of Masonry.

Your Committee notes from some of the Reports that while in general the ritual is well performed, there are areas where improvement would be desirable. Those Districts that held Lodges of Instruction under the supervision of the Custodian of the Work, M. W. Bro. N. R. Richards, all reported how profitable the meeting was in a more correct and uniform portrayal of the Work throughout the District afterwards.

Again we suggest that the incoming District Deputy Grand Masters should give careful thought to organizing such meetings.

During the year, many lodges celebrated a century and more of service to the Craft, and to them we extend our congratulations.

Some indication of how Masonry went hand in hand with the development of this Province can be gleaned from the fact that Cornwall Lodge No. 125 celebrated its 125th Anniversary in the Eastern part of the Province this year, while Fort William Lodge No. 415 was celebrating its 100th Anniversary in the Northwest.

A total of ten lodges reached 125 years of Masonic service. Moira Lodge No. 11 celebrated 185 years in Belleville, while Prince Edward No. 18 attained its 175th Anniversary in Picton.

These occasions are of great importance to the lodges concerned and, indeed, to Masonry in general in the Jurisdiction. Many of the lodges took advantage of the celebrations to host a reception to the Grand Master. Such occasions were indeed highlights in the year of the district concerned.

No report on the Condition of Masonry would be complete without acknowledging the concern expressed by many of the District Deputy Grand Masters in regard to the financial situation of some of the lodges in their respective Districts. The comment of R.W. Bro. M. Griffiths, Ottawa District 2, is typical of the general concern:

"In general the lodges are financially sound. However, with increasing costs (rent, taxes, heating etc..) some are just solvent and they are now reviewing dues and initiation structures.

I have tried to encourage budget preparation and establishment of life and benevolent funds regardless of how small their income / expenditure base is."

This Committee urges all lodges to review their financial situation on a yearly basis. The lack of adequate insurance on lodge buildings, furnishings, and regalia could have disastrous results. It is hard to understand why any lodge would operate without a budget of some sort. Dues and initiation fees that are not keeping pace with reality are only inviting serious financial problems. We are certain that V.W. Bro. S. Cohen and his Finance Committee would be more than willing to assist any lodge in setting up a sound financial base.

We have been enjoined to be happy. Most reports indicate that the brethren are following that admonition in a very commendable manner. The many social activities engaged in show the universal tastes of the brethren; they range from the usual Ladies' Nights to fish fries, barbecues, golf tournaments, trips to the race track, bus tours etc. These activities indicate that the individual lodges are attuned to the need in these times for an increase in social intercourse amongst the brethren.

It is not uncommon to find that these activities have a beneficial influence upon lodge attendance and the spirit of brotherhood. We urge all lodges to join in these endeavours.

Lest there develop a tendency for imbalance, we would point out that we have been told: "The object, however, of meeting in the lodge, is of a two-fold nature, namely moral instruction and social intercourse." Masonry is then best served when these two are held in equal balance.

It is a self-evident truth that the whole is only the sum of the individual parts. Masonry can be no better, or no worse, than the actions of the individual brethren make it. It is our duty, brethren, to learn well the lessons taught in the tyled recesses of our lodges. Then go forth and by precept and example display the teachings of Freemasonry for the benefit of the world at large. Thus, Masonry will be shown in its true light.

Respectfully and fraternally submitted on behalf of this Committee.

ROBERT S. THROOP,
Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. T. R. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We are pleased to represent the Grand Lodge Committee on Benevolence and to deliver the Committee report again this year. We felt you would be interested in the activities of our Committee and before dealing with the details of financial results, etc. we would like to give you a glimpse of the make up of our Committee and of the work in which we are involved. The Committee is made up of nine people, all appointed by the Grand Master and representing geographical distribution across the province. The work of the Committee is supplemented importantly by each of the District Chairmen of Benevolence representing the forty-three Districts and co-ordinating the benevolence work of the individual lodges. Our full Committee meets formally three times a year, once during Grand Lodge, once during the November Board meetings and once for a full day or day and a half session in June of each year. That June meeting deals with individual review of each of the applications for benevolence submitted for consideration. The June meeting is held in Grand Lodge premises in Hamilton and for each of the several years in which I have been involved I have been very impressed that we have never failed to have less than perfect attendance.

With the combination of a diminishing membership and increasing social benefits we have watched a steady decline occur in the number of benevolence cases applied for on behalf of our members and their dependents. Nonetheless, those that come before us represent a tremendous cross section and variety of difficulties. We have always felt enormous pride at the work of Grand Lodge and its involvement and caring support of those brethren and their families who are afflicted with whatever need and where involvement and support of this Committee can be of assistance. During the past year we have administered sixty benevolence situations - approximately the same as last year but down from seventy and more, five and six years ago. The amount of money disbursed by way of grants to those sixty individual situations totalled \$76,201. Each year some cases are removed from our files, sometimes by death and sometimes by an improvement in their circumstances. We have a strong program of communication with the individual District Chairmen to ask that they be ever mindful of cases developing in their midst where our assistance might be enlisted. We do this by way of individual letters to each District Chairman early in the new Masonic year and also, when possible, by visiting the Districts on invitation and presenting benevolence workshops as has been the case in a dozen or more instances over the past five years. We reiterate the availability of our Committee members to visit Districts, upon request, to further these seminars or workshops.

You are aware that the funds available for distribution by the Benevolence Committee are derived from the income earned by the Memorial Fund. The interest income during the past year totalled \$85,893 and as already recorded our total grants

this year were \$76,201. The result obviously is a surplus of nearly \$10,000. Similarly there was a surplus one year ago of approximately the same amount and it is the recommendation of this Committee that these surpluses be applied back to Grand Lodge General Funds by way of reimbursement of the many years when shortfalls of available funds were made up by Grand Lodge General Funds. We would recommend that in the future any surpluses that do arise be applied back to Grand Lodge General Funds as a form of repayment for deficits made up in earlier years until such time as those accumulated deficits of several years are totally reinstated. When that time occurs we will need to formulate a new recommendation as the suitable distribution of such surpluses as they arise in the future.

It is just one year since the Constitution was amended to authorize the Committee to dispense assistance by way of an interest free loan. During the Masonic year ended April 30th, we had dealt with no applications related to loan assistance but since have considered two such applications and a general report on this matter will be contained in the Committee Report to the Board next November. We do recommend that any funds being made available as an interest free loan to one of our brethren be advanced out of capital funds rather than general funds and that suitable bookkeeping records be developed to ensure that follow-up for recovery of such individual loans is attended to in a businesslike manner.

We wish to emphasize again this year the need for special care in the completion of applications and of the considerable aid which is provided when the Lodge or District Chairman writes a supplementary and detailed report to accompany the actual application. There is no form of application that could conceivably be developed to apply to the wide variety of cases sent forward and, consequently, the arrival of a support letter from the Lodge and/or District Chairman elaborating on the circumstances of the individual case is of immeasurable aid to the judgement process of the Benevolence Committee.

We are pleased at the ongoing relationship that has developed between our Committee and the Masonic Foundation and at the number of instances where a cooperative approach between the Masonic Foundation and ourselves has had such good results.

Our Committee recommends again this year that we continue membership in the Masonic Relief Association of the United States and Canada.

In closing, we wish to express appreciation to the individual members of our Committee, to the District Chairmen of Benevolence and to all those who have communicated with us in the past year and helped us in looking after the process of Masonic benevolence. We wish to again this year pay particular tribute to those in Grand Lodge offices who have been such a pleasure to work with and who have been so supportive in every way - specifically, our Supervisor of Benevolence, R.W. Bro. James Guy and, of course, to our illustrious Grand Secretary, M.W. Bro. Robert E. Davies. We also wish to thank the Grand Master for the interest and support he has provided to the work of our Committee.

To all, thank you very much indeed.

Respectfully and fraternally submitted.

T. R. DAVIES,
Chairman.

The applause of our brethren not only endorsed the action of their Grand Master, but also evinced the esteem in which Bro. Ashforth is held by his many friends.

REPORT OF THE GRAND HISTORIAN

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is appropriate that the Grand Historian begin by expressing his gratitude to the Most Worshipful the Grand Master for conferring on him the dignity of office. To great privilege is attached heavy responsibility, and in order to discharge in some measure that responsibility the Grand Historian ventures to share with Grand Lodge the results of some of his researches. Several years ago he spent considerable time pondering the background and meaning of the Grand Lodge Certificate. In due course his conclusions were made available in the *Newsletter* of the Committee on Masonic Education, volume 5, number 1 (July, 1985), on pages 21-26. The Grand Master has suggested that it might be useful to share them with a wider circle of Brethren, through the medium of the published *Proceedings* of Grand Lodge. The present report is the result of that suggestion.

The Book of Constitution states that "Every initiated brother upon being made a Master Mason shall be entitled to a Grand Lodge Certificate, and the lodge shall procure and pay for such certificate" (section 380). There is no authorized ritual for delivering the certificate, and often it is presented casually, after the business meeting. A few lodges however choose to observe a certain amount of formality in drawing attention to its significance. The address given below cannot claim any official status, but is offered for the consideration of those brethren who may wish to use it.

Acknowledgements: The general outline of the address and the discussion of the Masonic symbols are taken from the Appendix to the published *Emulation Ritual* as demonstrated in the Emulation Lodge of Improvement. For earlier forms of the certificate, see T. O. Haunch, "English Craft Certificates," *AQC*, 82 (1969) 169-253. On the Great Seal of Canada, see Conrad Swan, *Canada: Symbols of Sovereignty* (Toronto, 1977), pages 105-112, 163-169; George W. Spragge, "The Great Seals and the Arms of Ontario," *Ontario History*, 51 (1959) 32-37; and *The Globe and Mail* for 25 September and 9 October 1976. The writer is grateful to the Grand Secretary's Office for providing copies of two letters written on the subject by M.W. Bro. W. J. Dunlop under dates of 27 October 1948 and 20 May 1950; and also to R.W. Bros. George A. Revell and James J. Talman for other information and suggestions.

THE PRESENTATION OF A GRAND LODGE CERTIFICATE

As a Master Mason, you are entitled to receive from Grand Lodge a certificate stating that you have been regularly Initiated, Passed, and Raised. I now present to you your certificate, and if you will examine it, I shall explain its symbolism.

At the top is a panel encircled by a floral border, in which the Thistle, Shamrock, and Rose entwine the Maple Leaf. This recalls to our mind that England, Scotland, and Ireland bequeathed to Canada not only the basis of our political and legal institutions but also the blessings of our gentle Craft. The panel consists of several distinct emblems. It is headed by the All-seeing Eye, enclosed within a Triangle, the symbol of Divinity, from which proceed Rays of Brilliant Light. This signifies that our

lives are illuminated, and our actions observed, by the beneficent Creator. Beneath this is the Royal Coat of Arms of the United Kingdom, surmounted by the Crown and flanked by the Lion and the Unicorn. They symbolize the loyalty to duly constituted authority which must at all times characterize every Mason.

Below this is the Great Seal of the Province of Canada as it was used from 1841 to 1867, the period in which our Grand Lodge came into being. The Province was formed by the Union of Upper Canada (or Ontario) and Lower Canada (or Quebec), and the Seal alludes to both. In the centre, in an oval panel, are two classically robed maidens arm in arm, allegorical figures for Lower Canada and Upper Canada. At their sides, partly obscuring them, are two roundels or medallions. To the left is the Great Seal of Lower Canada (1793-1841). It is intended to be a stylized view of Quebec City, with a church on the hill, as seen from across the St. Lawrence River; in the foreground stands a freshly pruned oak tree, and in the river float two sailboats. (Quebec was of course the capital city of Lower Canada. The significance of the pruned tree is now obscure, but it was originally explained by a Latin motto: the province would be richer and stronger after Upper Canada, formerly a constituent part, had been pruned away.) The right-hand medallion carries the Great Seal of Upper Canada (1792-1841), which was designed by our first Lieutenant-Governor, Lieutenant-Colonel (and Brother) John Graves Simcoe. It includes an anchor crossing a sword, with a feathered calumet or Indian peace pipe upright between them, all over two crossed cornucopias or horns of plenty; above them are the Royal Crown and the lower left corner of the old Union Jack, as it was before 1801 when the Cross of St. Patrick was added. The whole design points out to us that the colony, with its bounteous agricultural promise, was established by the British Naval and Military Forces, in conjunction with their Indian allies.

To the left of the Great Seal is a view of what seems to be Hamilton, apparently from Burlington Beach, looking towards the Mountain. It was of course in Hamilton, on October the 10th, 1855, that the sovereign Grand Lodge of Canada was formed; and the headquarters, the administrative offices, of the Grand Lodge have been situated there ever since. In the foreground of the scene, on the shore of the isthmus, is a beaver, the emblem of Canada from the early days of the fur-trade. To the right of the Great Seal is a scene that holds a threefold significance — Niagara Falls as viewed from the shore. This natural wonder is recognized all over the world as a landmark of Ontario; moreover, it was not too many miles from here that Freemasonry was first implanted in our province, in 1780 or before. But even beyond that, it was in Niagara Falls, Canada West, on July the 19th, 1855, that a group of Brethren resolved to call the meeting in Hamilton that resulted in independence.

This panel at the top serves to remind us of our heritage and our faith, and of the fact that our Grand Lodge antedates Confederation, and originally covered the whole Province of Canada. For that reason it was at first called simply The Grand Lodge of Canada. Not until after Confederation, when the independent Grand Lodge of Quebec broke away — in fact not until 1887 — were the words “in the Province of Ontario” added.

The emblems on the lower part of the page are all familiar to Masons. They derive from the form of certificate which has been issued by the United Grand Lodge of England ever since 1820. Most conspicuous are the Three Great Pillars that support

a Freemason's Lodge. That on the left is Ionic, that on the right is Doric, and that in the centre is Corinthian. In Masonry they are called Wisdom, Strength, and Beauty, and represent Solomon King of Israel, Hiram King of Tyre, and Hiram Abif. The pillars rest on square pedestals, adorned with the Three Movable Jewels. On the left is the Square, denoting the Master; on the right, the Level, denoting the Senior Warden; and in the centre is the Plumb-rule, denoting the Junior Warden.

These pedestals rest on the Black and White Mosaic Pavement of the lodge, which represents the Light and the Darkness, the joys and the sorrows, of our chequered existence here on earth. The pavement is approached by three stairs or steps, or degrees. Towards the back of the Pavement are the Celestial and Terrestrial Globes, which point out Masonry Universal. Formerly they were a regular feature in the lodge-room, but they have fallen into disuse in this country, although they may still be found on the Wardens' columns.

Leaning against the centre pedestal are the Three Great Lights: the open Volume of the Sacred Law, to rule and govern our Faith; the Square, to regulate our lives and actions; and the Compasses, to keep us within due bounds with all mankind. To the left foreground is the Rough Ashlar, a stone rude and unpolished as taken from the quarry. In order to shape it for the intended structure, the Entered Apprentice employs the Chisel and the Mason's Maul, which are shown reposing on it. To the right foreground is the Perfect Ashlar, the stone made ready by the hands of the Craftsman. From its top protrudes a metal ring, part of a lifting device called a Lewis, another old Masonic symbol. In the centre foreground are the Twenty-Four-Inch Gauge and the Pencil, which are used by the Master to lay lines and draw designs on the Tracing Board.

Between the Pillars, in the right hand space, is a printed text stating that the Brother named (that is, you) has been regularly Initiated, Passed, and Raised. A Latin version appears in the right-hand space. In former days Latin was the language of international diplomacy, and even if you went to a land where English was not spoken, men would still know from the Latin words that you were a regularly made Mason. Latin has been used on English Craft certificates since about 1766. It was dropped in England in 1964, but we have retained it in Canada.

The year of your Initiation is entered twice. It is given as A.D., that is *Anno Domini*, "in the year of our Lord," the form of dating in general use. Before that it is A.L., that is *Anno Lucis*, "in the year of Light." This is the Masonic Era, which is calculated by adding 4000 to the Common Era. Traditionally, it alludes to the date of man's creation. It still serves to remind us that the origins of Freemasonry go back to Time Immemorial.

At the bottom, by way of authentication, the Grand Secretary has subscribed his name and affixed the Seal of Grand Lodge. You will find a full discussion of the Seal and its symbolism on pages 150-153 of *Beyond the Pillars*. In brief, it indicates that our Grand Lodge is the Canadian offshoot of the United Grand Lodge of England; that we revere the Great Architect of the Universe; that the Holy of Holies in Solomon's Temple is at the centre of our symbolism; and that we watch our ceremonies and listen to them but do not reveal them.

Your certificate is not yet complete, for it requires that you sign your name in the space provided in the margin. This space also carries the Latin words *Ne Varietur*, which mean "Not to be altered." If you find a certificate in which the signature has been altered, you must treat the man who bears it as a Masonic impostor. You will now approach the Secretary's desk and append your signature to your certificate.

Grand Historian.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the Report of the Committee on Fraternal Correspondence. We are indebted to R.W. Bro. John W. Auckland for his analysis and summary of the activities of many of the grand Lodges with which we are in amity. His task demands much time and concentration and we thank him for his dedicated efforts.

Scholarships and bursaries for post secondary education are almost universally accepted as practical expressions of Masonic philosophy by the public. Some Grand Lodges are electing to grant bursaries to those students who are financially troubled in the closing months of their final year in university. Such timing would have a greater impact because it shows our concern for young people by saving the educational life of a student.

Masonic Education is a constant concern of every Grand Lodge and its importance is stressed by all. However, it seems that many newly raised Master Masons still are not aware that there is much to learn about the Craft beyond what they see in the quick glance they get during the degree work. Efforts in this field should bring encouraging results.

The Craft has always been solicitous about the elderly, infirm and financially troubled members. It is also involved in research projects necessary to learn about treatment of many human ailments. Read Minnesota and England.

Population shifts take place for several reasons, with the accompanying stress felt by many lodges, finally resulting in amalgamations and surrendered charters. When a lodge disappears, members are disappointed and discouraged. Perhaps some more vigorous and effective planning of meetings might have saved them. We should all be an interested supporter of our own lodge and be an active participant and contributor to its welfare.

Making a Mason 'at sight' is an event that has always interested your chairman. There are many reasons given for it but the ceremony is rare. Read Montana, Vermont and New Mexico.

History has always been a thought-provoking subject. To some it is a bore, to others a meaningful study with events in relation to time. Read New Hampshire and Oregon.

In assisting lodges to reduce the number of suspensions, one action of value is reported to be a visitation with the delinquent brother in his own home, even as you

visit the ill, to encourage him and lead him to understand that he is missed by his brethren and encourage him to rejoin them as an active Mason, with a happy future. The result is usually a contented member not an irritated one.

The report of the Proceedings of the United Grand Lodge of England contains a concise statement of the criticisms of the Craft which have taken place in England with an equally concise answer to the critics. Your committee strongly urges you to read this report in its entirety for it should give you some knowledge of this area of criticism should our Grand Lodge be called upon to deal with similar ones in our jurisdiction.

The above items are a few of the concerns of our sister Grand Lodges and some suggested answers. Some of these concerns are the same as ours but others may later cause us anxiety. Your committee earnestly urges you to read all the reviews for they give us valuable information on the experiences of others upon which we may base our future action. You will be rewarded.

Respectfully and fraternally submitted,

BRUCE B. FOSTER,
Chairman.

During the past year, six lodges were consolidated into three lodges due to declining membership.

The Grand Master officiated at five dedication ceremonies, three cornerstone layings and three combined cornerstone layings and dedications.

The Grand Lodge of F. & A.M. of Alabama is concerned about Masonic Education and Public Relations within the jurisdiction as shown by the report of the Masonic Education and Public Relations Committee:

"The Masonic Education and Public Relations aspect throughout the state leaves much to be desired. The majority of our lodges do nothing to make the local communities aware of their presence or function. Many communities do not *even* know where the location of the lodges are. The majority of the delegates to Grand Lodge, in previous years, this year and unless some change occurs, in future years come with little knowledge of the issues to be decided. . .

Many have noticed the steady decline in membership as well as the harmony that existed in our fraternity over the past years. It is time we re-evaluated the tenets of our Order — Brotherly Love, Relief and Truth. When we as individuals accept a position as a lodge officer, a committee member, whether in a subordinate lodge or Grand Lodge, the main object should be to perform the function of that office for what it is intended and not some stepping stone or political power point."

From the address of the Grand Orator:

". . . the declining membership, for which we are greatly concerned, is not the problem. It is merely the result of the problem or problems. . .

What must we do? My brethren, we must get Masonry out of our lodges. We must take it with us when we leave the lodge. We must take it out into our streets and into our communities. In our daily activities, we must clearly illustrate the moral duties of our fraternity, that others may see through us, the cherished principles of our institution; those principles that will instill the warmth of contentment in all Masons who serve.

. . . A relatively young Mason chose to explain the reason for his non attendance: 'I love Masonry and I hold her principles to be very important in my life. When I was attending lodge and we were finally called upon to speak for the good of the Order, I heard some really good Masonry — stirring orations and warming testimonies of what Masonry meant to the lives of those brethren. But, after lodge was over, when we closed the doors to go home, it seemed to me that we had locked Masonry in the lodge hall. I didn't see it anywhere else. And on those nights when we had no work, we were in and out of lodge within thirty or forty minutes — it hardly seemed worthwhile to even get ready to go down to the hall. I guess I've become disenchanted and just don't see any reason to attend.'

... There are other reasons or factors contributing to the cause of our declining membership. And those factors are adversely affecting the membership of most other groups which have honorable purposes. . . We have experienced a moral and cultural decay. This, in turn, has severely weakened the traditional influence which, at one time, molded the character of our people, particularly our youth. Orderly and disciplined lifestyles have become the exceptional rather than the rule. These insidious changes have significantly altered our lives and our priorities. We as a people are seeking the shallowness of synthetic excitement instead of happiness.

... When the merited value of a stable lifestyle is realized by Masons, the membership of our fraternity will not only stabilize, it will grow again . . . My brethren, it starts with you and me. . .

As Masons, let us move determinedly forward in letting our light shine. Let us not delay, and may we ever remember that yesterday is only a dream, tomorrow only a vision, but today — today we live. If we live as we should, our yesterdays will be dreams of happiness and our tomorrows will be visions of hope.

Brethren, get Masonry out of our lodges. Get it out into the streets and roads and countryside, so the world at large may be convinced of its good effects."

During the past year two lodges have amalgamated and one lodge surrendered its charter.

The annual banquet was held Friday 14th, with 460 brethren present. The speaker was M.W. Bro. Ronald E. Groshaw, Grand Master of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

When thanking the speaker, M.W. Bro. C. R. A. Green said: "... I wish to thank you for your very thought provoking speech. It is something that we all have to think about — we all have to. . . There is no bell until you ring it; there is no song until you sing it. Brethren, M.W. Bro. Groshaw has given us a challenge, it is up to us. What can I — what can you do for Masonry? We have passed the bell; are you going to ring it? Or is it just going to sit on the table?"

The Grand Master, M.W. Bro. Green closed his address with the following words: "... the Craft is alive and well, with renewed interest coming about in many lodges. However on the other hand, some lodges appear to be lacking the spark of interest that is needed. This can be attributed to low membership, as in the case of many small country lodges. In some of the larger lodges interest appears to be lost due to poor planning in order to make the meetings interesting and also involve new members in lodge work. We must try and involve our new members, Brethren we must keep their interest.

Brethren, once again, I want to quote from Bro. Sir Winston Churchill. "Let us not quarrel with the past, lest we lose sight of the future."

The Grand Lodge of Alberta recognized the following Grand Lodges: the Grand Loja Do Rio de Janeiro of Brazil; the Grand Loja De Brasilia of Brazil; the Grand Loge Du Gabon in Africa.

The Masonic Higher Education Bursary Committee reported that it had granted forty-five bursaries and scholarships, each in the amount of \$900.00, from the Higher Education Fund. This fund is supported by donations from individual lodges and members.

The committee also reported that thirty-five scholarships were given from the Mr. and Mrs. Frank Milling Scholarship Fund. These scholarships were awarded to students in their third or final year of post secondary education.

M.W. Bro. Graves concluded his remarks after his installation with the following:

"... I also have chosen a theme, I hope that it follows M.W. Bro. Green's theme, of 'What can you (I) do for Masonry'. My theme this year is 'The Extended Hand of Masonry'. Are you one the distressed can confide in? To whom the burdened heart can pour forth its sorrow? One's whose hand is guided by justice and benevolence, or is it time for all of us to review the five points of fellowship. I would like the Craft to direct their endeavors towards that end. 'Extend the Hand of Masonry'. Our destiny lies in our hands, you are the Hope and Future of our beloved Fraternity.

In closing, Brethren, I would like to quote from a poem:

A BROTHER'S HAND

When you are feeling all downhearted
And life is hard to understand.
Say it's fine to feel the pressure
Of a Brother's friendly hand.
Just to know he sympathizes,
Though he doesn't say a word.

How it starts our courage climbing.
And our heart is touched and stirred.
With an arm across your shoulders
A grip you love to find.
Makes you feel the bounding of
The hearts of Humankind.

It's just a little token
Of an ever growing band.
Where there is faith and hope and courage
In a Brother's friendly hand."

During the past year, the Grand Master made the following decision regarding newspaper advertisements:

"It is permissible and considered appropriate for a lodge to make use of such advertisements that are designed for the purpose of placing the objects and accomplishments of the Masonic Fraternity before the eyes of the public. The ads submitted as being applicable are to be general in nature and do not include the names of individuals, names of specific Fraternal Orders, and make no solicitation of membership."

"It is permissible for a lodge, a Mason or a group of Masons to contribute to the cost of advertisements provided that the intent of the undertaking is in the interest of and for the general benefit of the Craft. Contributor's name, contributor's lodge or group are not to be identified within or associated with the advertisement."

The Grand Master, in his address, expressed his appreciation: "It is indeed unfortunate that every Mason couldn't be a Grand Master. It is an experience of which few are afforded the opportunity . . . The experience is in seeing the big picture of Masonry at work throughout the whole jurisdiction . . . Even minor successes of a Grand Master cannot occur unless there are a great number of dedicated Masons that have the spirit of Masonry at heart, that true spirit of brotherly love and affection that causes them to give their time and provide the necessary effort. It is these brethren that make Masonry a success and the Grand Master's task feasible . . ."

During the past year 6 lodges merged into 2 lodges; 3 lodges surrendered their charters — one of these lodges was over 100 years old; 5 lodges were reprimanded for not having a representative at Grand Lodge for three or more consecutive years.

In the Grand Jurisdiction of the Grand Lodge F. & A. Masons of Arkansas, the initiation fees range from \$40.00 to \$150.00 — the average being \$64.27; the dues range from \$4.00 to \$50.00 per year — the average being \$16.04.

An attempt again to lower the age for admission from 21 years of age to 18 years of age was defeated.

The Grand Lodge has no ritual procedure for moving a lodge from labor to refreshment. All that is necessary is for the presiding officer to rap his gavel once and declare the lodge at refreshment. Grand Lodge sees no need to complicate matters by making the officers learn more ritual.

From the Grand Orator's address:

"WHAT IS MASONRY ALL ABOUT? Its purpose is the same as it has been since the day when the stones of King Solomon's Temple were hewn, squared and numbered in the quarries where they were raised. It is to take an individual, just one man at a time, mind you, and as good a man as possible and try to make a better man out of him. That is all. How desperately the world needs that. The mere fact that men do not comprehend its purpose does not mean that Freemasonry has no purpose, nor is its purpose outmoded. It only means that the stones are being well hewn and squared in the quarries where they are raised.

Brethren, if Masonry is to produce better men . . . we must talk up Masonry. In the biblical account of Elijah, God was not in the wind, or earthquake, or the fire, but in a still, small voice. It is the voice of each and every Mason in this state and in the world."

From the newly installed Grand Master's acceptance speech:

"Our most important purpose is to teach Masonry to Masons. Our mission is to educate our members about the organization which they have joined. We must stop treating new members — the newly-raised Master Masons — as a finished product. He is just ready to begin to learn about Masonry. When a Mason errs, we must take part of the blame for not teaching him what his obligation means, and how a Mason should conduct himself in the world in which we live.

Every meeting of our lodges, where no degree work is done, should have some kind of program that teaches Masonry. . . If members learn something when they attend lodge they will want to come back. . . without this the lodge meeting is like a church service without a song or a sermon. . . Attendance is the best indicator of the vitality of a lodge. The more members attend, the greater the interest and involvement in the affairs of the lodge. If you see a lodge with good attendance, you will see a lodge that is getting petitions. . . The only solution to solving the problems of Masonry is the revitalization of our lodges through dedication to the task of making Masons out of members.

If the voice of Masonry is to be heard throughout the land, we must first make it heard in our local lodges and communities."

Grand Master M.W. Bro. E. Arthur Haglund elected and installed

During the past year, 19 lodges were consolidated into 9 lodges and 1 lodge had its charter revoked. Four lodges under dispensation were granted their charters.

Over the past five years the number of lodges has dropped from 656 to 618 and the total membership has dropped from 202,027 to 184,300. The loss in membership has been less this year than in previous ones.

The Grand Lodge Library was the recipient of a Bible printed in 1669 in the French language. There are only three known copies of this issue in existence today.

It was agreed at this communication that a special division of the Grand Lodge of California be created consisting solely of the lodges of Hawaii. This division would have the appropriate number of Inspectors and an assistant Lecturer. The edict, by a previous Grand Master in 1971, prohibiting any activity on the part of the Masons of Hawaii in the formation of a Grand Lodge was still in force. This edict was terminated and fifteen representatives of the Hawaiian Lodges are to meet and consider the formation of a Grand Lodge of Hawaii.

A Lodge Disaster Fund has been formed. This fund is to help lodges in emergencies such as destruction by earthquakes and other natural disasters. The fund will receive donations from lodges and members.

Concern was expressed about the present funeral service that is being used and the manner in which it has been presented. Now a brother in the jurisdiction of the Grand Lodge of California must be certified in order to perform the funeral service.

The 30th Annual Communication of the Grand Lodge of China was held in the China Masonic Temple in the City of Taipei, Province of Taiwan, Republic of China. There were 63 Masons present, 14 Grand Lodge Officers, 8 Past Grand Masters, 15 Delegates and 26 representatives. All but one of the 7 lodges were represented. The lodge not represented has only 2 members.

The Grand Lecturer reported that the uniformity of the ritualistic work was improving. No Lodges of Instruction had been held during the past year but he had attended many rehearsals of individual lodges. This proved to be an effective method of teaching the younger officers how to perform their respective parts in the degree.

The lodges in China are bilingual using English and Chinese.

The lodges have the same problems as lodges in other jurisdictions. There is a need for competent leadership. A constant guidance in the administration of the lodges as well as in the ritualistic work is needed. There are enough capable senior members to aid and fit in, if they are sincerely approached and earnestly recruited.

The Charity Committee used NT\$39,000 for charity purposes. The largest amount to one person was NT\$20,000 to the widow of a brother.

The Scholarship Committee awarded four scholarships of NT\$4,000 each to students continuing their education. One was to a student studying for his Doctorial Degree in Accounting at the University of Texas.

Amity Lodge No. 1 has donated a sum of money to the scholarship fund so that each year a scholarship may be given to a student attending the St. John's Technology Institute, in the name of Brother William Z. Sung, a beloved member of that lodge who has passed on to the Celestial Lodge Above.

"The blanket dispensation to the Connecticut lodges to cancel lodge meetings in January and February was issued in deference to energy savings. This dispensation is not mandatory and should be exercised with great care."

"The efforts of the Retention Committee show positive results, with those being dropped by N.P.D. and those demitting, at the lowest rate in many years."

"I would urge each lodge to contact those sojourning Masons in their area to inform them of the fact that without affiliation with a Connecticut Blue Lodge, they or their widows or wives are ineligible for consideration to Wallingford or a satellite home under our present Masonic Charity Foundation regulations."

The Masonic Community Stewardship Committee reported that many of the Connecticut lodges had adopted a program for Masonic widows and also for visiting members who had reached the age of seventy years.

The widow program is where the lodge presents to the widow of a brother the Connecticut Widow's Pin, the "broken column". This program lets the widows know that they are still thought of and the brethren are really concerned about their welfare.

The group that visit members 70 years of age and older, who are unable to attend lodge on a regular basis, is referred to as the "Sunshine Committee".

The Retention Committee has put together a package for distribution to lodges. The package contains: 1. Sample dues collection letters; 2. Dues collection procedures; 3. Sample instructional programs; 4. Past N.P.D. follow up; 5. Past demit follow up.

ENGLAND — 1985

Annual Investiture — April 24

Quarterly Communications: March 13, June 12, September 12, December 12
Grand Master M.W. Bro. The Duke of Kent, G.C.M.G., G.C.V.O., A.D.C. presiding
Lodges 8,222 — London, 1,681; Provincial 5,764; District and Abroad 777.

Address by the Grand Master at the Quarterly Communication of March 13:

Brethren, when I suggested last April that we should do more to prepare ourselves to explain the Craft to people who might be genuinely interested in it, I did not foresee the surge of public interest in Freemasonry which was to develop later in the year. This arose first from the publication in September of draft advice to the Metropolitan Police. I was glad to hear that the Pro Grand Master had been assured by the Metropolitan Police Commissioner that promotion in the force would continue to be on merit, unaffected by whether or not an officer was also a Freemason. My only regret is that the assurance was not given more publicly . . . In my belief Freemasons ought to have just the qualities that good policemen need, and what I have said applies with equal force to those working for local authorities.

I note that the General Synod of the Church of England has followed the Methodist Church in inquiring into the compatibility of Freemasonry and religion. I hope that those inquiring will be brave enough to be open-minded. Assuming this, I am confident that Freemasonry will emerge better understood as a supporter of religion, whatever praiseworthy form the religion takes. . . there is another aspect of criticism of the Craft, not confined to laymen, which we might sensibly heed. . . the penalties of our obligations; I voiced my reservations in Grand Lodge in 1979. The debate in Grand Lodge resulted in the introduction in many Lodges of permissive variations, referring to penalties as "traditional." We all know that the penalties are symbolic and that they are never inflicted. It seems to me that it would not be very radical and would not in any way affect the meaning of the ritual, if the penalties were removed entirely from the obligations and treated as a form of traditional history.

. . . What else can we do to avoid further criticism? In theory the answer is very simple; the practice, as so often, may be more difficult.

It goes without saying that we should be more careful in our own conduct, so that we do not bring the Craft into disrepute. . . we should seek to ensure that Freemasonry is seen to be taking its place in the community. The giving of money to non-Masonic charity is part of this — an important part — but I should like to see Freemasonry play a more important and active role, so that the

beneficial and happy effects of our brotherhood may be more publicly visible.

This past year . . . a demanding one for the Craft at all levels and while the unusual degree of public interest in our affairs may not have been entirely welcome, I doubt whether it will prove to have done us any harm. On the contrary, by making us re-examine our aims and purposes, particularly our attitude to giving information about the Craft, I believe its effect will be beneficial . . . the leaflet "What is Freemasonry" is extremely helpful . . . the forthright, clear and dignified exposition given by the Grand Secretary in a recent radio interview.

The Grand Master was not present at the Annual Investiture ceremonies on April 24th. The M.W. Pro. Grand Master, M.W. Bro. The Rt Hon. Lord Cornwallis, O.B.E., D.L., who had been re-appointed by the Grand Master, presided and invested the Grand Officers.

In his address, he stated:

"The change in the Board's policy about public relations will mean . . . we will not always be successful in explaining Freemasonry, but at least we know that the subject is worth explaining. . . the Board of General Purposes have already begun discussion of the penalties.

Lifeboat 'Duchess of Kent'

The fifty-two foot Arun class lifeboat 'Duchess of Kent', acquired by the Royal National Lifeboat Institution after a gift of £300,000 from the Grand Lodge's Fund of Benevolence, continues to form part of the institution's relief fleet, which means that she is likely to be stationed anywhere on the coasts of the British Isles as a front-line relief for boats that are being refitted or repaired. Since December 1982 she has been based at Campbeltown on the west coast of Scotland, but she will soon be transferred to Port St. Mary in the Isle of Man.

Public Relations

Metropolitan Police:

There is no question of Police Officers in the Metropolitan Police Force being required to resign because they are Masons. Promotion within the force would continue to be on merit and merit alone, totally unaffected by whether officers were Freemasons or not.

Leaflet:

The leaflet 'What is Freemasonry' was published in December and every member of the Craft was given a copy. There is no reason why the leaflet should not be shown to nonMasons. It is intended to be used as an aid when explaining the nature and principles of the Craft to someone who is genuinely interested and not as a handout to the general public.

Relations with the press:

The former prohibition on comment on Masonic matters to the press or the general public has been relaxed. The Grand Secretary only is authorized to answer questions on Masonic matters. Other brethren should avoid public discussion of Freemasonry.

Membership of the Royal Arch

The brethren are reminded of the terms of the Preliminary Declaration to the Book of Constitutions, that the Master Mason's Degree includes the Supreme Degree of the Holy Royal Arch; and that they should be encouraged in their lodges to complete their Third Degree by seeking exaltation in this degree in a Royal Arch Chapter. This step may be taken as little as four weeks after the third degree and should be done by the time the brother has completed three years as a Master Mason.

Attendance at Overseas Lodges

From time to time brethren become involved with Masonic bodies which Grand Lodge does not recognize as regular, e.g., in visiting a jurisdiction which, quite legitimately as far as it is concerned, accepts brethren from Grand Lodges which are not recognized by the United Grand Lodge of England. In this connection, brethren are reminded that it is part of their duty as members of the English Constitution not to associate Masonically with members of unrecognised Constitutions, and should such a situation occur, they should tactfully withdraw, even though their visit may have been formally arranged.

To avoid this danger, and potential embarrassment to hosts, they should not attempt to make any Masonic contact overseas without first checking, preferably in writing, with the Grand Secretary's Office. Brethren should be aware that Masonic convention dictates that communication between Grand Lodges be conducted by Grand Secretaries.

The United Grand Lodge of England recognised the Grand Lodge of Japan which was founded in 1957 under the Grand Lodge of the Philippines.

The M.W. The Grand Master approved the introduction of a jewel to be worn by the Prestonian Lecturer and a variant of the jewel to be worn by Past Prestonian Lecturers.

Grants to Masonic Charities of £10,000 each:

Liverpool School of Medicine—£20,000 for research on tropical diseases for ex-prisoners of war.

Royal College of Nurses—£40,000—a grant toward the production of a film "As One Door Shuts," a film to help to improve communications between the elderly and those who come in contact with them.

The Grand Secretary's Discretionary Fund was replenished with £10,000.

The British Red Cross was given £20,000 towards relief of the famine in Africa.

The Grand Lodge of India was given £5,000 towards the recent disaster at Bhopal.

During the past year warrants were granted to lodges numbered 9116 to 9154. Two of these lodges are in Newfoundland, Lodge No. 9131 Pillars Lodge of Installed Masters, Corner Brook, Bay of Islands, Newfoundland and Lodge No. 9145 Unity Lodge of Installed Masters, Gander, Newfoundland. Two lodges surrendered their warrants. These were both overseas lodges.

During the past year there were 14,599 Grand Lodge Certificates issued, 1,005 less than the year before.

The largest lodge in the Grand Lodge of Georgia has 1,042 members. The smallest lodge has 14 members. The average membership per lodge is 188 members.

During his year in office the Grand Master presided at five cornerstone layings for Masonic Temples, one cornerstone laying for a state building, three dedications of lodges, one constitution of a new lodge and one Past Grand Master's grave marker dedication.

Outdoor meetings are popular in Georgia. The most popular are — the Rock Quarry meeting which was held August 24 and 25 where the Master Mason's degree was conferred on two candidates; and the Piney Woods meeting June 9 where a Master Mason's degree was exemplified.

The Grand Lodge of Georgia has a continuing program of erecting stone Masonic Markers at the grave sites of their deceased Past Grand Masters. The markers contain an engraved Grand Master's seal and the year or years he served. The stones are being erected as quickly as the Grand Master can dedicate them.

The Masonic Board of Relief is responsible for providing for the needs of the less fortunate, ill and/or indigent brethren, their wives, widows or orphans as their needs require and the funds permit. The board attempts to encourage the brother's lodge to assist on a 50/50 basis. If this is not possible the lodge is asked to contribute the most it can because no brother has been denied assistance. Each case is reviewed every three months to see if the need exists still or if additional assistance might be necessary.

One of the main charities of the Grand Lodge of Georgia is the Masonic Home of Georgia. This home houses children of Masons and nonMasons. This past year, of the sixty children in the home, twenty-one were Masonic children and thirty-nine were nonMasonic children.

The children range in age from six to eighteen. Those who go on to higher education are still under the control of the home. A caseworker is hired to investigate cases referred to the Board of Relief which oversees both the home and Masonic relief. She checks each active case every three months. The Masons operate a camp in conjunction with the school. The members of one of the local lodges and Chapter of the Order of the Eastern Star provide picnics for the children at the camp throughout the summer when the camp is in operation.

Each year there is the Annual Masonic Home Alumni Homecoming weekend. There is always a good attendance, with former residents coming from all parts of the United States to attend. The Grand Master always attends this annual event. It is one of the highlights of his year in office.

The Grand Lodge Officers were installed at a public installation. The newly installed Grand Master, M.W. Bro. Walter W. Thompson, Sr. asked that the brethren of Georgia be more visible to the public. This can be done by Masonic funerals, well prepared and done in a dignified manner and with great skill; by sponsoring little league baseball; by cornerstone layings and dedications where nonMasons are invited; and by taking part in processions and parades. He also encouraged a lodge building improvement program. Outside and inside repair and beautification of buildings and grounds. Make the lodge building a place of beauty not just another vacant building.

The Grand Master in his address on the state of Masonry in the State of Idaho reported as follows:

“Basically the Craft in Idaho is in good shape and seeking ways to better their lodges and improve the charitable image of Masonry before the people. The image of Masonry in Idaho and the visibility of our lodges has definitely advanced this year. Many of the lodges have a long way to go but many are on the right track.

It is time we quit hiding the facts and learn to face the problems directly. A high percentage of Masonry's problems are internal and until we recognize and admit this fact, it will be impossible to make much improvement on our image before the world.

Those lodges and the brethren who are enthusiastic and willing to look for a better way to apply the valuable tenets of Freemasonry to an ever changing human environment will continue to have generations ready to step in and guide Masonry for the future.”

The lodges were again reminded that adequate funds are available for the assistance of distressed members and their dependents. It is the duty and responsibility of the lodges to seek out the unfortunate Masons and their dependents, make the necessary investigation and file for assistance.

The brethren were also reminded that the funds set aside by the Grand Lodge are for relief and for assisting the lodges in the support and care of indigent members and their dependents. It is not intended to relieve the lodges of their responsibility in taking care of their own members if they are able to do so.

The Grand Lodge of Indiana has under its jurisdiction Special Purpose and General Interest Lodges.

Special Purpose Lodges are created for the purpose of (1) conferring degrees upon physically handicapped petitioners; (2) conducting funerals of sojourners; (3) hospital visitation; (4) promoting and management of a blood bank; (5) Masonic study and / or research and such other worthy programs as may be deemed appropriate for a lodge of Master Masons.

Common Interest Lodges are composed of members with similar interests. The membership of such a lodge could be made up predominantly, though not totally, of brethren of the same profession, trade, business or other occupation, or brethren interested in the same hobby.

During the Annual Communication of Grand Lodge, the Scottish Rite of Indianapolis Foundation presented a gift of \$50,000.00 to the Indiana University School of Medicine for research purposes. This was the 18th annual gift, bringing the total of such gifts to \$650,000.00. All gifts were made in the name of every Mason in the State of Indiana.

On March 30, 1985, over 1,000 brethren assembled in the Indianapolis Scottish Rite Auditorium to witness the Master Mason Degree exemplified by a cast from Dalhousie Lodge No. 52, Ottawa, Ontario, Canada. The cast was composed of uniformed members of the Royal Canadian Mounted Police.

Among the decisions of the Grand Master are the following two:

1. "It is ^{not} possible to man a booth at a fair for the purpose of telling visitors to the booth about Masonry."
2. "It is not proper for lodge officers to wear, at lodge functions, lodge name tags that bear emblems of appendant and sponsoring organizations in addition to the square and compass."

The Grand Secretary is concerned about suspensions for N.P.D. He said: "We are doing our best but WE MUST TRY HARDER. You should appoint a special task force of considerate members to contact all delinquent members and encourage them to pay their dues. The word is COMMUNICATION. You must show that each member has a contribution to make by his presence at lodge and you MUST get that point across or are they too wrong in questioning their value to their lodge?"

The Grand Master had appointed a task force from among the Long Range Planning Committee to study four aspects of the Masonic Environment — the social, economic, political and technological environments.

After hearing reports from the Task Force, the committee set for itself the following goals:

Masonic Image: How a Mason perceives himself and his brother Masons, and how the outside world perceives Masons and Masonry are of the utmost importance.

Masonic Light: Fundamental to being a Mason and developing and maintaining an appreciation for the history and fundamentals of the Fraternity is a sound system of Masonic Light.

Masonic Brotherhood: The committee will study the feasibility of developing 'network' lists of Masons in Iowa with common interests so Masons with common interests could become acquainted with and help each other.

Masonic Membership: The quality and number of Iowa Masons is vital.

Finances: The committee plans to try relating Grand Lodge and lodge finances to the economy and indexing them every few years.

Data Processing: Using this to improve record keeping.

Time Table: These goals should be achieved by 1990.

Implementation: Carry all these out by regional meetings.

IRELAND — 1984

Quarterly Communications — March 1, June 7, September 6, December 27
 Special Communication — November 3

Most Hon. The Marquess of Donegall M.W. Grand Master

The June and December Communications were held at Dublin

The March Communication was held at Munster

The September Communication was held at Holywood, Co. Down

The Special Communication in November was held to hear the report of the Grand Master's Committee on Charity which was considered and approved, in principle. A steering committee was set up to guide the implementation of the recommendations.

At the Annual St. John's Meeting, held in 1984 on December 27th, it is customary to take up a special collection which is allotted, at the Grand Master's discretion, to charitable causes outside the Order. The collection amounted to 295 pounds and was to go to the two lodges in Bhopal, India to be used to help the victims of the recent disaster.

At the meeting in March, at Cork, in the Province of Munster, it was brought to the attention of those present that Freemasonry in Ireland started at Cork; having been brought there from Bristol, England early in the eighteenth century. The Province of Munster still works a ceremonial which is different from the rest of the Irish Constitution.

At the June meeting at Dublin, there were in attendance the Grand Master of the Grand Lodge of Belgium, the Grand Master of the Grand Lodge of Luxembourg, the Deputy Grand Master of the National Grand Lodge of France and a Past District Deputy Grand Master from the Grand Lodge of Massachusetts.

The autumn meeting is usually held at Belfast, but in 1984 the meeting was moved to Holywood, in County Down. Welcomed at that meeting were two centenarians. Both had the honorary rank of Past Grand Standard Bearer conferred on them.

The Grand Lodge of Ireland is proposing an increase of dues from three pounds to six pounds. One pound of this increase is to be transferred to the Fabric Fund. This fund was started with the object of helping lodges, by way of grants and loans, to improve their meeting halls.

Glittering Star Lodge No. 322 is one of the remaining travelling lodges under the Irish Constitution. It is a military lodge associated with the Worcestershire and Sherwood Foresters Regiment. Recently there have been doubts whether a regimental lodge could operate under present circumstances and particularly if there were any possibility of a war. As a result of much discussion, it was decided to continue the lodge if officers are available to man the lodge.

The St. John's Day meeting in December attracts a large gathering of brethren from all over Ireland.

After the installation of the new officers, the Grand Master delivers the traditional Grand Master's review of Irish Masonry during the past year.

In his address the Grand Master referred to the adverse publicity that Masonry is receiving:

"During the past year there has been some publicity in the press, regarding the Masonic Order and why people should not join it. Our policy is and always has been to ignore these attacks which occur with regularity over the years. . . This year's spate of letter-writing was sparked off by the controversy about the Metropolitan Police in London. . . but it spread, albeit in a small way, and quite predictably, to our provinces in

Northern Ireland. . . We live in what purports to be a free society within which you cannot have a situation whereby some people are to order their own lives and others cannot. Policemen should be able to join the Masonic Order as are men of other professions. . . Our doors are open to all — in considering candidates we do not take notice of occupations but of their characters. This is what matters and this will always be the case.”

During the past year the Grand Master attended the Installation Communication of the Grand Lodge of Belgium and the Sixtieth Anniversary of the Grand Lodge of Finland.

The Deputy Grand Master visited lodges in the West Indies and Bermuda.

The Grand Steward of Charities visited lodges in Japan, New Zealand and Singapore.

The Grand Lodge of A.F. & A. Masons of Ireland consists of ten Provincial Grand Lodges in Ireland and six Overseas Provincial Grand Lodges.

There are also six other Masonic Lodges in Japan, one under the United Grand Lodge of England, one under the Grand Lodge of Massachusetts, two under the Grand Lodge of Scotland and two under the Grand Lodge of the Philippines.

Of the eighteen lodges of the Grand Lodge of Japan, eleven meet in Masonic Halls outside U.S. military bases, four in on-base lodge halls and two lodges hire a hall in their own town whenever they meet.

The new Temple in Tokyo is operated by the Zaidon Hojin Tokyo Masonic Association. This building is used by four Craft lodges, three operating under the Grand Lodge of Japan and one under the Grand Lodge of Massachusetts.

The Grand Master is concerned about the loss in membership and the increasing cost of operation. Because of these two factors the per capita dues have been increased.

The Grand Lodge holds, each year, the “Masonic Childrens’ Festival” during May in the Masonic Centre in Tokyo. The function of this is to entertain and encourage the unfortunate children. This is a most successful public relations activity.

The lodges are very active in community benevolent work. One lodge held a Christmas party for the blind and handicapped and took two fatherless children for a three-day tour of an industrial exhibition, another lodge held a barbecue for the school for the blind and handicapped, and another donated money for flood victims and to a boy scout activity, and another lodge participated in an annual benefit for the handicapped.

In the lodges under the Grand Lodge of Japan, no member is charged with dues until he has been raised as a Master Mason. No Entered Apprentice or Fellowcraft is considered to be in arrears for dues at any time.

During the past year nine Emergent Communications were held:

Two for the purpose of laying the cornerstone for new lodge halls.

One for the purpose of constituting and installing the officers of a new lodge.

Four for the purpose of laying the cornerstone and dedicating new lodge halls.

One for the purpose of dedicating a new Masonic Temple.

One for the purpose of laying the cornerstone of a United Methodist Church.

The Grand Master, in his address, commented on the state of the Order in the State of Louisiana with these words:

“Masonic leadership is the art of changing a lodge from what it is to what it should be. In many other Grand Jurisdictions there seems to exist a tendency by their Masonic Leadership to maintain a status quo; however the Masonic Leadership in Louisiana does not fall into this category. It has been said that nothing is as permanent as change, and progress demands change. The many changes . . . have produced excellent results . . . will prove to be even more beneficial in the future.”

At the world's fair held in New Orleans during 1984, the Grand Lodge of Louisiana operated the “Masonic Hospitality Suite.” It was an outstanding success. During its operation the Masons of Louisiana welcomed many brethren from other Grand Jurisdictions. They have received many letters and cards expressing appreciation for their hospitality.

The Grand Lodge of Louisiana operates the Masonic Home for Children. At present there are thirty children living on the campus and attending public school, four who are attending college or vocational school and one preschooler.

These children are entertained each year by the Masons with circuses, outings, special dinners, bar-b-ques, wiener roasts and a Christmas party.

The Masonic Home Educational Foundation Inc. which operates in conjunction with the Masonic Home for Children is presently assisting seventy-nine worthy and deserving students with grants of \$1,000.00 each. The foundation also issued 50 grants amounting to \$30,900.00 to assist students in their education. The grants ranged from \$267.00 to \$1,000.00

During the past year 36 lodges reported a gain in membership, 148 reported a loss in membership and 16 remained the same.

From the Grand Master's address:

"The word 'Solicitation' has always had a bad name in Masonry. I have searched the constitution, standing regulations and digest of decisions and can find no reference to this word. I have come to the conclusion that it is a custom and not a law. None of the landmarks adopted by the Grand Lodge of Maine contain any reference to this subject. It is my decision that there is no objection to a neutrally-worded approach being made to a man who is considered to be a suitable candidate for Freemasonry. After the procedure for obtaining membership in a Masonic Lodge is explained, the potential candidate should be left to make his decision and come of his own free will and accord. Neither shall it be unlawful for the Mason to remind the non-Mason of the offer, but if no favorable response is made to the offer and the reminder, no further offer shall be made to the non-Mason.

A lot of education will be required and it is not our purpose to stop every man on the street and explain the procedure for obtaining membership. We want to talk to men who are already Masons at heart."

During the past year there were two Grand Lodge tours. One to Switzerland and one to the Island of Margarita off the coast of Venezuela.

The Grand Lodge of Maine reached an all time high in giving out Masonic Relief this past year, to the amount of \$130,700. The total of Masonic Charity in the United States is over one and one-half million dollars per day. This is in addition to the work done by the Shriners with their Hospitals for crippled children and Burns Institutes.

The Grand Lodge Charity Fund received 60 applications from 49 lodges. The grants paid out varied from \$200.00 to \$7,500.

Since the Grand Lodge was founded in 1820, \$2,314,355 has been paid out in relief. In addition, lodges have paid out a total of \$1,306,120 from their own funds.

The District Deputy Grand Masters in their reports made many suggestions and recommendations. Following are some of those suggestions:

- that each new member be requested to learn "The Tyler's Oath"
- that Lodge Secretaries be informed to notify other bodies when a member has been suspended for non-payment of dues.
- that there be more active participation in Masters' and Wardens' Associations
- that a fund be set up by Grand Lodge for all poor and distressed lodges to draw from at low interest, for major repairs to their Temples.
- that lodges be advised to review their property insurance to make sure that there is adequate coverage.

- that the under-utilized Past Masters should be organized and used for specific duties.
- that there be a simplified explanation, spelling out charity expectations, regulations and procedures.

The Committee on Fraternal Relations recommended the Grand Lodge of Bolivia be recognized by the Grand Lodge of Maine and an exchange of representatives be made.

The Grand Secretary reported that suspensions for N.P.D. have substantially decreased since the introduction of the C.O.M.E.L.Y. program (Call On Masons of Each Lodge Yearly).

The Benevolence Committee assisted a 40-year old non-Mason who had suffered a brain stem stroke which had practically immobilized him from the neck down including his voice. This assistance was in the form of computer equipment which allowed him to communicate using Morse code. This code was then translated into understandable language. They also provided him with an electric wheelchair.

The Grand Lodge sponsored three performances of "Mozart's Magic Flute" by the Winnipeg Symphony Orchestra and the Manitoba Opera Society.

The Manitoba cancer project is a success. Approximately 80 Masonic brethren offer their services as volunteer drivers, not only to drive the Masonic-owned vehicles, but use their own cars to transport cancer patients to treatment centres.

For this volunteer program, the Freemasons of Manitoba received in 1984 the Provincial Award of Merit from the Manitoba division of the Canadian Cancer Society and in 1985 they received the same award from the national headquarters of the Canadian Cancer Society. In 1985 the Volunteer Cancer Drivers received the City of Winnipeg Mayor's award for outstanding volunteer service to the community.

MEXICO — 1985

York Grand Lodge of Mexico

123rd Annual Communication — March 8, 9

Grand Master M.W. Bro. Guy Peter Kruse presiding
Grand Master M.W. Bro. Hans W. Asmus elected and installed

There are 13 lodges under the jurisdiction of the York Grand Lodge of Mexico. One of these is under dispensation. It does not state in the proceedings the total membership of the York Grand Lodge of Mexico but the Grand Secretary reported

that there was for the first time in many years an increase in membership of 32 members and during the past year there were 56 initiations. 15 of these were in English-speaking lodges and 41 in Spanish-speaking lodges.

The Grand Master requested that the Master of each lodge have at least three Lodges of Instruction during the year dedicated to Masonic Education.

He also created a new committee for the purpose of public relations. He felt that these should operate in order that the profane world could be aware of the work and that they could receive in good faith the true information regarding the Craft.

The new lodge under dispensation has 50 members and it is working well.

On his only visit outside of Mexico, the Grand Master visited the Installation Ceremonies of Redwood City Lodge in Redwood, California.

The Grand Master visited every lodge in the Grand Jurisdiction officially at least once; some lodges were visited many times.

The Grand Master reported on each of his official visits to the lodges. Following are some of his comments:

"I am happy to report that although the future of this lodge looked grim in the past, and much fear existed that this oldest lodge would have to surrender its charter, new blood and enthusiasm has been injected . . . the future of the lodge is guaranteed.

"My Mother Lodge, after some years of crisis, has been able to surmount its problems . . . the quality, efficiency and standards of work have been maintained."

"Some serious problems arose in the affairs of the lodge . . . brotherly love and friendship has been awakened . . . will remain as a guide for the future."

"This lodge, suffering from the lack of English-speaking members has maintained a good spirit among its members and the work is of high quality. . . convert this lodge into a bilingual or English-Spanish speaking lodge."

"This lodge is progressing . . . will sustain the other Spanish speaking lodges."

" . . . unless very strenuous work is carried out with this lodge, and constant support is given, it could easily happen that this lodge may have to render its charter."

"This lodge continues to improve with the help of two other lodges. We hope that their efforts meet with success."

"We are able to ascertain the improvement and growth of this lodge."

It was agreed that English would continue to be the official language of the York Grand Lodge of Mexico. Spanish and other languages may also be used.

The newly-installed Grand Master, M.W. Bro. Hans W. Asmus, closed his acceptance speech with the following words:

"Our ritual has beautiful words of brotherhood of man under the fatherhood of God and indeed we have the privilege to have the highest possible ideals you may find under the canopy of heaven. Yet, let each of us ask himself:

AM I REALLY LIVING UP TO THEM?
AM I LIVING AND ACTING IN PRACTICE THE SAME WAY
OUR TENETS SUGGEST?

Or might people say (like the ancient Chinese philosopher Confucius):

“DON'T LISTEN TO WHAT HE IS SAYING
BUT LOOK AT WHAT HE IS DOING.

So mote it be.”

The Minnesota Masonic Home, a separate corporation created in 1906 to meet those claims of charity which cannot be met in the ordinary way by help in private homes; that charity which Masonry has always inculcated and declared as the duty of man, has 277 residents — 80 men and 197 women, including 27 married couples. The average age is 85.32 years and the average length of residency is 5.33 years.

The home consists of the main lodge and the care centre. At present there is space available in the main lodge but there is a waiting period of eight months for admission into the care centre.

Twenty-five years ago the Masonic Cancer Centre was opened. This Centre has earned both national and international reputation in teaching and research. The faculty of the Centre have participated in scientific cancer programs in many countries.

Dr. B. J. Kennedy directs the educational program in Medical Oncology, supervises the Medical Oncology Service and Clinic for care of patients with advanced cancer and leukemia. This now includes ten faculty and four research assistants. During the last year 72 resident physicians and 24 medical students received direct supervision and teaching.

From the Grand Orator's Address:

“... We have within Freemasonry the possibility of being one of the strongest and most dynamic moral forces in the world, but only to the extent that we

unstintingly give of our service and our treasures to the world. As Freemasons, we must seek light, then dispense it to our brethren so that they, too, may reflect that light, not merely within our lodges, but more especially within our lives, so as to illuminate the world in which we live. God knows the rolling clouds of darkness caused by man's inhumanity to man, constantly cloud our vision. But we are constantly called upon to help relieve humanity that suffers in the dungeons of ignorance, selfishness and vice. It is our duty to proclaim liberty to the captives of the world — the captives of self-indulgence and vile thinking. After all, the imprisonment of the body in a cell is nothing compared to the incarceration of the human mind in ignorance. The darkness of a dungeon is little compared with the blackness created by prejudice, hatred, and vicious principles. Today we are called upon to wage war that will emancipate the human mind and the human spirit.

We should show by our character and action, as a fraternity and as individuals thereof, inspired by the general teachings of the fraternity, that we are examples of good citizenship, and that we are men who will refuse to compromise with those forces that seek today to destroy the church, the home, the schools, the court and even the great government of principles that protect our Brotherhood. Let us all — Mason, Lodge, and Grand Lodge alike — continue to strive for nobler actions, higher thoughts and greater achievements . . .”

From the Grand Master's address: "State of the Craft and comments . . . the state of the Craft is the same as the last few years . . . loss of membership continues . . . but let's not dwell on that. Let's look forward to what we can do in the future. . . we are making progress, slowly but surely. If we continually say that Masonry will and can reverse this trend, this decline in membership and gain the respect of the general public, believing this and working towards this goal, it can be accomplished. Brethren, get rid of the negative attitudes and take a positive attitude . . . I find signs of reawakening in Masonry. . . if Masonry is to prosper and grow it must be visible and desirable to the general public . . . This is where the members come from. It is our duty to practice the principles of Masonry in our lives so that our light may shine for others to see. . . the general public must know what we stand for, who we are, what we do, where we meet, what we are against and how to become a member.

What have you done to promote Masonry this year? Did you visit the sick? Have you helped lecture a candidate? Have you checked on any of the Masonic widows and their welfare? Have you assisted or carried an elderly brother to lodge? Have you visited other lodges as well as attended your lodge regularly? Think carefully, Brethren — if not, why not? . . . Can you explain satisfactorily what Masonry is and is not, to those that may ask? . . . Something visible encouraged you to become a Mason — is that image still present for others to see today? If not, why not?

I challenge each of you to do something visible in your community to promote Freemasonry. The state of the Craft depends on you and me. Are you willing to accept the challenge?"

The following question was asked of the Jurisprudence Committee of the Grand Lodge. The Question: "Is a brother who has committed suicide entitled to a Masonic burial?"

The Answer:—"Our laws do not forbid the burial with Masonic honors of a brother who has committed suicide.

As early as 1877 the Grand Lodge determined that a lodge may bury one of its members who has committed suicide, providing the brother is in good standing previously and does not bring on his mental aberration by dissipation or some other immoral cause.

The lodge should always judge the circumstances under which the act was committed, and exercise prudent discretion.

From the Masonic Blue Lodge Textbook, "... let us cast around his foibles, whatever they may have been, the broad mantle of Masonic Charity, nor withhold from his memory the commendation that his virtues claim at our hands."

From the address of the Grand Orator:

"... we as Freemasons, are fairly aware of the important place Freemasonry holds in the world not only because its membership exceeds that of any other fraternity. More important than its numbers is the recognition given Freemasons by millions who are not Freemasons. We as Freemasons understand why this attitude exists. We know, that among other things, the explanation points to the quality of our membership, what is being done for the welfare of mankind by our members and what Speculative Freemasonry with its unalterable landmarks, its teachings and lessons has meant over the centuries.

We should so conduct ourselves that to those in the community the fact that one is a Mason will be an avouchment of his honesty, his integrity, his temperance and his decency.

The basic function of a Masonic Lodge is to make Master Masons. . . The making of a Freemason consists of applying the lessons taught in the degrees in our daily life. . . character is the greatest of human traits . . . character is what we know of ourselves. We make our own character and mould it. . . As a Mason, a person should be known as an honest, truthful, just, charitable, tolerant and merciful man in his personal and business life.

No other fraternity offers such profound lessons in its ritual of work as does Freemasonry. Each word and each act in the ceremonies of the lodge carries a true lesson to each of us if we will but open our eyes and see, our ears and hear and our heart to accept. If we sow well, we will reap well."

The Truman Medal is awarded by the Grand Master to individual Masons for distinguished service to the Fraternity. The medal is bronze, one and one-half inches in diameter, suspended on a plain dark blue ribbon, to be pinned on the left breast. The first recipient of the medal was R.W. Bro. John Black Vrooman.

The Grand Master and members of Grand Lodge were present at the cornerstone laying of the new Truman Office Building in Jefferson City on May 19th.

M.W. Bro. Harry S. Truman was Grand Master of Missouri in 1940-41.

From the Grand Master's address:

"The state of the Craft is good and bad; good, in the fact that we had a significant number of active, enthusiastic brethren; and bad, in that we have too many dropouts and also suspensions for N.P.D. While we are bringing new members in sizable numbers, these numbers are not nearly in proportion to the men available in the younger age brackets. Some say this is due to the general decline of morality in our society. Certainly there has been a great change in lifestyles. Also the grim reaper has continued to take a heavy toll each year. The net result has been a disturbingly regular drop in our membership."

"Improving the image of Masonry should be a continuing objective. Thinking optimistically will, of course, eliminate pockets of negativism that exist. Changes should be considered. Not change for the sake of change, but change for the betterment of the Craft for the rest of this century and beyond. Personal conveniences must be set aside and the good of the order be held uppermost in our decisions. Any changes are not to infringe on any landmarks of Masonry and need not lay aside traditions. They must be evolutionary and not revolutionary." (From the G.M.'s address).

In February, the Grand Master made a retired engineer, who was blind and who thought it was too late to become a member of the Fraternity, a Master Mason at sight.

Authorization was given to seven lodges to hold outdoor meetings. These meetings were held on ranches and one was held on Mullan Pass, northwest of Helena,

the site of the first known meeting of Masons in Montana. The Grand Master attended several of these meetings.

At his installation as Grand Master for 1983, M.W. Bro. William M. Brass was presented with a ring that had been worn by all the Grand Masters since 1887. The ring was presented to the Grand Lodge by M.W. Bro. Samuel Ward who was Grand Master of the territory of Montana in 1887. It is fashioned out of native gold mined from the hills of Montana and at the end of his term of office M.W. Bro. Ward presented it to his successor to be used as a personal seal and to be transmitted in endless succession from one Grand Master to another and that each add dignity and worth to the intrinsic value of the ring.

The Grand Master is concerned about declining membership: two factors of reduction are suspensions and demits, and, I believe, there is something we can do there. A candidate initially comes to us with an interest in Masonry. It is up to us to nurture that interest. I would recommend that lodges require a brother who recommends a candidate to greet him on his arrival at the lodge and remain with him until the Junior Deacon comes to relieve him. I, also, recommend that this practice be continued through each degree so that no candidate is ever left alone while awaiting the pleasure of the lodge.

No member should be suspended without an interview to either remove the cause of the suspension or discover why the brother is in arrears of dues. If the reason is financial, is it not an occasion to use the benevolent fund? If we want to improve our attendance we must do more planning of meetings to attract interest. I would encourage Masters and Officers to combine their efforts to set up interesting programs and then promote them. Wishful thinking will not do it!! It takes work.

The Grand Lodge has commenced the publication of a tri-yearly bulletin — 'Mostly Masonry' — which will provide information and education to the membership.

On November 19th, 1978, at the 120th Semiannual Communication, the Grand Lodge of New Hampshire voted to restore its birthplace, the William Pitt Tavern in

Portsmouth, and to raise the \$400,000 necessary for the restoration and subsequent endowment through a voluntary fund drive. On November 19th, 1983, at the 125th Semiannual Communication, five years later, the goal had been exceeded and the fund drive was officially closed.

Plans are now being drawn and restoration of the William Pitt Tavern will begin. In far less time that it took to raise the funds the restoration will be completed. John Stavers' old tavern will long stand as a monument to the dedication of New Hampshire Masons and their willingness to give their time, their talent and their money to see that a small piece of the past is handed intact to the future, and, in doing so, make the light of Freemasonry shine a little brighter.

The Grand Master, in his address, commented on the state of the Craft: "Our lodges continue to have problems with declining membership and lack of attendance, and the first is directly related to the second.

There are those who state emphatically that there is nothing wrong with Freemasonry. My Brethren, as a fraternity, we have lost over two million members over the past 22 years. I suggest that this trend cannot continue if we are to remain as an influential force in our world. Painting a rosy picture is not going to change the facts, and simply making new Masons is not the answer.

Our lodges continue to do relatively little to keep up member interest and to keep new members interested and active. How can we possibly expect them to induce others to follow in their footsteps and knock at our door if we give them no reason to come back themselves? We must be willing to present interesting and varied programs in our lodges, and to make the extra effort required to promote Freemasonry.

Our fraternity offers much to our members and the world, yet we ourselves take little advantage of it.

And thus it is with much of our fraternity. We offer a treasury of Masonry to those who will grasp that which is easily within their reach. Until Masons realize what Freemasonry is really all about, the problems which we, as a fraternity, face will not go away.

During the year four special communications were held:

One for the installation of the Grand Sword Bearer and the Grand Musician.

One for the rededicating of the cornerstone of the United Methodist Church.

One for the dedication of the wrought iron fence around the lodge hall at Albuquerque which had been moved from its original location in San Marcial, the first home of Hiram Lodge.

One for the Masonic Awareness Parade held in Albuquerque.

The Annual Communication was held on the campus of the New Mexico State University at Las Cruces.

The Grand Lodge has now acquired a computer system. The cost was aided by the generosity of the Scottish Rite bodies of New Mexico. It is planned to exchange computer-generated lists with other Grand Jurisdictions of Masons sojourning in New Mexico.

During his year in office, the Grand Master performed the act of 'Making a Mason at Sight'. This was done for a terminal cancer patient.

The Grand Master visited every lodge in the Grand Jurisdiction at least once. In all, during the year, he made 250 visits to lodges, appendant bodies and Masonic-related organizations.

In his address, the Grand Master expressed his concerns regarding the state of Freemasonry in New Mexico:

"Men of vision and action want to belong to and become involved in dynamic organizations. Let us get back to the basics of Freemasonry with the symbolic lodge leading the way. Let us eliminate the apathy and absenteeism that have so insidiously penetrated our fraternity. Let us all become involved in strengthening our lodge programs, ritual, business and social activities so that it will make attending meetings desirable and beneficial to our members and their families. Motivation, brethren, is an internal function of each individual — we can hope to elicit that motivation — look to yourself — are you a self starter?

Successful lodges with high attendance and the interest of their members are lodges that have involved family programs. . . They must be included in our activities and programs. . . Such programs will strengthen our timeless traditional values which have been so well established by our lodge structure and principles.

We must return to the responsibilities of the time honored apprentice system as concerns our involvement with each candidate for our degrees. Each of them is entitled to a personal involvement and commitment on the part of the brethren who sign his petition. He should be taught, in addition to the normal proficiency, the fundamentals of the fraternity, its long, illustrious history and the fact that these fundamentals and history should be the guide for his way of life and thinking. . . Proficiency is part of our ritual . . . when ritual proficiency is complete, Masonic Education should be just starting.

We don't participate in any public function . . . The majority of our members are of the opinion that it is improper to tell an inquirer that we neither invite nor solicit anyone to join. . . There is nothing about our Fraternity that has not appeared in print . . . All that we hold confidential are the modes of recognition and our obligations.

I must address the subject of Bias, Discrimination and Bigotry. We kneel at the Masonic Altar and take our obligations on the Book of Holy Writings . . . that book relates to the life and teachings of the man who knew no Bias, Bigotry or Discrimination as related to man. He knew and taught that Love overcomes all things.

We must be ready to confront these and be prepared to confront them in a realistic, truthful and Masonic manner . . . Failure to confront this in a truly Masonic

manner may well be a blow to our fraternity. . . I know that we will make the right decisions."

The following edict was issued by the Grand Master:

A Master Mason who has been voted on favorably by a unanimous ballot, initiated, passed and raised to the sublime degree of Master Mason, in a legally constituted lodge under the jurisdiction of the Grand Lodge of New Mexico, and being in good standing . . . for admission into appendent bodies. . . a vote of rejection is cast against him . . . the person casting the vote must verify in writing, within forty-eight hours his reason for the vote to the head of the body. A reason should be of a serious nature such as breach of good conduct that would lead to a charge of unmasonic conduct.

This edict was introduced to eliminate illegal, immoral balloting.

Some interesting statistics about the United Grand Lodge of New South Wales: at Union in 1889 there were 176 lodges; there are no membership figures for 1889 but in 1892 there were 8,425 members; the number of lodges peaked in 1969 with 915 lodges; the membership peaked in 1958 with 135,126.

Proclamation by the Grand Master regarding Masonic dress:

"In view of the extremely hot and oppressive conditions which prevail throughout most of New South Wales during the summer months, the following alternative summer dress has been permitted:

Brethren, other than Lodge Officers, may, at their own discretion, wear a white cotton long sleeved shirt fastened at the wrists, white collar, black bow tie, self supporting black trousers, black shoes and socks.

Whilst the same summer dress is permitted for Lodge Officers, the Worshipful Master must decide at each meeting prior to opening of the lodge whether or not summer dress will be worn by himself and his officers so that all will be similarly attired. At no time, either in the lodge room or in the South, may ties be removed or sleeves be rolled up."

The Grand Master, in his address, stated that he was concerned about the image of the Grand Lodge:

“For too long our jurisdiction has been under the impression that our Grand Lodge was composed of a chosen few, that the rise and fall of our membership was the sole responsibility of the Grand Master, the members of the Grand Line and the permanent members of Grand Lodge. Hiding behind that misinterpretation, or, to use a more direct word, excuse, many of our members who make up Grand Lodge did nothing. But who makes up our Grand Lodge? All the lodges across our great State and their Masters.

To clarify this misinterpretation, your Grand Master has traveled across this State three times to impress on the Masters, the importance of their office, and that they comprise Grand Lodge and that they are responsible for the rise and fall of our membership.”

It costs \$225,000 to print the “Empire State Mason” the official publication of the Grand Lodge of New York.

For years, the Grand Lodge of New York has held a Family Day at Utica. Originally it was intended for the families and friends of lodge members. Last year they enlarged on the meaning of Family. It is still a day for lodge members, their families and friends, but, in addition, it includes the related organizations which make up the larger Masonic Family. It includes the Scottish Rite and the York Rite in all its branches and the Shriners. This past year each participating body was furnished a tent in which to display paraphernalia and artifacts of their respective organizations. Those attending were urged to visit these exhibitions. An educated Mason makes a good Mason.

The Committee on Service and Rehabilitation is the pipe line through which our brotherhood is translated into action, reaching out to all Masons and their sons and daughters and other members of the Masonic families, and to all those who are in need of aid and sympathy. The committee stands ready, at all times, to lend a sympathetic ear to patients in veterans’ facilities and also to assist in problems of rehabilitation in the community.

The Grand Lodge of New Zealand has established a Chair of Geriatrics within the School of Medicine at the University of Auckland. To date over \$1,000,000 has been contributed by the Masons of New Zealand towards this project. This amount will allow the establishment of a Masonic Chair of Geriatrics in perpetuity. This will include the appointment of a professor of geriatrics, a technician to assist in research work, secretarial staff and an annual donation of \$10,000 for equipment.

It has been drawn to the attention of the Grand Lodge of New Zealand that not only are the Arms used by the Grand Lodge not registered with the College of Arms in London, but they contain some irregularities. To correct this and as an additional mark of the Grand Lodge's centennial, the Board of General Purposes has directed that steps be taken to obtain a Grant of Armorial Bearings for use by Grand Lodge. The matter is presently receiving the attention of the College of Arms.

Part of the address of M.W. Bro. Andrew M. Dick, after his installation as Grand Master, is as follows: "The future of New Zealand and Masonry is in the next generation. We must therefore ensure that youth, whom we expect to take our place, receives the inspiration and example we can offer them. I commend your support, not only for the recognized youth related organizations, but also for any legitimate programme for young people."

"The world needs Masonry and the Craft needs Masons. We must, therefore, preserve our principles but also learn to adapt our interpretation of them so that every Freemason will not only have an insight and appreciation of the Craft but also will seek to participate in all its activities."

With great pride, the Masons of North Carolina heard excellent reports from the committee on the Home and the committee on the Oxford Orphanage.

It costs over \$2,000,000 each year to operate the Home which houses 164 persons — 146 women and 18 men. The Home has been operating for 71 years, providing a valuable service which benefits the elderly. The care consists of medical attention, rest, nutritionally balanced meals and a wide variety of activities. The Home consists of three main areas; the retirement area, the care centre or medical unit and independent apartments.

The Oxford Orphanage has an enrolment of 227, 152 boys and 75 girls. They are housed in cottages. There is also an administration building, which houses offices, infirmary, visiting area, conference room and adjoins the building housing the kitchen, dining room and storage rooms. There is also a gymnasium, a print shop, other vocational shops and an outdoor swimming pool. A farm forms part of the campus and the dairy has one of the best herds of milk cows in the state. The farm also

provides food for the institution as well as providing excellent training for the boys and girls.

The North Carolina Masonic Foundation, like the Oxford Orphanage and the Home is not "a thorn in the flesh" but "the apple of our eye," something held dear and something to be treasured.

The Grand Master gave permission for a lodge to help sponsor a benefit bingo game which was used to assist in raising money to aid in paying for open heart surgery for a six-year old boy. The boy had been born with a heart defect. The mother, a widow with two other children, could only pay for 80% of the cost at the Mayo Clinic in Rochester, Minnesota. With the aid of gifts donated by merchants, the charity foundation matched the \$2,216.54 raised and it was given to the Dale Robertson Fund. The last report stated that the boy was doing well.

The Oklahoma Home for the aged has 96 members in residence, 80 women and 16 men.

From the report of the Masonic Service Association Hospital Volunteers: "Just a year ago we, in Oklahoma, were at point zero in the charitable participation of the Voluntary Service to hospitalized veterans in the V.A. Medical Centres . . . Since then we have established an energetic and enthusiastic program in the Veteran Hospitals. Thousands of hours have been given at these three facilities by Masonic Volunteers who have helped, aided and assisted the hospitalized veterans who have made great sacrifices for our freedom and our beloved country. We, in Oklahoma, should be proud of the fact that we are participating in this National Charitable Program that shows the world that "Masons care and will always be there."

During the past year there have been three consolidations of lodges. Six lodges have been consolidated into three.

The Trustees approved the purchase of an electric processing system for the Grand Lodge. This computer system is now fully operational. Approximately \$20,000 has been spent for computer software. It serves as a word processor, prints letters, typesets the Oregon Masonic News and provides statistical graphics.

The Grand Secretary reported that the computer system was a great help in the Grand Lodge office. The main use in the office is to record, store, retrieve and maintain information. It has helped to accomplish this at a more efficient rate. The Masonic Home payroll is on this system, saving \$200.00 per month. Much of the correspondence is now being done with the word processing capabilities of the new system. It has also helped in the publication of the "Oregon Masonic News".

The Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania was 250 years old on June 24th, 1984.

During the past year the number of lodges decreased by eight. Seven lodges merged with other lodges and one surrendered its charter.

The Grand Master has developed a program in which he hopes to visit each of the 574 lodges in the Grand Jurisdiction. An important part of his visits will be the presentation of the Grand Master's Award to those the Grand Master fondly calls

"Masonic Saints." A Masonic Saint is a man who has freely given of himself in service to his lodge, often without reward or recognition.

District Deputy Grand Masters and the lodges are responsible for submitting the names of those to be so honoured.

The award was designed by the Grand Master. The white apron, the badge of a Freemason, is embedded in lucite and is attached to a walnut base. The colour — blue — so vital to Freemasonry, so important to the Blue Lodge, is clearly evident.

A brass plate engraved with the recipient's name and noting his "outstanding service to Freemasonry" is attached to each award.

Project SOLOMON II, a program to rebuild Freemasonry in Pennsylvania by adding 50,000 members to the rolls of the fraternity from 1984 to 1987 was started by the Grand Lodge on December 28, 1983. The success of the program is shown by the decline in the loss of members over the last year; 1,865 members compared to 3,772 the previous year. This project has become far more than a project to improve membership. It becomes an exercise which will bring highly qualified individuals into the Masonic experience.

In the Grand Lodge of Quebec the District Deputy Grand Masters have to have the rank of Right Worshipful confirmed by the Grand Master after they have satisfactorily completed their duties as a D.D.G.M.

The Grand Master recommended that the C.O.M.E.L.Y. (Call On Masons of Every Lodge Yearly) program, instituted by the Grand Lodge of Manitoba, be endorsed in its entirety by the Grand Lodge of Quebec and put into practice.

He also recommended that all lodges study in detail their existing membership and determine in the first instance the number of brethren who are actually able to attend lodge. Secondly, efforts should be made to encourage and assist the brethren to attend lodge by organizing telephone and transportation committees. Without this effort being made by the lodges, they could not expect to generate membership increases.

From the D.D.G.M. reports:

"I attended, with the Grand Master, the annual open-air meeting of Golden Rule Lodge on Owl's Head Mountain. Over 160 were present, from several countries, but mostly from neighbouring States and Provinces."

"As the English-speaking population was falling in the district, some, if not all, of the lodges were faced with a choice of encouraging French membership or of amalgamation. Later our Grand Master spoke along that line, that the Eastern Township area had been instrumental in creating the Grand Lodge of Quebec, so might it be instrumental in leading another change."

From the Grand Master's address:

"Leadership should be encouraged to persuade the constituent lodges to improve their dues structure and financial position. We have some lodges that are strong and some that are weak due to inadequate financing. I have heard it said that Masonry is too cheap. We are human beings and have a tendency to value something by what we pay for it. When we prepare budgets or do other planning we must recognize that financing is only one aspect while education and programming is equally important."

"It is the duty of the fathers in Masonry to so exemplify its principles to our sons that they, too, may experience a desire to explore its mysteries. Can a Masonic father conceive a safer manner for his son to spend his young manhood than in Masonic study and companionship? An ideal lodge is one in which the energies and enthusiasms of youth are tempered and directed by the mature judgment and caution of the middle aged and the aged; a lodge where the opinions and aspirations of the young and old are treated with mutual respect, where leadership is not leadership of the martinet, where counsel is not exclusively confined to the elder statesman; here youth is not arrogant, where age is not intolerant, and where each member always mindful of the simple but fundamental principles of the Craft, dedicates his energies to the common good."

Operation Turn-around:

This was conceived in May 1984. One object was to develop "Friendship Nights" in those lodges desirous of trying to advance Masonry in the community. They have accomplished three purposes: it has increased the visibility of Masonry in the area; it has informed men how to approach the Order if they wish to join; and it has kindled enthusiasm among the members.

The Grand Master, in his address, stated that although Freemasonry in South Carolina had been productive in many ways, it had failed in other areas. He is concerned about the number of suspensions for N.P.D. and even more concerned about those who have continued their membership in appendent bodies of Masonry even after being suspended from Craft Masonry. He is so concerned about this situation that he issued the following edict: "Any brother without a current dues card in his Craft lodge and is current in any other Masonic organization shall be charged with unmasonic conduct and dealt with accordingly."

The Grand Master has continued the practice of sending a personal letter to each newly-raised Master Mason. He considers this to be a very good avenue of communication with the newly-made brethren.

One of the Grand Master's projects for the year has been the encouragement of visitation of lodges, one with another, and the visitation of members of the Craft to lodges other than their own. This promotes better unity and larger attendance in the lodges. This has been the case where it has been carried out.

The Grand Lodge of Ancient Free Masons of South Carolina is planning for the 150th Anniversary of the Grand Lodge in 1987. A special lapel pin will be made available in 1986. The Grand Master, when receiving the district Masters, said: "It becomes a distinct pleasure to welcome you distinguished brethren . . . We are sure the 'door has been opened in '84,' in your districts, and that your Masonic careers have been expanded by your good works.

A Master's wages are paid in coins of the heart, not of the mint. They are earned by what a Mason does with his mind, not his hands. In operative days a Freemason set as many stones and received each man his penny. In speculative Masonry, a master builds in his spiritual Temple as many perfect ashlar as he can receive for his labour, uncounted coins of happiness, satisfaction, knowledge, understanding and spiritual uplift."

The Grand Master further commented: "As the Grand Lodge Officers have moved about the state, I believe we have found genuine optimism, and yes, even anticipation in many lodges. It is rewarding to see so many lodges with young leaders at the helm. All this leads to a surge of interest in Masonry in general. Grand Master's programs along with these younger brothers will cause a 'burst of enthusiasm' throughout this Grand Jurisdiction and the time is now. I had hoped that I might report a gain in membership.

For those who contend that we must pursue more aggressive methods of building a community image, as well as our membership numbers, let us be reminded that Masonry, throughout the centuries of its existence, has become the best argument for precept and example as the most enduring method. When we display good examples and the right attitudes, we will attract people, and they will be the right kind of people. It has worked in the past and it will work today. In those places that we show losses, perhaps we should take a hard look at what those who observe us are seeing. Let us dare to be judged in our communities. Let us open the door in '84 and let us look alive in '85 and they might even like what they see."

The President of the Board of General Purposes submits his report in writing, previous to the annual meeting. The Board has a great influence on the operation of the Grand Lodge of Tasmania. Most of the recommendations of the Board are carried out by the Grand Master and Grand Lodge.

Following is an excerpt from the President's report:

"... The Board was made aware of the desire of some lodges to favour the singing of Advance Australia Fair in preference to God Save the Queen and subsequently in response to requests for guidance has recommended as follows: In the Temple — God Save the Queen to be sung after the admission of visitors. 2. In the South — The Loyal Toast to be honoured by singing either God Save the Queen or Advance Australia Fair, followed by the proposition of a toast to "The Queen and the Craft" after which the brethren may be seated."

The report of the Masonic Homes Committee showed the excellent service these homes are giving. The Fred French Home in the north has 48 residents — average age 87. The Southern Home at Kingston has 120 residents. Eight units have been added to this home and four are presently occupied.

From the Grand Master's address:

"... One of the difficulties we are facing is keeping the brethren interested and involved. We can never achieve this if our work is shoddy or apparently meaningless or ill-prepared. We can never get the feeling of involvement if only a select few 'do the work' while the rest act as audience. Further, we will never inspire a candidate unless we, ourselves, are inspired by what we say or do. We must speak and act from an inner conviction and knowledge that what we say and do is of the utmost meaning and importance to us and therefore to be transmitted as of paramount importance to the new brother. Charges which are delivered in a flat, lifeless or sing-song manner may be word perfect but convey little if anything to the candidate."

How good and how pleasant it is for brethren to dwell together in unity. And isn't it GREAT TO BE A MASON? Each of us should thank our Supreme Architect for the privilege of serving this fraternity.

The Grand Master issued a dispensation for a Tennessee Lodge of Research.

From the report of the Masonic Education Committee:

"We recommend that each lodge assign one or two active knowledgeable "big brothers" to each newly made brother to assist him in the many facets of learning. We have noted, while visiting, that many newly made Masons, during refreshments and/or meetings are ignored by some of us who tend to sit with old cronies. The new brother needs our assurance that he is one of us, is welcome, and considered a valuable asset to our organization. He may want to begin ritual work — let him get started if he has talent.

To assist our new Master Mason in attaining Masonic learning see that he attends educational classes. We should teach all Master Masons how to be tried when

visiting other lodges or else they are afraid to attend other lodges because of ignorance.

The greatest danger to present-day Freemasonry lies in apathy, indifference and complacency of its members. We need to revive the enthusiasm and the loyalty of the brethren.

The pride of Texas Masons is the "Masonic Home and School of Texas." It is a facility to house and educate the children of deceased Masons. The children get a full education before leaving the home and there are scholarships available for those who wish to continue their education at college. A full scholarship amounts to \$2,000. Last year eight full scholarships were awarded and four partial scholarships of \$500 were awarded. At present there are one hundred and forty-five children at the home.

The Grand Master urged the brethren of Texas to become more involved in civic affairs. "If Masonry is to be valued by the people of the community, then undoubtedly, the lodge members must become more active and involved in local affairs. A lodge valued by the community, is an active lodge that is likely growing and prospering. On the other hand, if the lodge members are indifferent to what is going on in the community, the lodge is one that is not doing well financially and is losing members. Before the people of the community will care about Masonry, they have to know that Masonry cares about them."

The Grand Master's motto was "Unity in '83." During his year he visited only one other jurisdiction, New Mexico. His reason for this was that as Grand Master, he should do his travelling in his own State.

Each year the Committee on Public Education holds an Essay Contest. The reason assigned for this, is to generate increased awareness among the general populace of the importance of public education. The week of March 7 through March 11 was set aside, by the State School Board, for the annual observance of Public Schools week in Texas. During this time citizens are urged to visit the schools and evaluate their needs. The Grand Master directed that as many Masons as possible make a reasonable effort to attend a public school during that week.

Previous to the Annual Communication, four special communications were held:

1. for the dedication of a new Masonic Temple
2. for the laying of a cornerstone for a new school
3. for granting of permission to sell a Masonic Temple
4. for "Making a Mason at Sight"— this honour was conferred on former Governor of Vermont and former United States Senator, George D. Aiken who, the previous year, had received the Grand Lodge Medal of Honour.

The Grand Master was pleased with the progress in Masonic Education and its promotion. He stated that there is a need to press forward with increased effort. Masonry is a progressive science and the need for Masonic Education will never decline. He encouraged the presentation of awards at open meetings. It is an excellent way to promote the fellowship that is enjoyed in Masonry.

A special award of recognition was given to Bro. Clifford Stewart, who had served his lodge as Secretary for fifty-three consecutive years. This is probably a North American if not a world record.

From the Grand Master's address:

"My message has been, 'Let there be new understanding in Masonry'. Masonry will stand for us when we stand for it. Some of us take it for granted while others only consider it sporadically. However the perpetual flame of light shines in every hour and the darkness of hate, selfishness and false pride disappears. Everywhere that the light of understanding shines is improvement. To be consistent with our highest concept of Masonry we must light our candle of understanding. The exercise of understanding is to practice it until it becomes comfortable. Understanding is discoverable as the personal experience of every practicing Freemason. The light of understanding dissipates ill will, envy, jealousy, suspicion and disgust. Let us relieve ourselves of the pain of living outside the radius of light and hope. The candle will remind us of that."

It is difficult to reach every group in our Order. The families of Masons are a faithful group and as a fraternity we cannot neglect them.

"For to confirm all things; a man plucked off his shoe, and gave it to his neighbour . . ." Our ancient Brother Boaz publicly displayed the slipper symbolizing his fidelity to his kinsman's widow, Ruth. Every Master Mason should not need to be reminded of his obligation to honour, respect, and protect the loved ones of fellow Masons.

The executive committee of the Grand Lodge of Wisconsin consists of eight members. The Grand Master, who is chairman, the Deputy Grand Master, two Past Grand Masters, and four other brethren.

The committee meets once a month and a wide range of fraternal activities are discussed, monitored and evaluated. The committee made the following report at the Annual Communication: (We include only the topical headings): 1. Community image and lodge activities. 2. Planning and communications. 3. Masonic Education and Counselor Program. 4. Leadership Training. 5. Resignations and Suspensions for N.P.D. and defaults. 6. Masonic Ritual and Proficiency. 7. Charity. 8. Grand Lodge Office Modernization.

From the Grand Master's address:

"Although it is highly desirable to maintain individual lodges, I believe that every Mason has a right to belong to an effective lodge. In certain cases, this can only be accomplished by consolidation."

"Every grand jurisdiction should have a lodge of research. I am proud that over one hundred Masons have become charter members of Silas H. Shepherd Lodge of Research U.D."

"Masonry has gained public recognition through several ongoing programs. In my belief, this is most important, if we are to be recognized as a significant part of our individual communities and attract those men we would like to have as part of our fraternity."

APPENDIX "A"
ADDRESS BY M.W. BRO. FORREST D. HAGGARD
AT THE
GRAND MASTER'S BANQUET
JULY 16, 1986

THE GRAND MASTER: I am now going to ask M.W. Bro. Eric W. Nancekivell to introduce the speaker.

M.W. BRO. E. W. NANCEKIVELL:

Most Worshipful Grand Master, Distinguished Guests and Brethren:

During the past three and one-half decades of which I can speak, we have always, with rare exception, had very distinguished and eloquent speakers at our Annual Communications. To date, only three of these men have been invited to address us more than once — M.W. Bro. Roy of Massachusetts, M.W. Bro. Wright, the dean of our Past Grand Masters, and R.W. Bro. Fleming. However, as of tonight, M.W. Bro. Forrest D. Haggard joins that group of three in speaking here at our Annual Communication for the second time.

Many of you here tonight will recall that our speaker addressed us in 1974, when he was Grand Master of the Grand Lodge of Kansas, in a most stimulating and entertaining manner. He was introduced that night by M.W. Bro. Wright, in his own inimitable style, and as Deputy Grand Master, I was afforded the privilege of expressing the appreciation of our Grand Lodge on that occasion.

Brethren, I shall be brief tonight and touch only the highlights of the very distinguished career and accomplishments of M.W. Bro. Haggard. Our guest speaker is presently serving as Pastor of the Overland Park Christian Church Disciples of Christ; Overland Park being a suburb of Kansas City. He has seen the congregation swell from 30 people to a point where there are now three identical services on a Sunday morning, with an average attendance of 1,300 communicants. Wouldn't all you clergymen like that to happen!

From 1975 to 1980, he served as President of the World Convention of Churches of Christ. As a civic minded citizen, M.W. Bro. Forrest Haggard has been active in mental health services and in scouting, where he is a member of the Order of the Arrow, which is scouting's national honour society. Our speaker is an author of note, has written many Masonic articles and pamphlets, and perhaps his greatest accomplishment was writing a book entitled "The Clergy and the Craft," and it is an absolute must for every serious minded student of Masonry.

Masonically speaking, our speaker received his Craft Lodge and Scottish Rite degrees in Oklahoma, but then went on to Kansas where he served as Grand Master of the Grand Lodge of Kansas in 1974-75. Since then, he has become an Honorary Past Grand Master of many Grand Jurisdictions, and, of course, he is very active in both the Scottish Rite and York Rite bodies, being a 33° in the former.

I have but touched the fringe of this man's accomplishments and qualifications, and need not tell you what an honour it is to present this distinguished speaker, preacher, orator, civic minded citizen — M.W. Bro. Forrest D. Haggard, Past Grand Master of the Grand Lodge of Kansas.

M.W. BRO. FORREST D. HAGGARD:

Most Worshipful Grand Master, Members of the Grand Lodge family, Distinguished Guests and Brethren all:

The Grand Lodge of Canada in the Province of Ontario is now, and has always been, the producer of excellence in leadership in World Freemasonry. It is, therefore, a privilege to speak with you and, more so, because this is my second presentation before the Grand Master's Banquet. I accepted, not because I enjoy hearing myself but, because I have a deep concern about the topic to which we will give our attention: "FREEMASONRY AND PRESENT DAY CRITICISM". Our Craft is under attack today: so severe, that it puts the anti-Masonic cults of the 1800's in the minor league.

My last talk before you was inspirational and uplifting in nature of an "after dinner" speech. Tonight what I have to say is more serious and in a lecture form. In 1974 the new wave of fundamentalism was just starting in North America and by 1978 I had detected the roots of what I predicted, in a paper to the Society of Blue Friars, to be a "gathering storm" and tonight I propose to talk about our survival in that STORM. Because you are here tonight I "assume" you are interested in Freemasonry and because of that "interest" I hope you understand that we are, in fact, in peril as a Fraternity. Let me start with a conclusion: Just as the final inspector of the ship is the sea: so the final test of Freemasonry resides in the minds and hearts of those who make up our society. The final word is not in the hands of the clergy.

Let's review the situation so as to hear the "whole story" (). A year ago this month the Press releases stated items such as: "U.S. Roman Catholic Bishops censure Masonry; British Methodist, Anglicans and Baptists voting on membership in Masonic Lodge; and Lutherans in Norway and Sweden question membership in Masonic Fraternity." The Grand Lodge of South Australia appointed a special task force to investigate fully the "concerns that are evident in our Brethren's mind about their membership and the Church." The three major Lutheran Churches in the U.S.A. are meeting to form one large Lutheran Body and have taken, basically, an anti-Masonic stance. Major fundamental and independent religious groups (such as People's Church here in Toronto) have brought out the very old and trite arguments of a century ago, only this time they are armed with very modern methods of communication with T.V. and computerized mailings. Anti-Masonic feeling is not confined to any one part of our Masonic world; it is widespread.

We have responded. This month I received THE NEW AGE with "What Freemasonry Means to Me" by the Reverend Dr. Norman Vincent Peale (who is featured on the cover); the Knight Templar with "Is Freemasonry Evil?" by The Reverend Don R. Long; the ROYAL ARCH MASON with "Mexican Freemasonry and the Catholic Church" by Eugene V. Frankel and THE PHILALETHERS with "Between Church and Craft," as well as many reports from Research Lodges and Grand Lodge newsletters and publications.

In the language of today, there is "good news" and "bad news" and some just "plain news." In the "plain news" column let me remind you that the attack on the Craft is not anything "personal" against us. () It is the result of a worldwide renewal of militant conservatism. The religious renewal movement of the 1950's has died down but its afterwave is still gathering strength. It is world wide: We see it in Islamic religions in their terrorists attacks, we see it in political arenas as a major issue today, and the attack is not just against fraternalism, it is against anything or anybody with whom the adherent may happen to disagree, or it may come at a time in the life of a cult or group where they need to increase or maintain the fervor of their membership.

Most of the response which Masonry is giving to the attacks deals with an attempt to give specific answers to the multiple specific charges and uses a "reasonable" method. It is not working and it will never work. Fighting militant conservatism with a literalistic answer will not stop the criticism. A strong good public relations program is needed but we had best be certain that what we want to make open and public is WHAT we want to make public. We are up against a mentality which will recognize nothing except its own interpretation of the "rules." (2)

Forceful and accurate information is needed by the general public about the Craft and its good works, purposes and statement of mission. Unfortunately, very few of our Grand Jurisdictions are equipped to provide such information. If Freemasonry stooped to use the same tactics and logic as that of our critics, we would be accusing local fundamental religious groups of the heresy, pillage, rape, murder, and immorality of the organized church of the middle ages. There is ample written material for resource. We are unable to do that because of our sense of honesty and ethic. In our system we have room for pluralistic ideas. Such room does not exist in the minds of the fundamentalist. Religious extremism is rooted and grounded, not in an historically accurate basis of religious faith, but in an authoritarianism and distortion of reality that not only could destroy Freemasonry but could wreak havoc on our basically "free and democratic" society. It is but a few steps from book burning to people burning, from clinic bombings to temple bombings. Mind control and punishment of dissent is the ultimate goal of the fundamentalist fanatic (religious or political). Now let me talk about the bad news and the good news. (3)

Bad News: Freemasonry, as I observe, has, in the minds of many of its adherents, assumed the trappings of organized religion: Seeing Masonry being attacked they tend to defend it on a "religious basis." Many of the members of the Craft, where I live, are members of mainline Protestant bodies. In many of our U.S.A. communities the most active, alert and growing congregations are NOT mainline. We have cut ourselves off from the very group with which we need most to communicate plus the fact that we are talking a "religious language" with which they have come to detest or, at least, feel is inferior.

We have, in some sectors, become lulled into a sense of "false acceptance," especially where we have dealings with the Roman Catholic Church. I am glad for all the co-operation and good events that have transpired between us but I remind you that although Pope John Paul is not returning the Roman Church to its narrow isolation and rigid conservatism of the nineteenth century, he is reaffirming its commitment to its basic principles. He has rapidly restored the authority of the hierarchy, Papal infallibility and the state of Mariology. He revived the "Sacred

Congregation for Doctrine of the Faith" (the Inquisition) and, lest we forget, the ban against Freemasonry was never lifted! (If you think otherwise read the writings of one Wm. J. Whalen)

The real bad news, to me, is not the severity of the criticism from without nor the use of the vast resources of public media to promote such criticism. Bad as that is, it holds no candle to the destruction that is taking place from within our Society. (4)

Freemasonry, pure form, is both an ART and a SCIENCE. If the Art is neglected the system fails; if the Science is neglected the system dies out. In my opinion our "science" today is usually connected with the operation (operative masonry) of our buildings, equipment and ascension in terms of human power and leadership. We do have exact structures in terms of personal progression of power, honors, awards and accolades. We are "operative" in terms of human structure. That operation has become a science among us. Most Grand Lodge reports deal with the management of money, membership and the operation of the Craft. We are "operative" and we are "speculative" but those terms now deal with the care and feeding of ourselves.

Just as our "science" has become internalized so has our "art." The Art of Freemasonry separates us from the civic club and service organization. We are an "art" in terms of our legend, moral teachings, voicing and pageantry of our ritual and floor work. We do deal with the "rites of passage" of the human being. Our art deals with the gifts of thought, speculation and contemplation. History teaches us that as systems decay their rituals become longer, change becomes impossible and the form of the teaching takes precedent over the substance of the teaching. (5)

Perhaps our critics are our best friends. If our ritual has become mere form, if our works (if even existing) are superficial; if our science has become only a system for personal honors then our critics have merely diagnosed our illness.

Many times I have replied, in a public meeting, to attacks against the Craft: "You are correct. We are who you say we are. We are universal, nonjudgmental and we do offer a 'natural' base of ethic and morality to which all good men may subscribe. We do not offer a plan of salvation but we do prepare the heart and mind of a man to listen, to think and to decide." We do have "good news."

Many Masons faced with the criticism of their affiliation are giving, perhaps for the first time, serious contemplation of their membership and have found the high standards, challenges and quality of Freemasonry needed in their lives.

Many of our Grand Lodges are now giving serious thought to Masonic Education and many leaders are starting to talk about their membership and what it means to them. I find that Masonry is now being promoted without violation of the Law nor of the guidelines of good taste, tradition and values. In communities where Masonry is actually working as a true "Art and Science" there is no need of verbal answers. The making of "Masonry visible" is only possible if Masonry actually exists.

The so-called "greying" of our Western society means a much larger group of older males. It means that these men are approaching an age of contemplation and renewal. It is a time of life marked by influence, wisdom, and desire for personal fulfillment. We have a deep need for fellowship and mutual support. We need to

recognize each other and to be recognized. (6) This is the best answer to the exclusive, inclusive and demanding mannerism of present day critics.

It is my observation that there are many doors or windows opening for Freemasonry today. The renewal of "anti-masonry" is an important factor in our future. It could well move into a ground swell that would close down lodges, and threaten the existence of our allied groups. **BUT IT IS NOT THE DECIDING FACTOR FOR OUR FUTURE!** That factor is within the Craft: It is our attitude, knowledge and commitment. If we are more concerned about personal prerogatives, privilege and power than we are about co-operation, concern for those needs, and planning as well as honest education of our candidates, then we might well be in our "last days." But these complex and fearful times open for us a vast array of choices for good of the Fraternity. The very factor of severe criticism brings us to the edge, but it is the edge of opportunity.

There is a tide in the affairs of men
Which taken at the flood, leads on to fortune,
Omitted, all the voyage of their life
Is bound in shallows and in miseries.
On such a full sea we are now afloat;
And we must take the current when it serves
Or lose the venture. (Brutus to Caesar, Julius Caesar Act IV)

Deputy Grand Master's thanks to M.W. Bro. Haggard:

Most Worshipful the Grand Master, Dr. Haggard, distinguished Head Table Guests and my Brethren:

One of the most common mistakes in selecting speakers is to assume that a well known authority is also a good speaker. Dr. Haggard, you are a well known authority.

We have relied on our Grand Master to acquire a renowned speaker for our 131st Annual Grand Lodge Banquet. We have great faith in the perceptiveness of our Grand Master and we must commend him once again for his superb selection for this evening.

You, Dr. Haggard, are an excellent speaker.

The enraptured silence and obvious attention of this audience during the delivery and the laudable and enthusiastic response at your conclusion is evidence of the acceptance and the pleasure that you have provided our brethren.

Our repeated request to have you with us modestly reflects the high esteem we hold for you personally and for your many talents.

We are in the eye of the storm — **and** we do need to know the whole story — Thank you for sharing your views on militant conservatism. We are taking **steps** in this Grand Jurisdiction; we often wonder if our Grand Master is ahead of us blazing trail and showing us the path, or behind us putting us into quick march. Our Grand Master must have heard your address on a previous occasion. He has us stepping.

"Our critics may be our best friends" — A powerful statement that each of us will take home to our respective offices and our respective lodges.

As I close, I would say, and I am sure it is shared by all in attendance, that you are gifted, you are in touch, you are knowledgeable and you are indeed talented.

It is a pleasure and a rare privilege to express, on behalf of the brethren, a sincere thank you for your extremely interesting and inspiring address.

We are most grateful and we are indebted.
